

TEACHERS ENJOY THEMSELVES

Several Plattsmouth Ladies Are Among the Guests.

The party of Nebraska teachers and their friends left Lincoln Tuesday afternoon, June 28, four days before the opening of the N. E. A., in three special cars, two from Lincoln and one from Nebraska City joining them at Red Oak, Ia. Others joined the party at Chicago, Detroit, Toronto and Montreal. The party was under the direction of State Superintendent Bishop, assisted by Superintendents R. C. King and George Marlin of Nebraska City. The first stop was at Detroit, where the party took a boat trip to Belle Isle and were then ferried across the Detroit river to Windsor, Canada, where they boarded the train for Toronto. From Toronto a side trip was taken by boat across Lake Ontario to Elgara Falls. On returning across the lake, the party "saw Toronto," and left for Kingston in the evening. At Kingston the party took a river steamer down the St. Lawrence through the Thousand Islands to Montreal, arriving there at 8 o'clock Friday evening. Two days were spent in Montreal, with headquarters at the La Corona hotel. Leaving, change was made at Newport, arriving at Boston Sunday evening. On arriving at Boston the party numbered 101.

The N. E. A. authorities had special street cars awaiting the party, which took them directly to headquarters. Arrangements were made for the accommodation of the Nebraska delegation at the Revere house on Bowdoin square. With few exceptions, the national education association meetings were arranged for the forenoons, with general sessions in the evenings, leaving the afternoons entirely free for sight-seeing in Boston and surrounding country. The Nebraska party attended in a body the opening session in the stadium at Harvard university, Monday afternoon, July 4. Addresses were made by President Taft, David Starr Jordan, president of Leland Stanford university, and Charles B. Aycock of Raleigh, North Carolina, with special chorus music of high character.

The party visited Concord, Lexington, Mt. Auburn, Sleepy Hollow cemetery, Cambridge, Revere Beach, the home of Emerson, Longfellow, Lowell and innumerable other places of historic interest. The local committees in charge of affairs at Boston were well organized and ready at all times to give assistance and direction to visitors. Numerous receptions were planned and every effort taken to make the stay of N. E. A. visitors enjoyable.

About one-half of the party returned directly from Boston by way of Montreal. Forty-eight members returned by the diverse route via Providence, New York, Norfolk, Washington, Pittsburg and Chicago. The party was most delightfully entertained for one-half day at Providence by President and Mrs. Alger of the Providence, R. I., state normal school, State Superintendent Ranger, and Professor and Mrs. Holcomb, former Nebraskans now at the Providence normal school. From Providence the party took an Atlantic steamer for New York City, when those inclined had their first taste of sea sickness in rounding Point Judith, the rough sea and fog adding a variety to the trip.

Three days were spent in New York City with headquarters at the Marlborough. A boat trip was taken up the Hudson to Poughkeepsie, another boat trip to the Goddess of Liberty on to Coney Island. Leaving New York City Tuesday afternoon, July 13, at 3 o'clock, the party had a 328 mile ocean voyage, stopping at Norfolk. Stops were made at Old Point Comfort and Fortress Monroe, Virginia Beach and Cape Henry, with a delightful trolley trip across Virginia peninsula.

Leaving Norfolk Wednesday evening at 6, up Chesapeake bay and the Potomac river, where three days were spent in trips to Mt. Vernon, Alexandria, Arlington and Georgetown, and visits to the public buildings and institutions of interest.

Saturday evening at 10:55 the party left for Pittsburg, going through Harrisburg. A quiet Sunday was spent in Pittsburg, the day being made more enjoyable by reason of the lack of the greater volume of smoke which envelops the city on other days than Sunday. Leaving Pittsburg on Sunday evening, the party reached Chicago Monday morning, and spent the day at the lake front, visiting Hull house, Lincoln park, the art museum and other places of interest. Leaving Chicago Monday evening, Lincoln was reached Tuesday morning at 10:10, the time announced in the original schedule for return.

At each stopping point on the return trip one or more members of the party dropped out to remain at points in the east for an extended

visit during the summer to the sixty days limit allowed by the railway tickets, so that on the last leg of the journey, the party had diminished to twenty-seven.

The party was composed largely of superintendents, and teachers whose habits of observation, self reliance, and originality made them a most enjoyable company of tourists, who during the three weeks' trip formed pleasant acquaintances and friendships. On the return all agreed that the knowledge and inspiration gained by direct contact with historic, geographic and social conditions would be sources of pleasant recollections and form most valuable material for vitalizing their work in the schoolroom. Superintendent Bishop says the state will profit even more than the individuals because of the attendance of so many at the great meetings of the national education association and the first hand knowledge gained in connection with the trip.—State Journal.

