

# THE UNITED DOCTORS COMING HERE

Famous Specialists Will Be at Riley Hotel on Tuesday, Nov. 1st.

Many people will be interested to know of the return of the United Doctors of Omaha, whose success was so marked on their former visit to our city. They have been induced by their friends in and near Plattsmouth to come again, in order that many who were unable to consult them when they were here before may have another opportunity to do so.

It is very difficult for the United Doctors to leave their busy offices, which are permanently located on the second floor of the Neville building, corner Sixteenth and Harney streets, to visit other cities in the state, so the opportunity again presented to secure their examination and diagnosis without a trip to the home offices is a rare one and should not be neglected by anyone needing the counsel and advice of these skilled specialists. The wonderful results of the United Doctors in obscure and stubborn diseases of the stomach, liver, kidneys and blood, rheumatism, gallstones, goitre, epilepsy, and chronic diseases of men and women, have been so thoroughly demonstrated throughout Nebraska and adjoining states that it is unnecessary to mention it here.

Hundreds of Nebraska people have been cured since the former visit of the United Doctors to Plattsmouth. Every day adds to the list of cured patients, every mail brings letters of gratitude.

Mrs. W. A. Daniels, Box 321, Valentine, Nebraska, writes: "Am happy to say that I am getting along fine. My breathing is a great deal easier than it was three months ago. The comments of my friends who do not see me often are 'how well you look,' 'you are looking so much better than when I saw you last.' I can truthfully say that I am wonderfully improved."

Mrs. Geo. Beaver, Tekamah, Nebraska, writes: "I just want to state today for the benefit of all sick people that after having two operations in the Omaha general hospital without the least benefit, the United Doctors cured me, and did it so easily that I can scarcely realize how it was done. I have taken no treatment of any kind for three months and am feeling fine in every way. The United

Doctors certainly do just what they say they will do." Mary Hamsch, Malvern, Iowa, writes: "After suffering for thirteen years with goitre and trying everything, the United Doctors have cured me. My neck is now of natural size."

"The United Doctors cured me of rheumatism and stomach trouble," writes Anna Toensfeldt of Benson, Nebraska, "and I want everyone to know about it."

These are a few of the letters picked out at random from our daily mail. Ask the doctor to show you hundreds of others. The offices of the United Doctors are always crowded with patients, and the number of their cures are daily increasing.

The United Doctors are obliged to state that their consulting physician will be able to remain one day only, in Plattsmouth. During this visit, on Tuesday, November 1st, they will receive patients at the Riley hotel parlors.

Consultation and examination is free, and the same careful and scientific diagnosis will be given as you would obtain at their Omaha offices, which are located on the second floor of the Neville block, corner Sixteenth and Harney streets. A full complement of the latest instruments for the diagnosis and research work into the cause of disease, as used by the United Doctors in the leading cities of the different states, will be brought and used during this visit here by the examining specialists, so you are sure of a deep and careful study into your trouble. Upon this examination is based the advice the doctor will give you.

During this visit of the United Doctors they again extend their remarkable offer of free consultation and examination to all. If you are curable, the best means of removing the cause of your disease and effecting a permanent cure of it will be carefully explained and the treatment will be placed within your reach. If you are incurable you will be kindly and frankly told the truth, and none of your money accepted.

These Specialists will be in Plattsmouth but one day, and while here they will receive patients at the Riley hotel parlors.

which will be credited up to the school fund. John went home feeling good that the fine was not more, as he was drunk at the time he committed the offense.

### Married at Lincoln.

Mr. August Spahnle, of Eagle, and Miss Myrtle Wright, of Elmwood, went to Lincoln yesterday, where they were joined in marriage by County Judge Cosgrove, of Lancaster county. The groom is a prosperous farmer residing just over the county line in Lancaster county, near Eagle, and the bride is the charming daughter of Mr. Wright, a blacksmith of Elmwood.

## RURAL FOLKS GO TO CHURCH

Baptist Ministers Say There is No Opposing Attraction There.

Des Moines, Oct. 27.—The removal from the city of the headquarters of social clubs, music teachers and bridge clubs, the Iowa farmers and their wives have more time to attend church services than do those of the city, says the Rev. S. E. Wilcox, Des Moines, secretary of the Iowa Baptist church convention.

"The women in the rural communities do not have the Q. E. D. clubs nor do the children have the cheap toys, so they have time to attend church," declared Dr. Wilcox, in the course of his annual report to the convention in session at the First Baptist church.

Given the advantage of a church, the rural communities of Iowa make the most of them, but left alone they retrograde, in the opinion of Rev. Z. W. Hutchinson of Muscatine, president of the convention. He agreed with the Rev. Mr. Wilcox in that when the churches are established the people are regular attendants, and for that reason he has urged that rural evangelistic campaigns be inaugurated and church organizations formed. His appeal to the convention was for more ministers in these rural churches.

## DR. THOMAS WILL BE QUIZZED BY BOARD

Will Be Asked by State Officials to Explain Records.

Des Moines, Oct. 27.—It was reported at the state house that the Iowa state board of health will call before it Dr. Louis A. Thomas, former secretary, and ask him to explain the records made by him as secretary.

It will be remembered that Dr. Thomas was removed as secretary by the board Jan. 1, 1916, and that Dr. G. H. Sumner of Waterloo was selected in his stead. Shortly after this Dr. Sumner called the attention of Governor Carroll to alleged irregularities in the records in the office.

It was claimed at the time that medical schools had been paying money into the office for corpses and that the records in the office did not reveal the receipt of this money. No charge was made then or has been made since, that Dr. Thomas received this money and did not record it. It was merely reported that the books did not show the receipt or disposition of the money.

## BLACKHAND MERELY LODGER

Chicago Woman Pays \$300 to Roomer Upon His Advice to Save Daughter.

