MARRIED IN KANSAS CITY, MISSOURI

Mr. W. G. Newland, and Miss Nettie A. McKinney the Happy Couple.

A message to the Journal from the Kansas City, (Mo.) Star, received here about 10 o'clock last night, states that W. G. Newland and Miss Nettie A. McKinney were married in that city last evening. The ceremony took place at the home of the groom's brother, Emory Newland, who has resided in that city for some time. The newly married couple left Plattsmouth on Tuesday evening at 10 o'clock over the Burlington for Kansas City, and none but the close friends and relatives knew of their intentions. Both parties have lived in Plattsmouth for a great many years and have many friends, who join the Journal in extending congratulations. The groom holds a good position in the lumber yards of the B. & M. shops, and is well liked by all his associates, while the bride is quite popular with her large circle of friends. They will return to Plattsmouth today, where they will make their future home.

NEBRASKA A GREAT CORN PRODUCING STATE

Twice within the last five years has Nebraska occupied the proud position of being the third state in the union as a corn-producing state. The other three years Missouri was third, Illinois and Iowa held first and second honors respectively. On winter wheat production Nebraska has alternated between second and third place, Kansas leading and Indiana being generally second. Nebraska alternates between fourth and fifth place in the oats column. These are the figures given out by the agricultural department. Corn production is as follows:

| Years. | Bushels. |
|--------|-------------|
| 1906 | 249,782,000 |
| 1907 | 179,328,000 |
| 1908 | 205,767,000 |
| 1909 | 194,060,000 |
| 1910 | 206,400,000 |

Wheat production of all kinds:

| Years. | Bushels. |
|--------|------------|
| 1906 | 52,289,000 |
| 1907 | 45,911,000 |
| 1908 | 44,295,000 |
| 1909 | 49,650,000 |
| 1910 | 39,515,000 |

The man who can comprehend the significance of these figures, which show the tremendous wealth yearly taken from our soil, can understand just how little influence the question of a city or town's excise policy can cut in a business way.—Lincoln News

Tyler, Rock street, Plattsmouth, Neb., says: "About two years ago, when suffering from a lameness across my loins and acute pains through my back when I moved, I procured Doan's Kidney Pills from Rynott & Co.'s Drug Store and used them. They benefited me so greatly that I publicly recommend them. I have been so free from kidney trouble since then that I do not hesitate to verify my former testimonial." For sale by all dealers. Married by the Judge.

Mr. Harry Deford and Mrs. Laura Huff, both of Nebraska City, were early callers at the office of County Judge Beeson this morning, and at once procured a marriage license and invited the judge to officiate at performing the ceremony. The request was complied with and Mr. and Mrs. Deford left the office with their two hearts beating as one, and with Judge Beeson's blessing resting on their devoted heads, as they had left the price provided by statute.

THE LEANS AND THE FATS TO START MONDAY

Mr. Edward Grybsky, the enterprising manager of the 10-cent store on Main street, went to Omaha on the morning train today to trace a shipment of confectionery which has been on the road for some days. Mr. Grybsky is the ranking officer in the Fat and Lean bunch which drilled "around the Horn" in the late fall and early winter months for the purpose of increasing the avoidpools of the thin and decreasing that of the fat members. Ed Bratner, the captain of the fats, has now all the exercise he cares for, so that Grybsky, as the next swiftest member, will start out as leader and set the pace next Monday morning. There is a new member looming up in the person of the county attorney, who threatens to set a little hotter pace than has yet been seen in these parts. He is a new member, but promises to be on the job at 4 a. m. every morning, and our lean friend, Grybsky, will have to hustle if he holds first place long.

A Mother's Safeguard.

CUPID'S DART HITS THE MARK

Mr. Grover Ellege of this City, and Miss Minnie Piatt, of Pacific Junction, Married Last Evening.

A pretty home wedding occurred last evening at the residence of Judge Beeson on North Fourth street, which came as something of a surprise to the judge. He had gone home for supper, when the wedding party appeared at his door, requesting the judge to come to the court house and issue a marriage license. The contracting parties were Mr. Grover Ellege of this city and Miss Minnie Piatt of Pacific Junction.

