HENRY PERRY OF GREENWOOD PLEADS "NOT GUILTY"

Man From Greenwood Charged With Criminal Intimacy With Daughter Is Arraigned.

From Friday's Daily.
Henry Perry, the man from Greenwood charged with criminal intimacy with his daughter, was arraigned in the district court today and the information verified by the county attorney was read in his hearing and the accused required to plead, which he did, saying, "Not guilty."

The defendant's son from Iowa arrived today and employed D. O. Dwyer to look after the defense. Mr. Dwyer protested to the arraignment of the defendant, saying that there was no attorney of record for the defendant. The court stated that he would receive his plea of "not guilty," and, if after consulting with an attorney, he should desire to change his plea he could do so. The court then inquired into the defendant's property possessions and was informed that he was without means to employ counsel, and on request of defendant, Mr. Dwyer was appointed and a showing of poverty made.

Mr. Dwyer then stated to the court that the bond of \$2,000 was excessive as fixed by the lower court and that the defendant ought not to be placed on trial at the present term of court, owing to the circumstances surrounding the case, in justice to the accused the trial should be held at a later term. The county attorney argued that the bond was none too high for a case of this kind, that the case was of long standing and should be sternly dealt with. The court directed that Mr. Dwyer's showing for a continuance should be on file by Friday, June 9, and it would be taken up and passed upon on Saturday, June 10.

Other matters which had the court's attention this morning were petitions for divorce. Mrs. Margaret Seagrave obtained a decree of divorce from her husband, John Seagrave, on the ground of cruelty and non-support. Mrs. Seagrave has been the mother of twelve children and has earned the repose she seeks.
