The stork that has been hovering over this neighborhood left a little baby girl of the regulation weight with Mr. and Mrs. Willard, two miles east of town, on Sunday morning.

Ed. Worley, of Lincoln, and Miss Kittie Fae Worley, of Omaha, attended the wedding festivities of their parents Saturday evening, the former returning Sunday, the latter remaining for a few days' visit. Ed. is now working for the State Journal company, while Kittie is in business for herself at the state metropolis.

Mrs. J. G. Stark was pleasantly surprised on last Tuesday evening at her home in North Elmwood by the Ladies' Aid society, the occasion being her 38th birthday anniversary. The ladies came before the supper hour and remained for several hours at the Stark domicile. Well filled baskets were in evidence and a royal good feast was enjoyed by the ladies. Mrs. Stark was the recipient of a beautiful carving set which was pre-

sented by Mrs. Wm. Minford with a very fitting tribute to the honored lady. All are unanimous in declaring the event one of the most enjoyable of the season.

**FRIENDS ASSIST IN CELEBRATING GOLDEN WEDDING**

Life, with all its stern realities, occasionally breaks out in a halo of light and joy so resplendent the clouds vanish far in the distance and we dwell in the realms of ecstasy for a time. Perhaps the pleasant event at the Worley home Saturday evening might have been the counterpart of this when the members of the Eastern Star and a few friends assisted Mr. and Mrs. George W. Worley in celebrating their golden wedding anniversary, there being fifty present.

The house was decorated with a profusion of Killarney roses and mistletoe, the latter being the gift of Mr. Chas. Rivett, of Springfield, Ore., and sent expressly for this occasion. The time was spent in various amusements and refreshments were served. A huge wedding cake was the center of attraction at the bride's table.

Toward the close of the evening Mr. and Mrs. Worley were presented with a set of solid silver, a set of fine china, handsomely decorated in gold and inlaid with opalescents, and a souvenir spoon bearing the Eastern Star emblem. Mr. Wm. Minford acted as master of ceremonies in presenting the gifts, and his remarks were most appropriate for the occasion. Mrs. Worley, as a sister lodge worker, made the response in words of thanks, which expressed their deep appreciation.

The occasion will long be remembered by those present, as it is not often one is privileged to attend an event of this kind. The bride and groom of fifty years received a shower of congratulatory letters and telegrams from relatives and friends. Col. H. C. McMaken, of Plattsmouth, was the only guest present who had attended the original wedding. Many fine pieces of silver, pictures, etc., besides checks and gold pieces, were among the gifts from a distance.—Elmwood Leader-Echo.

**TO MAKE THE OLD LINE THE MAIN LINE**

The Missouri Pacific through Louisville is soon to become the principal or main line between Omaha and Kansas City. This is said to be the decision of the officials of the road after having made a careful investigation of all the conditions existing. The main line now runs along the eastern border of the county through Union and Plattsmouth. It has no right-of-way from Omaha to the place about one mile south of Avery, where the trains are switched from the Union Pacific track and it is claimed that the rate charged by the Union Pacific company for the use of the track for this distance is the immediate cause for changing the main line. The road running through Louisville was used for the main line up to a few years ago but owing to its poor condition, the shorter route was selected.

The old line has been used for branch service, the road bed has been gradually going down and the rails are getting twisted but since the change has been made the road bed will be ballasted and the light rails replaced with heavy ones placing the road in first-class condition.—Louisville Courier.

The quicker a cold is gotten rid of the less danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by F. G. Fricke & Co.

**MISSOURI PACIFIC STRIKE IS OFF**

This Will be Good News to the People Along the Lines in Nebraska.

A special from St. Louis, under date of December 19, says: "The striking machinists, blacksmiths, boiler-makers and sheet metal workers of the Missouri Pacific-Iron Mountain system will return to work Wednesday morning, December 21. A settlement was agreed upon between the officials of the company and representatives of the striking employees tonight. According to the statement of General Manager A. W. Sullivan, the settlement is a complete victory for the company.

"The men go back to work on the terms offered May 1, which they rejected. That proposition includes a 3-cent an hour increase. Under the new agreement the men permanently relinquish control of the shop foremen and acquiesce in the rules adopted by the Chicago conference of western lines in March last. The work day for repair shopmen will be nine hours and for engine house men ten hours.

"James O'Connell, president of the machinists; J. A. Franklin, president of the boiler-makers; J. W. Kline, president of the blacksmiths, and John E. Bray, secretary of the sheet metal workers, signed the agreement on behalf of the men. General Manager Sullivan and Superintendent G. W. Smith signed for the Missouri Pacific Railway company.

"The agreement provides that all of the former employees who desire to retain their seniority must apply for reinstatement within thirty days. All of the strikers must apply for reinstatement within thirty days.

"All of the strikers are eligible, but the foremen, numbering nearly 150, will not be taken back.

"The machinists' strike began May 2 and the other trades went out in sympathy on October 21. Mr. Sullivan said that the total loss in wages for the men will be nearly \$900,000. "Nearly 3,000 employees went out, most of them from the shops at Sedalia, Mo.; Argenta, Ark., and Fort Scott, Kan."

**Horse Shoeing.**  
John Durman desires to inform those who need his services that he has opened a shop at the Ora Dawson place for shoeing horses. Satisfaction assured.

**New Automobile Law.**  
Addison Wait, secretary of state-elect, has drawn a new automobile tax law which he believes will bring the state a revenue of about \$40,000 a year. Under the present law the revenue is less than a fourth of this amount.

His bill provides for a flat tax of \$5 on all automobiles except motorcycles, which shall pay \$2. The fee is to be paid in lieu of all state taxes. Dealers in automobiles must take out permits at \$10 each. It is provided that one-half of the revenue shall go to the general fund and the other half shall be paid to counties for road improvement, the apportionment to be on the basis of the 1910 census. The speed limit for motorcycles is fixed at twelve miles an hour in the thickly settled parts of town and fifteen miles within the city limits. The country road limit is twenty miles an hour. Provision is also made for lights one hour after sundown and for a full stop of machine when meeting other than a draught or domestic horse on the highway. Fines for violations of these latter provisions are provided.

**Mrs. Egerton's Father Injured.**

Mrs. Alf Egerton received a message from a friend at Opepla, Arkansas, yesterday evening, informing her of the serious injury to her aged father, Mr. B. F. Raber, resulting from a fall down stairs. The wire was brief, and stated that if Mrs. Egerton expected to see her father alive, she should come at once. Mr. Raber is 84 years of age and up to the time the accident happened was in good health, and actively engaged in the management of a cotton gin at that place. Mrs. Egerton is the only child and she departed for her father's bedside today. She had not seen her father for eleven years, or since 1900, when she left Opepla with her husband for Nebraska. Mr. Raber has resided at the home of Mrs. Wolf since the death of his wife, twenty-five years ago.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by F. G. Fricke & Co.

Henry Sass, a prominent farmer, of near Louisville, was in Plattsmouth today on business, and was a pleasant caller on the Journal. About one year ago Mr. Sass subscribed for the paper to try it one year, and he says it is good enough for him, and consequently renewed for another year.