Those from this city and vicinity who indulged in the above trip included Superintendent of Schools Miss Foster, Miss Teresa Hempel, Miss Minnie Guthman and Miss Margaret Hallahan. The young ladies had a magnificent time during their trip and returned full of enthusiasm over the journey and the pleasures which were their lot on their trip. They all arrived home on Monday and Tuesday.

"BUCKS" ENJOY PICNIC DINNER

Delightful Time Had by a Jolly Crowd at Riverside Park

Riverside Park, Neb.
Editor Journal:

Plattsmouth, Nebraska.

Once more we have met in the cool shade on the banks of the mighty Missouri and spent a pleasant day.

Mrs. Addie Harris of near Murray, Neb., having read an account of Riverside Park in your valuable paper, concluded to get a few of her friends together, and see if they could find a cool spot. She has been taking care of her invalid mother, also cooking over a hot stove for a lot of harvest hands and corn plowers and she thought she was entitled to one day off. Her mother, Mrs. Slocum, has improved in health so much lately that she concluded to be one of the picnic party and came along. A cot was placed in the shade where the soft wind came in off the water and painted her cheeks a more healthy color than they had worn for many a day. Mrs. Harris forgot all her cares and romped and played like a school girl. She was initiated as a member of the "Bucks of the Timber" by being "ducked" by the King Snipe.

When she got back to the shore we all gave her the right hand of fellowship. Mr. John Amick of Weeping Water was also "ducked" and became a full member. Mrs. Ruth Amick of Plattsmouth also became a member—well just ask her about it and if she does not think she is a full-fledged member we will hold her under a half hour next time she comes down. A motor boat was kept running for the benefit of those who did not care to go in bathing and those who did not enjoy themselves were not there.

There is one unfortunate thing and that is the park is off the public road some distance. Our members are all very intelligent and know that a cornfield does not do well in company with a bunch of cattle and if there is any one comes down that does not know that a cow will eat corn, please remember that the gates are made to be closed after passing through.

The tables were spread with the best victuals that could be prepared in Cass county and some fifty people were made happy by being invited to eat until they could eat no more. There was so much left over that they concluded to stay and eat supper and drive home in the cool of the evening. We did not learn the names of all that were present but will give a list of those we know: Mr. John Amick of Weeping Water, Mrs. Ruth Amick of Plattsmouth, Mrs. Norman Slocum and family, Mrs. Addie Harris and family, Sarah Ranard and family, Theodore Amick and family, Walter Sans and family, S. B. Barrow and family, Oscar Gopen and family, Will Jean and family, Lloyd Gopen and family, Fred Patterson and family, Earl Amick, Charley Lambert, the swimming teacher, John Thomas, captain of the motor boat, Ed. Slocum, the human floater, Ed. Ranard, the fun maker, and a young man by the name of Arthur Hansen with six young ladies. Just think of it boys, six.

A meeting of the finance committee of the Degree of Honor is being held today at the office of Miss Theresa Hempel, grand recorder. Those in attendance include Mrs. W. S. Cleaver, of Neligh, grand chief of honor, and Mrs. Adelia Harding of Hebron, in addition to D. C. Morgan of this city.

Have a Fine Picnic.

Last Sunday, July 17, the fine Rainey grove south of the city was the scene of a fine, large picnic party. The picnic was given in honor of a large number of good friends and neighbors from the city and a more delightful affair has seldom been given in this locality. At noon a splendid picnic dinner was served and there was enough set upon the improvised tables to feed a regiment and nearly all who were there did their share toward making the victuals scarce. The meal was out of doors and it was made about as enjoyable as any could be. In the evening a fine supper was prepared and this also received its share of attention. Taken all the way through, the guests found that there was plenty of good eating for all and that there could be no regrets on that score. The time between the meals was most pleasantly spent with various games in which old and young alike indulged and in which all who took part found much pleasure.

Those who attended included the Messrs. and Mesdames Mike Lutz, S. C. Stevens, Mark Iles, George Lindsay, Sam Parker, Mrs. John Seagraves, Mrs. R. E. Monroe, Mrs. Isaac Goehenour, Mrs. James Lee, Grandpa Russell, O. G. Gilson, Charles Cline, Earl and Mabel Iles, Thomas, John and Joe Seagraves, Willie Kennedy, August Norton, Sandy Andrews, Albert and Guy Murray, Miss Helen Svehla, Miss Clara Mumm, Miss Audrey Lowther; Misses Lydia and Vernice Hobson, Miss Millie Pein, Miss Lillie Carlson, Morton, Jessie and Jas. Stevens, Kenneth and Carl Schultz, Derward and Edwin Judson.

