Napoleon's Words.

Napoleon, when asked about the cause of his success, said: "Get your principles right, then it is a mere matter of detail." This is true in every undertaking in our life, especially when sickness visits our home. Look for the cause of it and, in most instances, you will find it in your digestive system. Then you know that the most reliable remedy, in such cases, is Triner's American Elixir of Bitter Wine. Use it at once and your battle will be won. Whenever the body weakens and the ordinary appetite disappears, when you are troubled with headaches, constipation, eructation, colic and cramps, Triner's American Elixir of Bitter Wine should give you the promptest and lasting relief. It contains no injurious ingredients nor habit-forming drugs, being made of bitter herbs and pure wine. At drug store. Chemical Laboratory of Jos. Triner, 1333 1339 So. Ashland ave., Chicago, Ill.

"I believe it saved my life," he writes, "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, la grippe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quincy, it's the best known remedy. Price 50c and \$1.00. Trial bottle free. Work Resumed on Postoffice.

Yesterday Mr. C. R. Pelton resumed work on the government building, three carloads of brick having arrived. The structure is daily taking on more and more the appearance of a symmetrical building. The window frames are in on the north, east and south walls, and the side walls are going up rapidly. The carpenters are going right along with the woodwork and very soon the structure will be enclosed. The iron railing around the basement windows have been put in place and the window frames and stops are going in. The huge chimney for the heating plant, which will be steam, is over half completed, an iron ladder running from the base to the top.