Chicago, Oct. 27.—Fear that her daughter would be kidnapped caused Mrs. Eva L. Buffing to pay tribute amounting in a series of blackmail letters, which it developed in the United States court here, were written by a member of her own household. This was shown when H. H. Downer was arraigned before United States Commissioner Mark A. Foote on a charge of writing threatening letters.

Downer had been a roomer at Mrs. Buffing's house. Two months ago he married and brought his wife to live in the house. Shortly after Mrs. Buffing, who had just inherited \$1,000 from her father, received a letter "Blackhand" and demanding \$150. Downer was greatly interested and advised Mrs. Buffing to regard all stipulations and pay the money. Five days later she received another demand, which Downer advised her to pay. This was repeated until she had paid \$275, when she notified the postal authorities and Downer was arrested. He was held to the grand jury in \$5,000 bonds.

## GEESSE PARADE, 3,500 STRONG

Fowls on Way to Fattening Pen: March Through Kentucky Town.

Maysville, Ky., Oct. 27.—An unusual spectacle—a parade of 3,500 geese—was witnessed here. The birds, which came from the mountains of east Kentucky, were lured through the streets by a man dropping corn.

The geese were unloaded from a car in the Louisville and Nashville railroad yards after making the night hideous with their noise. They were taken to a farm six miles from this city to be fattened for the eastern market.

## EVERGLADES ARE INUNDATED

Many Square Miles Swept by Tidal Wave and at Least Twenty Drowned.

Tampa, Fla., Oct. 27.—Further details of last week's hurricane ravages in a portion of the Everglades and "Ten Thousand Islands" section of southern Florida indicate that many square miles were inundated by a tidal wave of tremendous force. The captain of the Everglades schooner Eureka said that the tide during one period of the storm rose twelve feet in one hour. There are no new figures here on the number of dead, which is said to be at least twenty.

## Tammany Man Fatally Injured.

New York, Oct. 27.—The bursting of a tire on an automobile which Michael J. Hassett, Tammany Hall leader of the Twenty-first assembly district, was riding with a party of Washington Heights, caused a wreck, in which Mr. Hassett was hurled from the machine and sustained injuries from which, it is thought, he will die.

## QUINN-PATTERSON WEDDING

They Are United at the Home of the Bride's Sister in Omaha.

The following account of the marriage of Mr. A. E. Quinn and Miss Mae Patterson is taken from the Omaha World-Herald. So far as the notice of the marriage is concerned that is all right, but the facts would have been more complete had the World-Herald stated that the groom had been released as editor of the News-Herald several days before the nuptial knot was tied, and that that paper was now controlled by the Pribble Bros. (Art and Ernest) two fine young men and practical printers, who have virtually done all the work on that paper for several months:

"Albert E. Quinn, editor of the Plattsmouth News-Herald, deserted his sanctum yesterday and came to Omaha from molding public opinion. 'Constant Reader' may complain, 'Old Subscriber' may rave and 'Pro Bono Publico' may throw a fit, but all in vain. Their contributions will be unheeded until Mr. Quinn returns to his office.

"Now there is only one thing that would take Mr. Quinn off the job even temporarily, and that for just once in his life. While he has a vast respect for public opinion and realizes his duty in directing it in proper channels, recently he arrived at that state where he did not give a hoot for the said p. o., but all his tender solicitude was directed toward coaxing a favorable individual opinion from a certain person, and when she said 'Yes,' Editor Quinn lost interest in everything else, and even had a favorable word to say for his loathsome contemporaries."

"The sequel to this is that at 8 o'clock last night, took place the wedding of Miss Mae Richie Patterson and Mr. Quinn at the home of the bride's sister, Mrs. F. A. Murphy, 2824 Dodge street. The affair was a quiet one, the only out of town guests being Mr. and Mrs. T. H. Pollock, of Plattsmouth. The couple stood under a white floral bell while Rev. E. H. Jenks tied the knot.

"After the ceremony, they left for a visit to Mr. Quinn's old home in Duluth and thence to Chicago and Kansas City.

"In the meantime the printer's devil and the office cat are on the job at Plattsmouth."

## Returns From Hospital.

Mrs. Vergil Mullis returned from St. Joseph hospital last evening on No. 2, where she has been for more than six weeks, recovering from an attack and operation for appendicitis. Mrs. Mullis' case was quite a severe one, and her many friends in Plattsmouth are pleased to see her able to come home, where she will no doubt gain in strength much faster.

From Cass county as well as this county comes the cheering information that the voters are rallying to the support of Col. M. A. Bates, the democratic nominee for state representative. He has been tried and is true blue. He is pledged against county option and to vote for the people's favorite for United States senator.—Nebraska City News.

## There is no comparison to be made in the two candidates for state senator.

Hon. W. B. Banning has served one term in the senate, and no member of that body was ever more alert to the best interests of his constituents. He has been loyal in all matters of vital importance to Cass county, and from all over the county come reports that the people are so well pleased with his services that they propose to re-elect him.

## C. R. Jordan, candidate for re-election to the position of county commissioner, from all reports, will succeed himself.

The Third district, which he represents, has been well looked after, and the taxpayers have no complaints to make. Mr. Jordan has made a good commissioner for the entire county, for that matter, and should be elected for another term. He has guarded the interests of the people carefully at all times and under all circumstances, and has proved a good man for the place.

## Land Values Will Increase.

Mr. Wyatt Johnson, of Huron, South Dakota, was in the city today on business. Mr. Johnson says that land values, owing to the dry summer are at a stand still now, rendered so by some new comers failing to raise crops this year and offering their holdings for about what they gave. He also says that a man is foolish to let loose of his holdings at this time, as there is bound to be a lively hustle for lands in the early spring.