A falling tiny nerve, no larger than the finest silken thread—takes from the Heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing Stomach Heart or Kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt, clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by all dealers.

Don't think that piles can't be cured. Thousands of obstinate cases have been cured by Doan's Ointment, 50 cents at any drug store.

Gets in Jail Again.

Sheriff Quinton while out at Cedar Creek yesterday took Bert Ellege in charge and brought him to the city where he put him in jail. Bert seems to have struck the town loaded with spirits and things and also armed with a big revolver which he was threatening to get into action with most any time. It was while he was indulged in these antics that the sheriff hoveled in sight and he gathered Bert in and deposited him where he would be safe from harm to himself or from harming anyone else. The sheriff also confiscated his cannon so as to make doubly sure that no serious trouble came up.

Ellege was arraigned this afternoon before Judge Beeson on a complaint filed by Sheriff Quinton in which he was charged with being drunk and carrying concealed weapons. The gun which was taken from him was introduced and it was a mean looking one. The testimony developed that Ellege was too drunk to have used the gun as he was nearly limber when the sheriff gathered him in. He plead guilty to both counts and Judge Beeson fined him \$10 for being drunk and \$25 for carrying concealed weapons and remanded him to jail.

Try Carrarher Case.

The insanity commission this morning held a session at which the case of W. C. Carrarher of Union, came up and he was given an examination on the charge of being a dipsomaniac. The entire commission of Dr. B. F. Brendel of Murray, Attorney D. O. Dwyer of this city and Clerk of the Court Robertson were present. The evidence developed that Carrarher had been in the habit of using liquor to excess and that he had of late developed such erratic and violent symptoms that he was a menace to the public. Within the past week he has been on two rampages in which he has terrorized the citizens of Union and has made such threats that the peace of the community was seriously threatened. The commission made a long examination of his case and came to the conclusion that the public welfare required some steps taken to have him confined. He was therefore sentenced to ninety days probationary confinement in the asylum and a further sentence is to be pronounced if the time does not effect a cure.

Pleasantly Surprised.

Mayor Sattler and family this afternoon were most pleasantly surprised by a party of the family friends from Peoria and Pekin, Ill., who were in Omaha attending the Sangerfest and who took advantage of their proximity to run down to this city. The party comprised Mr. Henry Eberhardt and wife and A. Schweinboldt and wife of Peoria, Ill. Mr. L. Dietrich of Pekin, Ill. They were a portion of the monster delegation which Peoria and its vicinity sent to the Sangerfest and they expect to have a magnificent time as they undoubtedly will.

Tell Some Sick One

It Is Free If It Fails.

Will you do an act of Humanity? Will you tell some sick friend of this, my remarkable offer?

Tell him or her that you have learned of a medicine so certain that its maker dare say to the sick, "It is absolutely and unconditionally free if it fails."

And you, no doubt, already know of Dr. Shoop's Restorative and its popularity.

For 20 years it has been the standard remedy for Stomach, Kidney and Heart ailments everywhere in America.

When the "inside" or controlling nerves of these vital organs begin to fail, it is Dr. Shoop's Restorative that has quickly vitalized, and strengthened, and brought these nerves and organs back to health again.

I do not dose the Stomach, nor stimulate the Heart or Kidneys—for that is all wrong.

Dr. Shoop's Restorative goes direct to the cause of these ailments—the falling, faltering, inside or controlling nerves. And herein lies the keynote to my success.

When these nerves are again made well and strong, then that is the certain end of all such sickness.

There is a great satisfaction that I am the only physician able to say to the suffering sick, "Take my prescription for full 30 days, and if it fails to help you, the entire expense is mine—not yours."

Then why should the sick take any chance on any other medicine, whose maker dare not back it just as I do by this remarkable offer?

I also have a Rheumatic Remedy—and that remedy is covered by the same identical "No-hair, no-pay" protective plan.

Besides, you are free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request.

So let me send you an order at once. Take the message to some sick friend. A postal will bring the opportunity. I will have an honest and trustworthy druggist to whom you can conveniently go for the 30 day test.

But first, ask me for the order, for all druggists are not authorized to give the 30 day test. So write me now and save all delays. Remember that tomorrow never comes. Address Dr. Shoop, Box 12, Racine, Wis.
