Music was furnished by Miss Olga Minford, Ralph Kennedy and Marie Davis. A delightful two-course luncheon was served, to which all did ample justice. ## BIG LAND DEAL MADE IN MURRAY

### Homes & Smith Trade Merchandise Stock for Land in Colorado.

Wednesday afternoon a trade was completed in which Holmes & Smith transfer their stock of merchandise in exchange for 600 acres of land 14 miles from Denver, Colorado. The ranch is taken at the sum of \$16,000 and the stock of goods is to be invoiced at cost and carriage. Mr. August Nost, who owns the land, will make the transfer as soon as the invoice of goods is completed. Messrs. Holmes and Smith have been in business in Murray for a good many years, and by their many excellent qualities, including their gentlemanly manner of doing business, built up a large business, and their legion of friends will regret their selling out. Both gentlemen own fine residences in Murray, and until they dispose of the store building and residences they will retain their residence in the town. And in case they do decide to go west, their many friends will regret the move. No better families reside anywhere than the Holmes and Smith people, and no one regrets their selling out more than the Journal. And they can rest assured of the fact that our best wishes will ever attend them.

### A Strange Complexion.

Sometimes we notice persons having a strange complexion. They are pale and yellowish, we might say, muddy. The face is often the seat of either an eruption or of brownish spots. Such a complexion is an eloquent sign of some disorder of the digestive system, either of the liver or of the stomach or intestines, or of a combination of them. In such cases Triner's American Elixir of Bitter Wine is to be most earnestly recommended. Use it for some time according to directions, preserve the common-sense health laws and note the effect. Your liver and intestines will gradually resume their natural activity, constipation, with its unpleasant difficulties, will disappear, the blood will become pure and make the complexion clear. Triner's American Elixir of Bitter Wine will also strengthen the nerves, relieve nervousness, despondency, irritability, headache, colic and cramps. At drug stores. Jos. Triner, 1333-1339 South Ashland Ave., Chicago, Ill.

## YOUNG PEOPLE OF MURRAY GO TO LINCOLN TO MARRY

A marriage license was issued yesterday in Lincoln to Mr. Melville R. Young, aged 23, and Miss Edith A. Hansen, aged 17. These young people boarded the train yesterday morning that the writer stepped from in Murray, on his weekly visit to that burg. While nothing of a suspicious nature pervaded the countenance of either of the parties, yet there was a sort of a suspicion entered our mind that something would happen ere the shades of evening drew nigh. And we do not think the announcement of the marriage of these worthy young people will be any surprise to their many friends in and around Murray. The groom is well known in the community, but at present resides in Fairmont, Neb. The bride is well known and is very popular with all who know her. The Journal joins their many friends in extending congratulations, with the sincere hope

Mr. L. W. Lorenz was a passenger to the metropolis this afternoon, where he called on the jobbers.

## DEFENDANT IN CASE FROM GREENWOOD DISCHARGED

At the hearing before Judge Beeson this morning on the complaint filed by Carl Elwood against Arthur Stuart of Greenwood, charging him with making threats against Elwood's life, the case against the defendant was dismissed.

After hearing the array of witnesses on both sides of the case the court did not think there was evidence sufficient to warrant him in holding the defendant to answer to the district court, and discharged the defendant.

### Departs for Missouri.

Hans Kemp is another one of the good Cass county farmers who has decided to try his luck in other climes and loaded his personal property here last Saturday and departed for Lockwood, Missouri, in the southern portion of that state. Mr. Kemp purchased a farm in that section some time ago, it being one of the best in Dade county. Mr. Kemp and family have lived in Cass county for many years and leave a host of friends here, who join with the Journal in wishing them happiness and prosperity in their new home.

### Here From Elmwood.

William Cook, one of the prosperous farmers from near Elmwood, was in Plattsmouth last Saturday evening, coming down to look after some business matters and spend Sunday with his brother, Charles, and family, just south of the city. ## AVOID HARSH DRUGS

Many Cathartics Tend to Cause Injuries to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of causing any inconvenience whatever. They do not gripe, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons and aged people as well as for the most hearty person.

They come in two size packages, 12 tablets 10 cents, 36 tablets 25 cents. Remember you can obtain them only at our store—The Rexall Store. F. G. Ficke & Co., Union Block.
