

THE GREATEST  
**GASOLINE SAVER**  
IN THE WORLD!

SAVES YOU FROM \$60.00 TO \$300.00 IN GASOLINE

EVERY YEAR YOU RUN A CHOPIE GASOLINE ENGINE!

This is what you can do with a Chopie, and get more power on one-half the gasoline, as compared with other makes. The wise, money-making man now-a-days profits by the experience of others.

NOW LISTEN!

You are paying 17 cents for your gasoline. Say you pay \$150.00 or more for a six horse power gasoline engine, (other makes) and run it for 300 days, which is not very long. The price of a 6-horse power Chopie is \$275.00. The Chopie will save you \$175.00 to \$210.00 in gasoline every 300 days you run it. Now you pay \$150.00 for that cheap engine, add the saving of \$210, which the Chopie will save you, which makes your cheap engine cost you \$360.00 at the end of 300 days.

Say you are in the dairy business, and you have two cows that give the same grade of milk, but one gives twice as much milk as the other. Now tell me which is the money-maker for you or money in your pocket. Plain to be seen.

**THE CHOPIE GASOLINE ENGINES**

are all constructed of the best material obtainable and built by the best workmanship to be secured. The chilled cylinder, found only in the Chopie, will outwear three or four ordinary cylinders, because other cylinders are soft iron and will not wear as long or stand up to the test to which they are put.

Now this is the proposition I have to make you:

You take a 2½, 4, 6 or 10-horse power Chopie engine, run it twenty days free trial, and if it does not come up to these statements send it back and it will not cost you a cent. What could be a fairer proposition?

Furthermore, I agree to replace free of charge all defects in machinery or workmanship for the period of one year. Also guarantee them to develop the actual horse power at which they are rated, and on one-half gallon gasoline to the horse power used.

I invite you to visit the factory and see for yourself where all the parts are made.

**The Chopie Gasoline Engine Factory**

**WARNING**—Be careful, boys; and don't take up Chopie's proposition on a gasoline engine, as it will do more than Chopie claims for it, and the engine will be yours.

**THE LATE JOHN DEAN SIMPSON, A FORMER CITIZEN**

**Mrs. Simpson, Consort of John D. Simpson, Deceased, Corrects Some Mistakes.**

John Dean Simpson, who lived here in the early 50's and later moved to Mineral Point, Wisconsin, and from there to Plattsmouth, Nebraska, died at his daughter's residence in Chicago yesterday, age 85 years. The remains will be brought here tomorrow for burial. He leaves a widow, Catherine Klepser Simpson, and two daughters, Mrs. Isaac Kaliske of Chicago, and Mrs. A. A. Clendenin of Gary.

J. D. Simpson was a brother of Matthew Simpson.—Delphi (Indiana) Daily Herald.

**Mrs. Simpson's Letter.**

The following is Mrs. Simpson's letter to the Journal, dated Gary, Indiana, May 4, 1911.

Kind Friend—I send two Delphi papers containing a notice of Mr. Simpson's death. They made a mistake regarding his going from Mineral Point, Wis., at which place he spent part of his boyhood days. His parents moved from Huntington, Pa. (where he was born), when about 11 years old. He settled in Delphi, Ind., in the latter part of the 30's and in the 40's he spent some time at Mineral Point, Wis., returning to Delphi, where he remained until 1856, at which time he went to Nebraska, locating at Plattsmouth, where we both spent most of our lifetime. He spending his time in a mercantile way. In the early days of Plattsmouth he was agent for a steamboat line of business plying between St. Louis and Omaha, and was employed many, many years (twenty years I think), as express agent, always employed in progressive lines for the betterment of Plattsmouth.

Harry Todd and wife motored in from their farm near Murray to this city last evening and took the young folks, who are attending the Plattsmouth schools, home for Sunday.

We were married in 1853. He is now lying peacefully near the graves of his mother and other

dear relatives. I wanted you to see the notice of his passing on into his future life and wanted to correct mistakes in the papers sent you. Respectfully,

Kate Simpson.

**Still Improving.**

A telephone message from Laura D. Fellows last Sunday says that her mother is now able to dress herself and walks along the corridors of the hospital unassisted, and that it is their intention to start for home over the Burlington on Monday morning at 7:35. They will be met at Deadwood and it is to be hoped that nothing will occur to prevent their safe arrival home on the evening of the day mentioned.—Belle Fourche (S. D.) Northwest Post.

When you see the "Cracker Jacks" you see a show that is worth seeing and one that you will not soon forget. The company returns with its cast intact, not a change having been made since the company played to capacity at the Gayety for a week last September. **WILSON SPEAKS IN KANSAS CITY**

Governor of New Jersey Predicts New Reform Era.

**NEITHER PARTY HAS MONOPOLY**

Both Republican and Democratic Organizations Already Well Represented in Work—Declares Judges Should Not Be Recalled.

Kansas City, May 6.—Woodrow Wilson, governor of New Jersey, in a speech before the Knife and Fork club of this city, declared that a new political era, promising much for the welfare of the nation, is now upon the American people. This movement is one of reform, marked by a process of restoration, rather than that of revolution, he said.

