FORMER PLATTSMOUTH LADY DIES IN CALIFORNIA

Mrs. Margaret L. Bennett, After an Illness of Some Time, Passes Away.

Mrs. Margaret L. Bennett, wife of Captain L. D. Bennett, who has been in feeble health for some months, died Tuesday at their home at Long Beach, California.

Margaret L. Duke was born in Bridgeport, Ohio, June 13, 1835, and came to Plattsmouth in the later 50's with her parents, Mr. and Mrs. Shepherd Duke, after whom Duke's addition to Plattsmouth was named. June 6, 1859, she was married to Lloyd D. Bennett. After their marriage Mr. and Mrs. Bennett settled in Iowa and resided in that state for about ten years, and when the war came on Mr. Bennett enlisted in the Thirty-ninth Iowa regiment, where he was soon elected captain of his company. A few years after the close of the war Mrs. Bennett and Captain Bennett again made their home in this city. Here he engaged in the real estate business for a time, then went into the mercantile line, living here for thirty-six years.

Mrs. Bennett and the captain moved to Long Beach, California, in 1905, where they have since resided amid a colony of twenty-two Nebraska families. Mr. and Mrs. Bennett celebrated their golden wedding two years ago, the Journal of June 14, 1909, containing a full account of the event, clipped from the San Bernardino (Cal.) Sun.

Three daughters were born to Mr. and Mrs. Bennett, two of whom survive, Mrs. Alberta Mann having died six years ago. Those surviving are Mrs. Carrie L. Wil-

son of Long Beach and Mrs. Grace Miller of Los Angeles, California; her aged husband, Captain Bennett, who is almost 80 years old, survives to mourn her loss. Mrs. Bennett is survived also by six grandchildren and one great-grandchild. The deceased was a sister of John S. Duke, who recently died at the Masonic home in this city, and of Elbert Duke of Omaha, who recently died in California, and whose remains are on the way from California at this time for burial.

Nothing is known today as to the funeral arrangements of Mrs. Bennett. The deceased was very highly respected by her numerous acquaintances and friends in this city, where she was so well known during the greater part of her life. Captain Bennett and daughters will have the profound sympathy of all in this hour of their deepest sorrow.

Rejoicing at Barthold Home.

Harry Barthold received a message from Mrs. Barthold, who is visiting her daughter at Denver, Colorado, apprising him of the fact that the stork had visited the home of Mr. and Mrs. Carl Halter and had made them the proud parents of a brand new baby boy, for which reason there is much rejoicing in the Barthold home. We trust the little fellow will live to be a comfort to the worthy parents, as well as the grandparents.

There is an unusually large number of gophers in the clover and alfalfa meadows this spring in the western part of the county and they are doing much damage. Lee Prouty decided to try trapping them and put out eight steel traps, looking after them while working in the field on his father's 320-acre farm, and in two weeks he caught 83 gophers and a large number are yet at work.

A Great Advantage.

In former days it was a rule to prepare medicines of a horrid taste requiring heroism to swallow them. The science of chemistry is kept busy looking for new methods to make the different remedies agreeable. One remedy known to our people for years has the great advantage that it has a pleasant bitter taste and that it is borne by every stomach. It is Triner's American Elixir of Bitter Wine. Its effect upon the stomach and other organs of digestion is very good. Two bitter herbs of which it is made are known for their curative qualities and the red wine forming the basis of the remedy is a gentle stimulant and tonic. In diseases of the stomach, the liver, the intestines and the blood it brings the desired results. Use it as soon as you will notice a change in your appetite, some loss of your strength, a change in your complexion. At drug stores, Joseph Triner, 1333-1339 South Ashland Avenue, Chicago, Ill.
