

FARMERS' ATTENTION!

We have just purchased a car load of Kokomo and American Fencing, of all heights and styles, at prices that were never before known on these grades of fencing. If you need any fencing figure with us now. Get together with your neighbor and get a special one thousand rod fence.

JOHN BAUER,

HARDWARE! HEATING! PLUMBING!

THE NEW COUNTY JAIL QUESTION

Opposition of Weeping Water Republican Without Cause.

The Weeping Water Republican attempts to throw cold water on the proposition before the taxpayers of Cass county, to vote a tax of 2 1/2 mills for the purpose of building a new jail. The Journal submits a few figures to show the comparative small tax such a levy would make.

As shown by the records, the total cash valuation of Cass county is \$40,356,290. One-fifth of this amount, or \$8,071,258, under the law, is the basis upon which the tax is levied. Two and one-half mills on this basis would produce \$20,178. Now, as between Plattsmouth and the city of Weeping Water, how would this \$20,000 be distributed?

One-fifth of the cash value of Weeping Water city for assessment purposes, is \$175,317. A two and one-half mill tax upon this amount would be \$438.30. One-fifth of the cash value of Plattsmouth city is \$558,043. Two and one-half mills tax upon this amount would be \$1,395.11, or more than three times the cost to the taxpayers of Weeping Water. Now let every taxpayer in the county just do a little figuring. A taxpayer owns \$5,000 worth of property. One-fifth of this, or \$1,000, is the basis upon which the levy is made. Two and one-half mills on \$1,000 amounts to just \$2.50. Thus a taxpayer, whether in Weeping Water or Plattsmouth, or elsewhere in the county, who owns property in the county, with a cash value of \$5,000, would pay just \$2.50 toward the building of a \$20,000 jail!

Any taxpayer in the county who knows his or her assessment, can figure out approximately just what this jail building tax will be. Take a taxpayer with property the cash value of which is \$25,000.00, and there are many such taxpayers in Cass county. One-fifth of \$25,000, is \$5,000, the basis for assessment. Two and one-half mills on \$5,000 is only \$12.50! And a taxpayer with property worth even \$50,000, would only pay \$25.00 tax toward building the jail.

The building of a new jail in Cass county has become a public necessity. Not alone because the present ramshackle building has proven worthless in which to confine prisoners, but because of its absolute unsanitary condition. Prisoners, even boys, digging out and escaping, thus making more work for the officers and piling up expense in the enforcement of our criminal laws. When the small tax of only two and one-half mills is considered, the Journal believes the proposition will carry by a large majority.

Andrew Routh, of Renfro, Oklahoma, is visiting friends near Louisville and drove in with Ferdinand Hennings this morning to spend the day in Plattsmouth.

Should Be Prosecuted.

Frank Gobleman yesterday began a nice sign in gold leaf for the firm of Smith & Trility, who are to open a real estate office next door east of Trility's barber shop. The material for such work is very expensive, and Mr. Gobleman had lettered the window and placed the gold leaf for the letters on the glass and left it to dry before cutting away the surplus material, when some dastard, some time during last evening, with the point of a knife or some other sharp metal instrument, scraped away a part of the gold leaf, spoiling the sign. The same individual, or one just as low and mean, has attempted to remove a part of the Journal sign on its front window. The individual who would be low bred enough to do a thing of this sort, is a fit subject for Hotel de Manspeaker's roomy apartments, and the police will do the city a service by catching the miscreants and filing the proper complaint and have them prosecuted.

Building Committee Visits Omaha.

Mr. Philip Thieroff, Mr. H. A. Schneider and Mr. Bert Pollock, accompanied by Mr. J. P. Falter, the building committee and chairman of the executive committee of the Plattsmouth Realty company, visited Omaha this afternoon, where they expected to have an architect prepare plans and specifications of the building suitable for the foundry and engine factory. When these are secured bids for the construction of the building will be advertised for, and the bidders will know exactly what they will have to do, and what material will be required, then an intelligent bid can be placed on the work, and the work let to the lowest responsible contractor.

Delivery Horse Takes Spin.

