Prominent Farmers Call.
Last Tuesday the Journal was favored with a call from our old friend, W. H. Schoemaker and his son, F. C., of near Nehawka. Mr. Schoemaker is one of the prominent farmers and stock raisers of Cass county, and his son is "a chip off of the old block," and a follower in the footsteps of his sire. He is a prominent young farmer and one of the finest young men in Cass county. The Journal is always pleased to meet them, and hopes their prosperity will never cease.

Notice to Public.

There seems to be some misunderstanding in the fire alarms given and for the information of the public and citizens generally, the following rules will be observed in giving the alarm by whistle: An alarm for fire on Main street will be all long blasts.

In the Burlington shops, by all short blasts.

Fire in the First ward, one long blast and many short ones. And so on for the remaining wards, as many long blasts as correspond with the number of the ward, and many short ones following.

For Burlington shop practice, three short blasts.

In case of lost child the fire bell will ring by taps of three in succession.

Anton H. Koubek,
Chief of Fire Department.

Punctuality.

Napoleon often referred to the fact that with only 25 horseman he surprised the hostile army and won a great victory. You can see such attacks on yourselves. A few microbes make an attack on you in unprotected, weak spots and, if you are not on your guard, will win their battle; if you will watch your body you will win. Should you notice some irregularity, do not postpone the treatment. Be punctual! If the irregularity is in your appetite or digestion, Triner's American Elixir of Bitter Wine will speedily cure it, because it gives you strength to the digestive organs. It has a decidedly good effect in nervousness, poverty of blood, paleness, exhaustion, acute and chronic constipation, dull headache and all disorders of the stomach and the intestines. At drug stores. Jos. Triner, 1333-1339 So. Ashland Ave., Chicago, Ill.

Biliousness is due to a disordered condition of the stomach. Chamberlain's Tablets are essentially a stomach medicine, intended especially to act on that organ; to cleanse it, strengthen it, tone and invigorate it, to regulate the liver and to banish biliousness positively and effectually.