The work of reforming present conditions is confined to neither political party, the speaker said, both parties being well represented in the efforts to reform as well as in the constructive tactics of reactionaries.

The Democratic party is not so closely allied with the reactionary forces, "the interests," as is the Republican party, said the governor, and therefore, he said, the Democratic party is better able to serve the people in the "process of restoration."

Great care should be taken in the selection of party leaders, the speaker urged. The processes of the present reform movement are fundamentally conservative. Therefore excitement should be avoided and demagogues silenced.

The New Jersey executive said the initiative and referendum in the field of legislation and the recall in the field of administration are intended to restore representative government. But the recall should not apply to judges, who neither make nor administer the laws, but only interpret them.

The presence of Governor Herbert S. Hadley of Missouri added interest to the occasion. Both state executives were referred to during the evening as presidential possibilities in 1912.

Governor Wilson's speech here was the first to be delivered during his western tour.

**TWO McNAMARAS ARRAIGNED**

Given Until June 1 to Enter Pleas on Murder Charge.

Los Angeles, Cal., May 6.—John J. McNamara, secretary of the International Association of Bridge and Structural Iron Workers, was formally arraigned before Judge Walter Bordwell of the superior court on charges of murder and dynamiting, and his brother, James B. McNamara, was arraigned on a charge of murder, all in connection with the explosion which wrecked the Los Angeles Times on Oct. 1 and killed twenty-one men.

Ortie E. McManigal, alleged to have made the confession implicating the McNamaras, was not arraigned and is not expected to make any appearance in court until the trial begins. The day for the McNamaras to plead was fixed for June 1.

Assistant District Attorney Ford read all the nineteen indictments, charging them with the murder of employees of the Times plant. Accused with the brothers in the indictments were William Caplan, alleged to have been an assistant of James B. McNamara in the explosion, and four others, one a woman, who were masked by the names of "John Doe," "Richard Roe," "John Stiles" and "Jane Doe." The accusation was followed by a list of the scores of witnesses examined by the grand jurors in the weeks following the Times disaster and with the late addition of Ortie E. McManigal, the alleged confessed dynamiter.

**SAYS DIETZ FIRED SHOTS**

Member of Posse Testifies in Trial of Defender of Cameron Dam.

Hayward, Wis., May 6.—In the trial of John Dietz, charged with the murder of Oscar Harp, Theodore Surdson of Rice Lake, was the first witness. He was standing at the edge of the woods at Cameron dam during the exchange of shots between inmates of the Dietz cabin and officers who laid siege to Dietz's stronghold.

Surdson testified he saw John Dietz come out of the cabin and fire four shots while Leslie was running in during the fusillade.

Roland Ackley, a deputy who was with Harp, Pomerio and McWhorter during the siege of the Dietz cabin, said he heard three reports from the barn and saw three deputies get up and run, leaving a dark object behind them.

**Labor Official Is Arrested.**

Danville, Ill., May 6.—Jack Welch, secretary of the local miners' union, was arrested on a charge of forgery. It is alleged that he forged the names of officers of the union to miners' cards. More than 300 of these cards are said to have been counterfeited and sold to inexperienced miners.

**"CRACKERJACKS"**  
TO RETURN

The Company Which Broke the Record at the Omaha Gayety Last Fall is Home Again.

Here comes the daddy of them all, Bob Manchester's famous "Cracker Jacks" company, new in its entirety except the name, and the latter is the best criterion, from the fact that in the eleven years of its existence the show has always been the best of its kind; but this season Mr. Manchester has given a truly great show, in which will be seen thirty-four people, with a chorus of twenty-two pretty, fascinating girls who are experts in singing, dancing and poses. The company introduces five rattling comedians, headed by the little funny fellow, Johnny Jess, who is a whole show in himself; he has as assistants John Williams, Frank Harcourt, Will Brooks and Frank Fanning, four well known fun-makers, and all local favorites.

The first party opens with an amusing melange of comedy entitled "The Trial Marriage," one of the most ridiculous and laughable comedies seen in many a day, in which two of the foremost extravaganza stars on the stage take part—Ruby Leoni, the Model Venus, and Mollie Williams, the impersonator of Anna Held. The olio of specialties is picked from the very best that vaudeville supplies, among the numbers being the great European novelty, the Five Perceoffs Family, introducing one of the most delightful and exciting juggling acts before the public. Another number which is a novelty and will undoubtedly be talked about, is furnished by Mollie Williams and company in a spectacular divertissement entitled "Le Dance Du Enticement;" and a riot of fun is promised in the contribution of Williams and Brooks, the well known singers, dancers and comedians.

The closing skit is called "Daffydale," a satire on New York's latest hits, and introduces all the latest musical numbers that will be whistled all over the country. The entire company will be seen in this and some stunning costumes will be on view. One of the features will be Mollie Williams, who will give her original impersonations of Anna Held, and another favorite who will be seen to advantage will be the fascinating southern soubrette, Lillie Vedder, while the twenty-two cunning little chorus girls will aid the others in all manner of fun and frolic.