John Hatt & Son's delivery horse took a spin down Main street this morning with young Higley, who did what he could to save the vehicle from being demolished. The horse sprinted along at a lively gait and brought up at the store, colliding with the delivery auto which was standing at the curb at the time. Some minor parts of the auto were broken, but no serious damage. It is not known what started the animal when it took flight.

Attend National Convention.

Mr. and Mrs. Thomas E. Wiles returned home last evening from an extended visit with relatives in Kansas. They attended the annual national Christian convention at Topeka, Kansas, and visited at the home of Mr. Wiles' daughter, Mrs. Fitch, at Topeka. At the close of the convention they went to Burlington, Kansas, and spent several days at the home of a son of Mr. Wiles. They report a most enjoyable visit and trip.

Potatoes, Potatoes!

H. M. Sonennichsen will have three carloads of northern grown New York Rurals on the track next week at 90 cents per bushel. These potatoes are matured and will keep.

FAIR BUSINESS IN THE POLICE COURT

Several Round-ups, and Several Crap Shooters Among the Number.

Judge Archer's court has been very active of late and its wheels have been kept well oiled. Yesterday morning two prominent Glenwood, Iowa, citizens were hauled over from the jail, where they had enjoyed free night's lodging and breakfast. Both had met John Barleycorn, my John, and had been overcome by John's seductive wiles. One had resisted so strenuously that the greater part of his facial expression had been spoiled and marred beyond recognition. The court gave them \$5.00 and costs, as it was the first offense, and the men were citizens of a sister state, it did not behoove the court to give it to them as hard as he might have done had they been Plattsmouth citizens, who ought to know better.

This morning some of Plattsmouth's own citizens were in the toils for a similar offense. Samp, Carnes, the star witness for the people in the prosecution of Grant Blunt, got too full for proper navigation yesterday, and went to the home of his brother-in-law, on the island below the city, and after arriving there, became very seasick, and was so much so, that he could not keep his breakfast on his stomach. Chief Rainey was sent for and lodged the young man in the cooler until this morning, when he was taken before the Judge and properly fined.

Joe Zitka, a Missouri Pacific section man, who resides in the west part of the city, also became quite intoxicated yesterday afternoon, and went home to begin trouble with his wife. Chief Rainey also gathered Zitka into the sheltering walls of the county bastle, where he peacefully waited the coming of the day, when he could appear in court and explain his conduct to the Judge.

Sheriff Quinton threw out his net yesterday and brought in three crap shooters and all round crooks, apprehending the men who gave their names as Charles Young, Hugh Emery and Charles Pierce, at the Missouri Pacific station.

Young answered the description of a man wanted at Nebraska City, but as the complaining witness was away from the city at present, the suspect was not detained. Pierce filled the description of a man wanted in northwestern Nebraska. The bunch was brought to the jail for a time, and the parties wanting the men communicated with, but as nothing definite as to the parties could be learned, they were taken to the city limits and directed to pass on, which they did immediately.

You are not experimenting on yourself when you take Chamberlain's Cough Remedy for a cold as that preparation has won its great reputation and extensive sale by its remarkable cures of colds, and can always be depended upon. It is equally valuable for adults and children and may be given to young children with implicit confidence as it contains no harmful drug. Sold by F. G. Fricke & Co.

Takes Herd to California.

S. L. Thomas shipped his herd of Polled Durhams last Saturday evening for Long Beach, California. Mr. Thomas says that when the county fairs were in vogue here he captured more blue ribbons with this herd than any other man in the county.

MISS PATTY MATHEWS MARRIED

Former Plattsmouth Teacher United With Rev. Gustav Karl Wiencke.

The following special from Auburn, Nebraska, under date of October 24, will explain itself: "The marriage of Rev. Gustav Karl Wiencke and Miss Patty Mathews was solemnized at the German Lutheran church, Rev. J. H. Dirks officiating. When the couple with their attendants returned to Auburn they found that the neighbors had taken possession of the home of Miss Zora Mathews, decorated the rooms and prepared an excellent five-course dinner to which many of the friends and neighbors were bidden. Mr. Wiencke is synodical missionary to the north-west, and Miss Mathews, daughter of the late Dr. H. L. Mathews, was a graduate of the state normal school in the class of 1901 and of the state university in 1904. She taught Latin and German in the Plattsmouth schools for four years and spent the year 1909 studying in Germany. Relatives from Lincoln and South Omaha were in attendance at the wedding. The happy couple went from the Mathews home to the residence on West Seventh avenue where everything had been placed in order for their home coming."

