### Banish Paleness.

Paleness is always a sign of a sickness. The blood lacks the necessary amount of red corpuscles, because food is not thoroughly assimilated. This poverty of blood leads to a great loss of strength and energy and will become very serious if left without treatment. The best blood-builder and strengthener is Triner's American Elixir of Bitter Wine, made of pure, rich, red wine and medicinal herbs of great value. Red wine itself enriches the blood, but its combination with these herbs increases its efficiency. In every sickness having for its symptoms paleness, decreased appetite, weakness of the body and constant tired feeling, Triner's American Elixir of Bitter Wine usually has the best and quickest result. We especially recommend it to pale and sickly ladies and to convalescents, who are in need of new, pure and rich blood. At drug stores. Jos. Triner, 1332-1339 So. Ashland Ave., Chicago, Ill.

### Delightfully Entertained.

Mrs. Wm. Sporer entertained a large number of friends Saturday afternoon, at her home, north of town.

Spangler won the prize, a beautiful Chinese nut bowl. After numerous other amusements, a five o'clock two-course supper was served, which was pronounced by all most delicious. The close of the afternoon came only too soon, and the guests departed feeling that they had been most royally entertained.

Those who were fortunate in being numbered among Mrs. Sporer's guests on this most enjoyable occasion were: Mesdames Berger, Carroll, McDonald, Allison, A. L. Baker, Joe Cook, A. Long, Glen Boedecker, J. W. Holmes, Chas. Spangler, Lloyd Gopen, Jeff Brendel, Geo. Rhoden, W. C. Brown, James Loughridge, A. Kennedy, Chas. ## "THE SWEETEST GIRL IN DIXIE"

The Popular and One of the Finest Plays Ever Presented at the Parmele.

A very fair audience was present at the Parmele last night to witness the rendition of "There and Back," by the William Grew Stock company. It was a very funny comedy, and kept the audience in a roar of laughter from the time the curtains arose for each act until it was dropped. One evidence of the satisfaction given by this company is the fact that there is no getting up and going out between acts, the audience being well entertained by some special act during the change of scenery. Some of the people of Plattsmouth, and especially those who delight in witnessing good acting, are missing some of the best comedies that were ever given to the amusement loving people of our city. The plays that have been presented in the past three nights are all that could possibly be desired, and worthy of a much larger patronage than they have received.

Tonight the company will present "The Sweetest Girl in Dixie." This is a play that should be seen by all the young people, especially, and by parents, as well. The scene is laid in the south, and all know that some of the most interesting plays presented in this age, emanate from the "Sunny South." "The Sweetest Girl in Dixie" as the name would indicate, is a love story, with a fine moral, and this is one good reason why it should be seen, not only by the parents, but the sons and daughters, also. And the admission prices are so low as to enable all to attend, even the whole family. Be sure and be at the Parmele tonight.

## WHAT ABOUT 24 HOUR ELECTRIC SERVICE

The Nebraska Lighting company are contemplating putting in a twenty-four hour electric service about the first of the coming month, if the needs of the city are sufficient to justify them in so doing. There seems to be a demand in some departments of the city for the increase in the running hours, and the company would like to hear from the people in general along this line, especially those who think they might need the power from twelve o'clock until five, which hours the plant is now closed down. This proposition is left with the consumer, as the company are ready and willing to do all in their power to please their patrons, and all they ask is an expression from the public in this direction. If you feel interested in this matter please call at the company office and give them your views, and whether or not you will have use for the power between the hours of midnight and five o'clock in the morning.

## DEEDS, NOT WORDS

Plattsmouth People Have "Absolute Proof of Deeds at Home."

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, for Plattsmouth kidney sufferers, have made their local reputation. Proof lies in the testimony of Plattsmouth people who have been cured to say cured.

Hermann Tiekoeetter, Ninth and Day streets, Plattsmouth, Neb., says: "I never used a medicine that brought as great benefit as Doan's Kidney Pills. My kidneys were disordered and there was a dull, tired ache across the small of my back that distressed me a great deal. If I stooped, my back pained me severely and in the morning when I arose, I felt as tired as when I went to bed. Hearing Doan's Kidney Pills highly praised, I procured a box at Gering & Co's Drug Store and it did not take them long before I was entirely relieved." (Statement given June 8, 1906.)

On December 29, 1908, Mr. Tiekoeetter said: "I cheerfully confirm my former endorsement of Doan's Kidney Pills. I have had no trouble from my kidneys since this remedy cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States
