WEDDING BELLS RING OUT AGAIN

And Cupid's Dart Strikes the Heart of One of Plattsmouth's Fair Ladies, Miss Alma Seivers.

From Wednesday's Daily.

A very pretty home wedding occurred at high noon today at the residence of Mr. and Mrs. Hans Seivers in the Second ward, when their daughter, Miss Alma, was joined in holy wedlock with Mr. William Heldman of Motley, Minnesota, in the presence of a few friends.

The ceremony took place in the parlor of Mr. Seivers' pleasant home, which was tastefully decorated in pink and white colors, and was performed by Rev. V. H. Steger, pastor of St. Paul's church, and consisted of the solemn ritual of that church. The wedding march was played by Miss Kate Heinrich and the music was continued softly throughout the ceremony, which required several minutes.

The bride was attired in white and carried red and white carnations and was attended by Miss Rosa Engelke-meier, also carrying red and white carnations. The groom wore a business suit of customary black and was accompanied by Otto Lutz as best man. The bride was given away by her father, Mr. Hans Seivers.

After the happy couple had received the congratulations and best wishes of the invited guests, they were ushered into the dining room, where Mrs. Seivers had prepared a feast which it is the good fortune of few mortals to partake. The table simply groaned under the weight of the wedding dinner with its numerous viands and accompanying dishes, which the good housewife knows so well how to prepare and arrange to tempt the appetite. There were meats, and vegetables, and sweets, and cakes of numerous kinds in profusion and cooked in the daintiest fashion.

Music and games occupied the guests during the afternoon until the train on the M. P. arrived to whirl the happy couple toward their new home at Motley, Minnesota, where the groom owns a fine farm and comfortable home.

The bride is the charming daughter of Mr. and Mrs. Hans Seivers, who are well and favorably known in Plattsmouth, having resided here since their marriage over twenty years ago. Their daughter, Mrs. Heldman, was born and reared in this

city and attended the public schools and possesses a large circle of friends who will be pleased to hear the announcement of these nuptials.

The groom is a prosperous young farmer of Near Motley, Minnesota, and met and won his bride during her two years' stay in Montana. He is a young man of sterling worth, fine character and habits and has hosts of friends in the vicinity where he is best known.

The Journal joins with the many friends of this happy young couple in extending congratulations and well wishes for their future happiness and prosperity.