The bride taught several terms in the Plattsmouth city school, and by her many excellent qualities and charming manners won many friends in this city. All of whom join the Journal in extending congratulations and also in wishing her and her chosen companion through life, all the happiness this vain old world is able to provide.

Bridge Work About Aft In.

Mr. Glen Smith, of the Lincoln Construction company, arrived on No. 6 yesterday morning, made a tour of the county yesterday and departed for Lincoln this morning on No. 15. Mr. Smith says the bridge work is nearly completed in this county this fall, that a span in a bridge near Elmwood and a small amount of work on a bridge between that place and this city, is all there is to do. This will no doubt be a source of some relief to the commissioners, who have been called on to audit quite a bill for bridges at each session of the board.

H. S. Pelton Here.

Mr. H. S. Pelton, president of the construction company, which has the contract for the erection of the government building here, was in the city and registered at the Riley today. Mr. Pelton thinks he will be ready to begin work on the building in about ten days, which will be about as soon as the paving and curb will permit work to be done over it.

CASTORIA For Infants and Children. The Kind You Have Always Bought

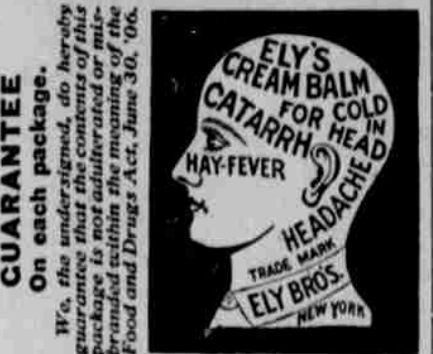

Bears the Signature of *J. C. H. Fletcher*

Granted License to Wed.

A marriage license was issued this morning by Judge Beeson to William W. Jameson and Miss Myrtle Jewell, both of Weeping Water.

Both of the contracting parties are well and favorably known at Weeping Water, the groom being a son of Robert Jameson, a prosperous farmer, residing west of the city, and the bride is the accomplished daughter of Mr. and Mrs. Ed. Jewell, old time residents of that city.

CATARRH

HAY FEVER ELY'S CREAM BALM

It cleanses, soothes, heals and protects the diseased membrane resulting from Catarrh and drives away a Cold in the Head quickly. Restores the Senses of Taste and Smell. It is easy to use. Contains no injurious drugs. No mercury, no cocaine, no morphine. The household remedy. Price, 50 cents at Druggists or by mail. ELY BROTHERS, 56 Warren St., New York

WATCH THE PROGRESS OF FARM DEVELOPMENT IN WYOMING! THE RICHEST DEVELOPED STATE IN THE WEST

GO WITH ME on one of our personally conducted landseekers' excursions to THE BIG HORN BASIN the first and third Tuesdays of each month, and see what the farmers are doing on these new lands where the Burlington Railroad is building new lines; where new towns offer splendid business opening in all lines of trade and profession.

EXAMINE THE E LANDS PERSONALLY with me. I will help you to pick out the best. I am employed by the Burlington Railroad for this purpose. OUR HOMESEEEKERS' TICKET allows you 25 days with stop overs everywhere in homeseekers' territory; ample time to examine the lands and spend a few days fishing in the mountain streams if you like. See the irrigated lands where the ditches are built by the Government and also by private companies, and the Mondell 320-acre FREE homesteads all on one trip.

Special prepared Wyoming literature just off the press Write for it today. D. CLEM DEEVER, General Agent, Landseekers' Information Bureau, 1004 Farnam Street, Omaha, Neb.

FOR AGED, PEOPLE

Old Folks Should be Careful in Their Selection of Regulative Medicine.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. This remedy is called Rexall Orderlies.

Rexall Orderlies have a soothing, healing, strengthening, tonic and regulative action upon the bowels. They restore the bowels and associate organs to more vigorous and healthy activity. They are eaten like candy, may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhoea, excessive looseness, flatulency or other disagreeable effect. Price 25c. and 10c. Sold only at our store—The Rexall Store—F. G. Fricke & Co., Union Block.