The judge had a supply of blanks at his residence and made out the necessary papers and Rev. W. L. Austin being in the parlor at the time, was invited to officiate at the ceremony. There were a number of friends and relatives of the happy couple with them, among whom were Haywood Ellege, brother of the groom, and Mr. and Mrs. B. E. Piatt, parents of the bride; Mr. and Mrs. Charles Powell, Clyde Powell, Burke Green, Lottie Berg, all of Pacific Junction, and Nellie Umstot of the same village, and Floyd Richardson, who, with Judge Beeson and his family and guests, witnessed the ceremony.

The groom is well known in this city, being the stepson of Mr. James Higley, and has worked for the Burlington for a long time. The bride is the daughter of Mr. and Mrs. B. E. Piatt of Pacific Junction and is a popular young lady in the community where she has resided all her life.

The young couple have the best wishes of a large circle of friends in this city and on the Iowa side, with whom the Journal joins in wishing them long life and happiness.

ST. MARY'S GUILD MEETS WITH MRS. H. N. DOVEY

The ladies of the St. Mary's Guild held a most profitable, as well as pleasant meeting at the pretty home of Mrs. H. N. Dovey yesterday afternoon. The regular business session was held, after which the ladies spent a few most enjoyable hours industriously plying the busy needle, in social conversation and other amusements. Light refreshments were served by the hostess. At 4 o'clock they adjourned and went to St. Luke's church, where they were in attendance at the divine services, conducted by Canon Burgess, which are being held every Wednesday afternoon during the Lenten season. These services are being well attended by the members and friends of this congregation.

FRED PATTERSON DOING SOME SURVEYING AT UNION

County Surveyor Patterson went to Union yesterday to do the preliminary work toward straightening out the jog in the "O" street road a quarter of a mile west of that village. George Poissall and his band of road men have been grading and are to complete a section of the road, and when the improvement asked for by the citizens in the vicinity, of having the kink taken out, is done, it will be one of the finest stretches of road in the county. This will probably require a new bridge across the Weeping Water at that point, but the old one has been in use about the lifetime of the average bridge, anyway, and since a new one will be necessary, it has been thought best to place it on the section line. Surveyor Patterson is the right party to do the work in getting the lines correct before the road is graded.

Warning to Railroad Men.

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroadin'. George E. Bell, 639 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroadin' left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley Kidney Pills to many of my railroad friends." For sale by Fricke & Co.

Seeks Brother's Grave.

Miss Brandt of Michigan arrived this morning to make a search through Oak Hill cemetery for the grave of her brother, who was buried here something over twenty-five years ago. Mr. Brandt, the brother, was an employee of the Burlington and was accidentally killed at Omaha while in line of duty and his remains were brought here for burial. Miss Brandt was directed by Mr. Waterman of Chicago, for whom the young man was working at the time that he was killed, to call on Mr. E. C. Hill, the Burlington storekeeper here, who would assist her in every way possible to find the object of her quest. It seems the record of the cemetery covering the year in which Mr. Brandt was interred here have been destroyed or lost, and the task of locating the grave will be a difficult one, as it was not marked at the time.

A Cold, La Grippe, Then Pneumonia. Is too often the fatal sequence. Foley's Honey and Tar expels the cold, checks the la grippe, and prevents pneumonia. It is a prompt and reliable cough medicine that contains no narcotics. It is as safe for your children as yourself. For sale by Fricke & Co.

Postmaster H. A. Schneider departed for the state capital this morning, where he was called on business. Mr. Schneider left on the early train.

The Farmer's Wife Telephones

"How are eggs selling today?"
"Two cents higher—I'll send you five dozen this afternoon."

In rural communities most buying and selling of produce is done by telephone.

By means of the local and long distance lines of the Bell Telephone System market price can be obtained before produce is sold, and thus money saved.
