WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Plattsmouth women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Plattsmouth woman's words:

Mrs. James Hodgert, 1102 Main street, Plattsmouth, Neb., says: "I suffered a great deal at times from dull, heavy pains across the small of my back, especially severe when I stooped or brought any strain on the muscles of my loins. About two years ago I learned of Doan's Kidney Pills and they brought me such prompt and positive relief that I have since used them whenever I have felt in need of a kidney remedy. I procured Doan's Kidney Pills at Gering & Co.'s drug store and do not hesitate to recommend them."

The above statement was given in June, 1906, and on December 30, 1908, Mrs. Hodgert said: "I still hold a high opinion of Doan's Kidney Pills. I am glad to confirm all I have previously said about this remedy."

A failing tiny nerve, no larger than the finest silken thread—takes from the Heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing Stomach Heart or Kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt, clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by all dealers.

AVOCA BALL TEAM TO PLAY SUNDAY

Game Promises to Be Hot One as They Are Some Team

The fast local base ball team will play the Avoca, Neb., team on the Chicago avenue grounds next Sunday and there is every prospect of a red hot game. The Avoca team will come especially prepared to make the Plattsmouth team play its best ball to win and doubtless will do so. The locals are in fine shape and are playing the same fast and speedy game they played with the Sixteenth Infantry team which was some game. Avoca has been playing a rattling good game for some days past and has cleaned up all the stronger teams of that locality. They intend to try and make Plattsmouth win the county championship by good hard work and to keep the locals rushing from the jump.

Plattsmouth is proud of the fine work of its team for the past month and glad to see the interest the boys take in the game. The attendance should be in keeping with the games—right to top notch for they deserve support. The work of Herrold, Bardwell, Fitzgerald, Larson and Mann in the past several games has been far above the average while Mason and Kelly have also been ranking high. Droege is almost always a reliable player and McCauley and Beal have been doing steady and consistent work. Then the locals have a good reserve player in Ault who did excellent work in the games he took part in. Altogether, the team is one which deserves the support of the home folks and it is hoped there will be such a crowd on Sunday as will fill the stand and the grounds to overflowing.

There is a possibility of a good game for Saturday afternoon but this has not been secured yet. Some strong Omaha team will be secured if possible and will give the boys something to keep them busy. The Auburn team of the Mink league is being dickered with for a game and the locals hope to secure one for the next couple of weeks. The locals feel they can trim the Auburns easily and they want to do so.

A telephone message was received this morning from Malvern, Ia., by Manager Brantner asking that the local team enter in a base ball tournament to be given in Malvern on August 2, 3 and 4. There are large purses hung up and the local team accepted the proposition forthwith and will be on hand and ready for the games. They are confident of coming away with some good money and much credit out of the contests

and will go prepared to show western Iowa that there is some ball team in Plattsmouth.

The Malvern management also wired an offer of a \$50 purse for a game in that city between the Shenandoah team and the Plattsmouth team, the game to be pulled off on July 14th. This offer was accepted on the part of Plattsmouth and the local team will furnish its share of a fast and exciting game. Malvern has some automobile races scheduled for that day and the ball game is an added attraction. The races are said to be among the best ever seen in this section and it is believed the attendance will be far better than at any seen in years. Malvern is a live town from the sport standpoint and promises to furnish a big day on Thursday, July 14th. The Plattsmouth team is gratified that their good work is attracting the attention of outside teams and that their services are in demand and they will try and furnish a grade of work which will pay those calling upon them.

Beware of Errors!

Nobody can avoid all errors, but everyone of us can avoid some. During this hot season it is especially important not to make any error in the diet, because any failure to do so may be very serious or even fatal. It is absolutely necessary to be strictly temperate in eating and drinking and to attend at once to the slightest irregularity in the digestion. The best remedy in such cases is Triner's American Elixir of Bitter Wine, which goes to the root of the sickness. It quickly strengthens the digestive organs and makes them able to do their work regularly. It is very good in all diseases of the stomach and the intestines, in nervousness, exhaustion and poverty of the blood. During the summer season you should always have it at hand. At drug stores. Jos. Triner, 1333-1339 So. Ashland ave., Chicago, Ill.