YOUNG MAN COMMITS SUICIDE NEAR ELMWOOD

Elmer McBride, a young farmer and son-in-law of James Christensen, residing four miles southwest of Elmwood suicided sometime during the day yesterday. The young man's body was found near the barn, shortly before noon, and Doctor Munger was summoned, who after an examination, pronounced his death that of strychnine poison. A bottle was found near his remains containing strychnine. The young man was about 23 years of age, and was married to Miss May Christensen a year ago last May, and was a tenant on the Olerking farm. His wife has been away from home for a few days and was not at home at the time the young man took his life. He had only recently leased a farm of Mrs. Beck for next year, and had made arrangements to move to the place soon. No intimation of the reason for his rash act was discovered, as he left no note of explanation. The young man has relatives residing near Nehawka, in which vicinity he is quite well known.

New Real Estate Firm.

The real estate firm of Smith & Trility will begin business in the room east of the Trility barber shop early next week. The room is being repaired, papered and painted and fitted up as a model real estate office. These gentlemen have been doing a curbside business for a month, and have closed several good deals. And we predict that success will attend them, as both men are energetic, capable gentlemen.

Go on Company Business.

Superintendent of the school board, C. A. Marshall, general manager of the engine room, Vergil Mullis, and Superintendent J. W. Gamble were called to Omaha this afternoon to look up some important fixtures for the schools.

D. P. Jackson, the lower Main street furniture man, who has been visiting friends and relatives in the northern part of Iowa, returned home Monday evening. He has two brother-in-laws, Mr. Snyder and Mr. Ritchie, near Sac City, where he spent most of his time.

MYNARD ITEMS.

The Misses Florence and Robin Richardson spent Sunday with their sister, Miss Pheme, who was operated on for appendicitis at the Methodist hospital in Omaha.

R. L. Propst and wife and daughters, Roberta and Vera, and son Wayne, motored in their American-Morse auto to Mitchell, South Dakota, Thursday, where they will be several days visiting with Mr. and Mrs. A. F. Test.

G. W. Snyder purchased fifteen head of cattle from J. Terryberry at Manley. He drove them to his farm Monday.

Herman Gansmeir shipped eight hundred pounds of wool to the Omaha market Tuesday.

About fifteen friends of Frank Marler, Jr. surprised him at his home Wednesday evening to help him celebrate his twenty-first birthday. Games and music whirled away the evening. Refreshments were served, and at a late hour all departed for their homes wishing Frank many more happy birthdays.

Archie Shepherd spent Sunday with his uncle Otto Carroll at Nehawka, returning home Monday evening.

Misses Rachel, Jennie, Helen and Grace and John Livingston visited Sunday with Mr. and Mrs. John Valtery.

Everybody come to the oyster supper given by the Modern Woodmen at their hall, Saturday evening, Oct. 29, 1910.

G. W. Snyder and family spent Sunday at the Loyd Gopen home, near Murray.

A Poor Inheritance.

It is a well-known fact that children do not only inherit from the parents, their virtues, but also many faults. The poorest inheritance is sickness or predisposition to it. Such people should always take the best care of themselves and we wish to call the attention of those troubled with rheumatism, nervousness and other chronic diseases, to Triner's American Elixir of Bitter Wine, which, in such cases, had certainly the most excellent results. It must be remembered that regular digestion is the foundation of health and strength and that Triner's Elixir is a wonderful remedy for all irregularities of the digestion. It regulates the action of all organs, relieves pain and colic, stomach troubles, constipation, even of old standing, rheumatism, headache and diseases of the intestines. The Elixir is now much stronger and has more curable power than before. At drug stores, J. S. Triner, 1333-1339, South Ashland Ave., Chicago, Ill.

CUTTING A WIDE SWATH!

That is just what we are doing with the Forest Rose Flour. It fills every requirement of the housewife and the professional baker. It is uniform in quality. Its special characteristics are: Light in color, granular in consistency, free from all dirt and grit, no damp or mouldy odor. It is a good flour.
