AVIATORS MAKE SWIFT FLIGHTS

Winner of Cup Goes at Speed That Exceeds Mile Per Minute—All Records Are Smashed at International Aviation Meet in New York.

New York, Oct. 31.—Claude Grahame-White, the English flyer, won the James Gordon Bennett international trophy at the international aviation tournament. With it goes a cash prize of \$5,000. The time made for the twenty rounds of the long course—a distance of 621 miles—will likely stand as a mark to be flown at for some time to come. He made the distance in a twenty-mile wind in 1 hour, 1 minute, 43 seconds. This is flying at a rate of more than a mile a minute over a course which is consid-

ered so dangerous that the visiting teams lodged a protest against it.

J. Armstrong Drexel, the Philadelphia, made seven rounds of the course in 26 minutes, 40 seconds.

John B. Moisant of Chicago covered only six rounds in 23 minutes, 26.37 seconds.

Both men saw that it was hopeless to try to compete against the fast time made by Grahame-White earlier in the day, when they were handicapped by the necessity of fighting a gale.

Moisant was blown off the course in his last turn to the home stretch taking a wide circle over the grand stand and landing on the field.

Charles Hamilton, the driver of the 160-horse power Hamiltonian, managed to get in the air twenty-five minutes before the bomb exploded. The hour of 3:32, when entries closed. But, in the face of the wind, he could not cross the starting line before the bomb exploded.

James Radley, the remaining member of the English team, also got up but too late to compete. He returned to earth again and went to the stable.

C. E. MITCHELL IS INDICTED

Kansas City Merchant Whose Firm Failed Is Charged With Fraud.

Kansas City, Oct. 31.—An indictment charging fraud was returned by the United States grand jury against C. E. Mitchell of the defunct Mitchell Dry Goods company, which went into bankruptcy Dec. 28, 1909.

The indictment charges that Mr. Mitchell, as president and principal stockholder of the company, increased the capital stock from \$150,000 to \$250,000 and offered the preferred stock for sale when the firm was in a failing condition.

The assets of the company were sold last February to the highest bidder for \$83,150. The debts aggregated \$500,000.

TRAIN RAIDED FOR LIQUORS

Fifty-Five Bottles of Intoxicants Confiscated in Kansas.

Topeka, Oct. 31.—The buffet car of the Golden State limited, the Rock Island's through California train, was raided under the prohibition law when the train pulled in here. Thirty-five bottles of fancy liquors were confiscated and a negro waiter was arrested. Clerin Zumwalt, a field agent of the State Temperance union, was on the train coming east across Kansas. He discovered that intoxicants were being served in the buffet car. He telegraphed ahead to Topeka and the sheriff's officers met the train.

Shortage in French Wheat.

Washington, Oct. 31.—The shortage in the crop of French grown wheat this year is estimated in a report to the United States government, by Consul General Sharp at Lyon, at \$5,000,000 bushels. He adds that the French are looking to Argentina with the hope that the large crop there will lower the price of wheat throughout the world.

Bailey Buys Washington House.

Washington, Oct. 31.—Senator Joseph W. Bailey of Texas, apparently confident that he is to remain in Washington as the representative of the Lone Star state in the senate, has bought a residence at 2620 Connecticut avenue.

THE BEHMAN SHOW AT THE GAYETY

Ellene Sheridan Heads Company of Live Ones

The strides that have been made in the character of the performances of extravaganza companies is exemplified in the programme of the Behman show which began an engagement at the Popular Gayety theatre in Omaha, beginning Sunday, October 30. With a roster of 55 persons, men and women picked for their qualifications and experience as entertainers, a musical comedy with a clear cut story and diverting with the high class Broadway productions, original and catchy music, most of it contributed by the foremost composers of the day, and scenic novelties and ingenious stage groupings the claim of the management that the company is unexcelled in its lines is fully justified. Besides the singing, dancing and features that appeal to the eye several high class vaudeville acts are interspersed between the two acts of the musical comedy that is presented.

Ellene Sheridan is the leader of the company. She has a daintiness of style, pliancy, chicness and sparkle that is refreshing. In addition she has a pleasing voice, is nimble of foot, is clever in travesty and in impersonations and possesses the faculty of illuminating her lines by vivid expression and action that carry every word across the footlights. Lillian Herndon proves a capable assistant, with her dash and insouciance. Lon Hascall, formerly of the Cecil Spooner company, enacts the role of a cheeky but likeable and manly fellow with true comedy spirit. Will J. Kennedy, until recently with Lottie Williams company, Ray J. Largay and George Siegman have the other leading parts. "Palm Beach" is the title of the musical comedy. Leo Edwards, the most successful writer of the day, has furnished the music and Ballard MacDonald and Mr. Hascall provided the book and lyrics.

The scenes are laid in the Florida winter resort and in Monte Carlo, views from those places being represented with picturesque effect. One of the scenic novelties is the flight of the Wright aeroplane which skims across the stage with Miss Sheridan as a passenger across the footlights. The chorus consists of 20 so-called "show girls," statuesque and resplendent in a variety of harmoniously colored costumes of rich fabrics and the same number of "ponies" lithe, agile and springy, whose presence and movements adds to the ensemble features. Six excellent variety numbers are introduced between the acts.

Miss Ellene Sheridan is a young monologist who is a departure from the average entertainer of that class. She possesses a strong magnetism, has a pleasing personality and singing voice, tells her stories in a quizzical way, beside demonstrating the value of good enunciation in her original jokes and parodies.

Lon Hascall & Co. presents James J. Corbett's big vaudeville sensation, "Pals" staged with all the accessories etc., to make this alone a production in itself.

