His father was Judge Townner, and will be remembered by early pioneers of the state. His reminiscences of the territorial days are thrilling. Then the dusky hunter could be seen wandering over the hills by day and by night, the howling of the cyote broke the monotony of this prairie life. Mr. Townner now resides near David City. A Friendly Letter.

It is with the greatest pleasure that I notify you that I feel perfectly well again. I had a severe stomach trouble for a long time and, after having consulted doctors in vain and taken many medicines I nearly lost all hope to recover my health. Then a friend recommended to me to try Triner's American Elixir of Bitter Wine. I have to state that I feel well and strong again and wish to advise everybody suffering from a stomach trouble to use Triner's American Elixir of Bitter Wine. Miss Frances Sutherland, cor. Fourth and Locust Sts., So. Bethlehem, Pa. To us it seems strange that Miss Sutherland took this last remedy so late while she could have been spared many a pain and expense by using it at the start of her sickness. We wish to advise everybody never to postpone long the treatment of diseases of the stomach, intestines, blood and nerves, never to experiment with unknown remedies, but to use at once Triner's American Elixir of Bitter Wine. Jos. Triner, 1333-1339 So Ashland Ave., Chicago, Ill.

EX-GOVERNOR MICKEY IS DEAD

Former Nebraska Executive Passes Away at Osceola.

HARDENING OF ARTERIES FATAL

Disease Had Afflicted Him at Intervals for Five Years—is Surrounded by All of the Members of the Family When the Final Summons Comes. Sketch of His Life.

Osceola, Neb., June 2.—Ex-Governor J. H. Mickey died here this morning at 1:10 o'clock following a long battle with disease that had afflicted him at intervals for five years. The governor's entire family was at the bedside.

When he took the office of governor five years ago, Governor Mickey was warned by his family physician that he was physically unable to bear the strain of the task. He suffered at intervals from hardening of the arteries and in the last year had several severe attacks, the last one enduring ten days. He had been unconscious since Sunday. The funeral will probably be held Sunday.

Sketch of His Life. John Hopwood Mickey, twice governor of Nebraska, was born in 1845 near Burlington, Ia. His father was a farmer and he was reared on the farm. He was educated in the public schools of the town and finished after he had returned from the war by attending Wesleyan college at Mount Pleasant for two years. Although not of age, he enlisted in August, 1863, in Company B, Eighth Iowa cavalry, in which he served until mustered out under a general order of August, 1865.

After the war he returned to Iowa, remaining until 1868 when he came to Nebraska, settling on the homestead in Polk county. Before leaving Iowa in September, 1867, he was married to Miss Miranda McCray of Des Moines county.

The children of this union are O. E. Mickey, cashier State bank of Osceola; E. S. Mickey, bank examiner and executive clerk to his father while governor.

error; Mrs. Sarah Smith of DeWitt, H. A. Mickey, farmer, on the old homestead at Osceola; Marie Nain Mickey, of Lincoln. Mrs. Mickey died in 1886, and about twenty years ago in Keya Paha county, where the governor had large ranch interests, he married Miss Flora Campbell, who with these children, survive him; Benjamin Mickey, student at Wesleyan university; James, Elizabeth and Flora, students in the Osceola high school. Of the latter union two children, John and Warren, are dead.

Mr. Mickey lived on his Polk county homestead until 1872, when he moved to Osceola, having been elected county treasurer, which office he held ten years. He served in the Nebraska legislature of 1881, but never held any other public position except that of governor of the state. He was president of the Osceola bank.

BURKETT PAYS FILING FEE Senator Makes Known That He Wants to Serve Another Term.

Lincoln, June 2.—Elmer J. Burkett, at present United States senator, is now a full fledged candidate for reelection. Mr. Burkett paid his entrance fee of \$50 to the county treasurer of Lancaster county and then filed his name with the secretary of state as a candidate for the Republican nomination.

"Some of my friends have suggested that I should get up a petition asking that my name be placed on the ballot," said the senator, "but I do not think that is necessary. I have an idea that the people think that I really want to serve another term and there is no reason why I should not make my wants known personally."

Senator Burkett left for Washington.
