Bank's Annual Meeting.

The annual meeting of the stockholders and directors of the Murray State bank was held last Friday afternoon at the bank building in Murray. All the directors were present and the same officers were elected as follows: C. C. Parmele, president; Fred Nutzman, vice president, and W. G. Boedeker, cashier. The business for the past year has been most successful in every particular; \$2,000 was added to the surplus fund, making \$5,000, which, with the capital of \$10,000, makes a pretty strong banking house for Murray. Only a few years ago the capital of the Murray bank was only \$5,000, with a very small surplus, so it is easy to see how it is growing under the able management of Cashier Boedeker. Murray can sure boast of one of the strongest and most ably conducted banks of any town much larger than Murray in the state of Nebraska.