The Behman show will be remembered as the first extravaganza company to play at the Gayety last season. Ladies' dime matinee daily, starting Monday.

Mr. C. C. Housel and wife and babe, of Louisville, arrived this morning and will be the guests of William Clements and family for a short time.

RIOT IN FRENCH PARLIAMENT

Debate on Railway Strike Results in Scene of Turbulence.

PREMIER ISSUES DEFANCE.

Socialists Create Uproar in Chamber of Deputies When Briand Says He Would Have Resorted to Illegal Means to Save Fatherland.

Paris, Oct. 31.—The debate on the railway strike, in which the government has been bitterly attacked in the chamber of deputies by the socialists, took a new and dramatic turn. During the session, which was not only the most violent in the history of the French parliament, but rivaled in disorder and turbulence the sessions of the national convention during the French revolution, Premier Briand himself was the pivot on which the drama turned, and the general verdict is that certain government victory has been changed into possible defeat.

Smarting under the repeated attacks of M. Jaures, the leader of the socialists, and others, the premier leaped to his feet and, defending the cabinet's suppression of the strike as a revolutionary outbreak, exclaimed:

"If the actual laws had been insufficient, we would not have hesitated to resort to illegality for the purpose of preserving the fatherland."

An uproar followed these words. The socialists jumped up and were joined by a number of radicals. With shouts of anger they moved towards the tribune, crying: "Resign! Resign! Resign!"

Desks were banged and the chamber was a perfect bedlam with the noise of shouts and cheers. One socialist tried to fight his way to the tribune to strike Briand. Throughout all, the premier stood calm and dignified and for three-quarters of an hour waited patiently, but vainly, to make himself heard. Finally M. Brisson, president of the chamber, amid cries and imprecations from the socialists, adjourned the debate.

When the debate was resumed, Premier Briand, in accomplished oratory, flayed the socialists for their violence in forbidding him the right of speech. His frank appeal for republican support resulted in a vote of confidence.

Serious Riots in Berlin. Crow Attempts to Prevent Purchases by Patrons of Butcher.

Berlin, Oct. 31.—Serious rioting broke out in connection with a strike of workmen employed by a butcher. A crowd, largely composed of half-grown boys, gathered in front of the shop and tried to prevent any person from making purchases. They even set upon and beat women. The crowd grew in dimensions to thousands, whereupon the police were called out in large numbers and tried to disperse the multitude without the use of weapons. The rioters showered them with bottles and stones and many persons threw missiles from the windows of adjoining houses. The police finally were so hard pressed that they drew their ashers and drove the crowd before them. A number of rioters fell from saber strokes.

Pay Millions to Cross Sea. Passengers This Year Have Spent \$35,000,000 for Tickets.

New York, Oct. 31.—Figures of trans-Atlantic passenger travel for the portion of the year already passed assume large proportions and are far ahead of those for 1909.

The number of first cabin passengers from the beginning of the year to Sept. 23 was 168,420 and promises to break all previous records. The entire number of passengers carried both eastward and westward across the Atlantic to Sept. 23 was 1,496,153, the travelers having spent about \$35,000,000 for their journeys.

At present the rush back from Europe, which began Aug. 1, is still in full swing. In all probability it will fall off rapidly after today.

Rioting in Jersey City. New York, Oct. 31.—The strike of express company drivers and helpers, which has been daily growing more serious, resulted in a fierce battle in Jersey City, in which 100 policemen faced an angry mob of 10,000 strike sympathizers and fired volley after volley at them. The fusillade of bullets was followed by an attack with clubs, in which scores of persons were laid low.

Descendant of Columbus Dead. Madrid, Oct. 31.—The Duke of Veragua, a descendant of Christopher Columbus and former minister of marine, died here. He was born in 1837. He visited the United States in 1892 on the occasion of the Columbus celebration, and was received with high honors as the representative of the family.

Score Hurt in Bleachers' Fall. Pittsburg, Oct. 31.—A score of men were hurt when a huge bleacher stand collapsed on the second floor of the old city hall. Three hundred spectators at a boxing exhibition were precipitated into a mangled mass of human bodies and splintered wood.

Church Notes Overlooked.

The Christian church notes which were handed to the Journal reporter on the street, through an oversight, never got out of his coat pocket until Saturday evening after the paper was printed.

The items of interest which have not already transpired are: Ladies Aid meets Wednesday afternoon with Mrs. H. McKay and lunch will be served. Bible study class Wednesday evening at the church at 7:45, and choir rehearsal at 8:30. Ladies Industrial meets Thursday afternoon at 3 o'clock, with Mrs. William Baird. Regular meeting of the Loyal Sons and Loyal Daughters at the home of Rev. Ratcliffe on Thursday evening. Regular services next Lord's day, as usual.

Plaintiff Gets Judgment.

In the case tried by Judge Archer last Wednesday and taken under advisement until last Saturday, the plaintiff, Vondorn, was given judgment against the defendant, Buttery, in the sum of \$59.30.

The prayer of the complaint was for over a hundred dollars, and the defendant counterclaimed for more than that sum, and the case was a rather complicated one, as the evidence was very conflicting. There was evidence of repairs having been ordered done, and brush cut and the orchard cleared out, which was not in the written contract.

Reds in the Lead.

Yesterday was an ideal day on the water, and the ocean going vessels left the wharf at the M. E. church with a full head of steam, and made 926 miles as against 974 the previous Sunday. The fleet was stopped in mid ocean to take on board seven new passengers which came to them from Wellman's air craft. Pilot Hill was at the wheel yesterday and saw that no shoals were struck. The reds came in with the greatest number of miles to their credit. Watch out for the blues next Sunday.
