Elmwood-6; Avoca-1.

Avoca and Elmwood crossed bats here last Friday. The game was a good one aside from the second inning. Both teams put up a good article of ball. Although we lost, no one is disatisfied with the game.

Elmwood only scored once after the third inning as the score indicates. Avoca secured their only score in the third inning. Fahnestock hit, stole second and third, a hit by Copes brought him in. Gruber pitched a steady game for the locals.

The score by innings:

Avoca 0 0 1 0 0 0 0 0-1

Should Be Stopped.

Considerable complaint has been made recently of the habit of a number of young men and boys congregating upon some of the principal street corners, principally the Hotel Riley corner, and indulging in loud and boisterous conversation, as well as showering the walk with tobacco spittle to the imminent danger of every lady who happens to be passing by. A flagrant case of this kind happened last evening and the lady in question had a narrow escape from having her dress ruined. The practice is a very vile one and without any palliation whatever. The police should take immediate and vigorous steps to see that the practice is brought to a halt, and that some prosecutions be had if the men and boys in question do not have more regard for the public weal. The habit used to be common in the city but a raid by the police put a temporary quietus on it till recently. It has started up anew now and should be given attention once more.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative goes directly to those failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. A simple five or ten days test will surely tell. Try it once and see! Sold by all dealers.

Pleasantly Entertained.

Mrs. J. W. Johnson very pleasantly entertained the members of the Ladies Aid society of the Presbyterian church at her charming home on Tuesday afternoon.

When invited to the Johnson home the ladies always expect a royal time and their expectations were fully realized in the entertainment of Tuesday afternoon. The usual diversions, such as the regular business session, needlework, social chat, and the like furnished plenty of amusement, and made the afternoon one which will long be remembered by those who were fortunate enough to be present. Some music, both vocal and instrumental, were also pleasing features. The dainty luncheon served by the hostess, assisted by her daughter, Miss Ruth, was not the least appreciated of the many delightful things provided by the thoughtful hostess for the entertainment of her guests.

M. G. McQuinn and wife of Union came up last evening from their home and were visitors over night in the city, returning to their home this morning on the M. P. train.

Special Notice!

Many of you have no doubt received our bills announcing that we are going to change our business from a credit to a cash system. This may seem a rash act when we have so many good customers. But then we have some that are very doubtful. Any business firms have these that are doing a credit business, and to protect our good customers we have decided to make the change and give them the discount that it costs to do a credit business. We would like for you to call on us at your earliest convenience so that we can explain our system to you more fully.
