Beware of Colds

At this time of year it is well to keep a bottle of cough medicine in the house. A slight cold may develop into pneumonia or croup. We handle several first-class cough remedies which have been on the market for years and have stood the test of time. They contain no harmful narcotics or alcohol and are reliable remedies.

LINCOLN'S BIRTH-DAY NEXT SUNDAY

The Event to be Celebrated at the Methodist Church.

"Now, sonny, keep that pledge and it will be the best act of your life."
So spoke a man called "Abe" Lincoln to a boy named Cleopas Breckenridge in Illinois in 1846. Other old people besides Breckenridge still live in Illinois who testify to these facts: That Lincoln came on horseback to the South Fork school house in Sangamon county, made a temperance speech, took a paper from his pocket and invited everybody to sign a total abstinence pledge. Moses Martin, now of Edinburg, Illinois, committed Lincoln's pledge to memory. Howard H. Russell, of Westerville, Ohio, the founder of the Anti-Saloon League, discovered these facts. And so he has started the Lincoln Legion.
The Lincoln Legion is a Sunday school movement. It invites the members of the school to enroll with Lincoln as pledged abstainers. But it does not stop there. Russell's idea is that, backed by the Sunday schools, the Lincoln Legion will go to the factories, the shops and the foundries, to the street corners and the cross roads, into tents and tabernacles, and into "the highways and hedges" to persuade everybody for good and sufficient reasons to quit drinking intoxicating liquor.
This movement began a while ago at Oberlin, Ohio. The national headquarters is at Westerville, Ohio. On Lincoln's birthday, Sunday, February 12th, many Sunday schools throughout the whole country will hold a Lincoln service and begin the nationwide Lincoln Legion movement. This Lincoln service will be held in the Sunday school of the Methodist church in this city. Stirring words by Lincoln and about Lincoln will be spoken, and the pledge written, signed, advocated and kept to the day of his death by Lincoln will be signed by all who desire to do so. An interesting feature of the service will be the unveiling of a beautiful colored picture by the great artist Arthur I. Kellar, entitled "Lincoln Pledging Cleopas Breckenridge." Relatives and friends of the Sunday school scholars are invited to be present and take part in the service.

Schultze and family and Mrs. George Hansen and other relatives in this vicinity for a short time departed this morning for Denver and the Pacific coast. Mr. W. G. Schultze accompanied his guests to Omaha. Mr. and Mrs. Obernalte are very genial people and formed many new acquaintances while in Nebraska. DEMOCRATS SHOULD KEEP THEIR HANDS OFF

That the democrats in the Nebraska legislature should keep their hands off the Canadian reciprocity proposition, and allow the democrats in congress to work it out to the best of their ability, is the opinion of Judge W. D. Oldman of Kearney, which he gave to a World-Herald reporter in Omaha, yesterday.
"To my mind it would be a serious mistake for the Nebraska legislature to pass a resolution asking the Nebraska delegation in congress to oppose reciprocity with Canada, on the theory that an injury might be done to some of the products of our state if it is passed," says Judge Oldman. "How can we ask congress to reduce the tariff on coal, and iron, and lumber, and the many other products which we need, and on which a reduction in price would be a benefit to the whole country?"
"Our democratic members of the legislature should take a broad view of this matter, and take no action that might hamper or embarrass our next democratic congress. Just because a republican congress is now proposing to pass a reciprocity law is no reason why our democratic congressmen should not support it, if it is right, and in their judgment, as expressed at their caucus it is right, and in line with the contention of the democratic party for these many years. I hope that the democrats in the legislature will see to it that the pending resolution condemning the reciprocity bill is defeated."

ACKNOWLEDGE IT

Plattsmouth Has to Bow to Inevitable Scores of Citizens Prove it.
After reading the public statement of this representative citizen of Plattsmouth given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:
J. B. Patridge, 8th street, Plattsmouth, Nebraska, says: "I suffered almost constantly from pains across my loins and kidneys and at times I was in a bad way. On several occasions I was so badly crippled that I could only get about with the aid of two canes. The contents of the first box of Doan's Kidney Pills, procured from Rynott & Co's drug store, helped me so greatly that I continued taking the remedy and it brought me entire relief. It would be impossible for me to speak too highly of Doan's Kidney Pills."
The above statement was given in June, 1906, and on December 29, 1908, Mr. Patridge said: "I still endorse Doan's Kidney Pills highly. I willingly verify the statement I gave over two years ago in their favor."
