

CASS COUNTY WOODMEN ENDORSE DR. E. W. COOK FOR RE-APPOINTMENT

Convention Enthusiastic for the Re-election of Our Popular Citizen
as Head State Physician of the Order at Fremont Convention

The session of the triennial county camp of the Modern Woodmen of America of this county, held in this city yesterday, was an enthusiastic meeting, nearly every delegate from the local camps in the county being present. The meeting convenes every three years and is composed of representatives from every camp in the county, the number of delegates from each camp being proportioned in accordance with the number of beneficiary members in the local camp.

The county convention, in accordance with the by-laws, is to be convened every three years at the county seat, unless the delegates in convention assembled vote to locate the meeting of the county camp at some other point in the county.

At the session yesterday the time was so short and the delegates so anxious to catch their trains home that some matters were not taken up which had been intended to be discussed.

The matter of the location of the next county camp being one of them, which leaves the convention which meets the first Wednesday in April, 1914, to be held in Plattsmouth.

After the selection of the delegates to the state camp, which meets at Fremont, Nebraska, May 2 and 3, to select delegates to the head camp, which convenes at Buffalo, New York, the third week in June, resolutions were adopted endorsing the very capable administration of Hon. A. R. Talbot as head consul, Mr. Halph Johnson as supreme organizer, and Mr. E. E. Keator as state deputy, the work of these gentlemen coming in for merited praise. Dr. E. W. Cook of this city was warmly endorsed as head physician, his manner of conducting the office was heartily commended and the delegates from this camp instructed to use all honorable means to secure his endorsement by the state camp for re-appointment.

ENTERTAINED AT THE HOME OF MRS. THOMAS WILES

Another delightful social event of yesterday afternoon was the luncheon given by the members of the Ladies' Aid society of the Christian church at the pretty home of Mr. and Mrs. Thomas Wiles, with Mrs. George Goodman and Mrs. Wiles as hostesses. When it is announced that it is to be a luncheon the ladies always come prepared to have a good social time, as nothing in the way of work is done on these occasions. The regular business session was held, during which further plans and arrangements were made for the bazaar, which the ladies are intending to hold during the latter part of this month. The luncheon, which was served at the proper hour, was delicious and fully up to the standard and was one which those present could not help but do justice to. There were a large number of the ladies present in spite of the inclemency of the weather, and it was a late hour in the afternoon when all departed for their homes, voting Mesdames Goodman and Wiles royal entertainers. The ladies will meet with Mrs. George Parks next Wednesday afternoon, at which time they will sew on aprons which are being made for the bazaar.

ASSISTED IN DEVOURING HIS FIRST GOOSE

While out hunting Sunday morning Will Macey brought down his first wild goose and was so proud of the fact that he decided to mark the auspicious event by a celebration, so he invited a number of his friends to come and help eat it. Mrs. P. E. Tritsch prepared the feast and the guests sat down to the table, which fairly groaned with eatables, and did justice to that grand feast, to which the goose took first honors. All voted it the finest bird ever eaten. Those who helped in the celebration were: Mr. and Mrs. J. W. Tritsch an daughter, Esther; Mr. and Mrs. P. E. Tritsch, daughter, Elizabeth, and son, Maynard; Miss Marie Swoboda, Fred Fleming and William H. Macey.

Here From Nebraska.
Mr. J. F. Behrens and his sister, Mrs. Sophia Fleishman, of Nebraska, came up last evening on the Missouri Pacific to look after some business matters, returning on the midnight train. While here Mr. Behrens and Mrs. Fleishman gave the Journal a call to settle up their subscription accounts. Mr. Behrens is one of the prominent young farmers and stockmen of southern Cass county, and Mrs. Fleishman is the widow of Mr. Fleishman, who was killed some time ago while engaged in pulling stumps, or, rather, was so badly injured that he died a few days later.

We stated recently that Mayor Gorder had served four consecutive terms. He has done even better, having been elected April 4, 1905, making six terms consecutively. It has got to that stage where it is not a coincidence, a novelty, but a habit. Prepare your ballots for the seventh.

Last Sunday Mrs. Elizabeth Doty was happily surprised on her 64th birthday. There were fourteen guests present to partake of an elaborate spread prepared by Mrs. Doty's daughters, Miss Nettie Amick and Miss Mable Doty. Along with the joy of this occasion was a postal shower that came from her many friends at home and abroad. Mrs. Doty has the best wishes of all acquaintances for many more happy birthdays.

The members of the M. E. church gave their pastor, Rev. Gumm and family, a pound party last Saturday night. The evening was passed pleasantly and the pastor and family were very grateful for the many pounds of the "necessaries of life" left at their home by the guests.

Friday evening the junior class of the Eagle High school gave the annual entertainment to the seniors. The chief feature of the evening was the banquet, at which twenty-eight persons were seated. The table was tastefully decorated with streamers of crepe paper, arranged as a pyramid, with one of the lamps as the apex. The lunch was served by five ladies of the town.

Ed Oelschlager has sold his interest in the pool hall to his former partner, Hon. Frederick Spahnle, who will continue the business at the old stand. We have not learned what business Mr. Oelschlager expects to engage in. We wish the new proprietor abundant success. No sooner had we got this news item set up until another business change took place, Mr. Spahnle disposing of his business to Emil Oberle.

JOHN BAUER GETS CONTRACT FOR PLUMBING AND DRAINAGE

A special from Washington, D. C., under date of April 5, says: "The Mechanic Kramer Moon Heating company of St. Louis were awarded the contract for steam heating apparatus for the public building at Plattsmouth at \$2,000; also contract for plumbing and drainage system for same building to John Bauer, Plattsmouth." We are pleased to note that a home firm gets one of these contracts, and we believe, the best of the two. John Bauer has been doing a great deal of this kind of work, and having experienced workmen in his employ, Uncle Sam can depend upon getting the work done properly and right up to the contract specifications.

Depart for Indianola.

Mr. and Mrs. Joseph Karec left this morning for Indianola, Nebraska, where they will occupy their former residence in that thriving town. Mr. and Mrs. Karec have lived on a farm near this city which they purchased about two years ago, moving from Indianola here at that time. They came to the farm on account of Mrs. Karec's health, which improved for a time and then got bad again, so that the lady became homesick for her former village home and they decided to sell the farm and return to their former home. A car was loaded with their household effects and agricultural implements yesterday and was shipped out this morning.

MISS ISADORE SHELDON ILL AT KNOXVILLE, ILLINOIS

Miss Isadore Sheldon, daughter of Mr. and Mrs. F. P. Sheldon of Nebraska, who is attending a young ladies' seminary at Knoxville, Illinois, has been in the hospital there for several days with an attack of sickness, the nature of which the physicians or attendants have not disclosed to Miss Sheldon's parents. Last evening the young lady's mother came to Plattsmouth and left on the Burlington for her daughter's bedside. Mrs. Sheldon motored to this city in company with her husband and Mr. and Mrs. Vilas Sheldon. The remainder of the party returned to Nebraska last evening. It is sincerely hoped that the young lady's trouble is not serious, but the suspense on the minds of the parents was great, and Mrs. Sheldon decided to go at once to see her daughter.

The Farmer's Telephone!

The progressive farmer stays at home in stormy weather and transacts his business by the telephone. The less diligent one drives miles through the rain and mud.

Most farmers have learned that it is poor economy to get along without local and long distance telephone service.

Local Bell service is the farmer's neighborhood messenger, while the long distance Bell lines keep him in touch with the markets of the big cities.
