

MADERO SALUTED ON EVERY SIDE

Liberator is Given Magnificent
Welcome to Capital.

MORE PLOTS AGAINST HIS LIFE

Former Chief of Police of Mexico City
is Under Arrest and Officers Are
Watching Number of Members of
Chamber of Deputies.

Mexico City, June 8.—Amid the
wildest enthusiasm, Francisco I. Ma-
dero, Jr., entered the seat of govern-
ment which he overturned.

The demonstration was the greatest
which the capital has shown in a gen-
eration. Business was practically
suspended and the streets through
which the revolutionary leader made
his triumphal way were gay with
flags, bunting and flowers, while from
the throats of tens of thousands came
roars of acclamation.

The noisy welcome began when the
great crowd at the railway station first
caught sight of the bearded face and
stocky figure as Madero emerged from
his private car and stepped quickly
into a waiting carriage. Shouts of
"Viva Madero" swelled into a great
chorus as the cry was taken up along
the streets leading from the railway
station throughout the city.

Madero Bows and Smiles.

Bowing and smiling right and left,
Madero was driven from the station
to the national palace and then to the
home of his father at Berlin and Liv-
erpool streets. Things that lined the
way fell in behind as the carriage
passed, until a great, noisy but friend-
ly procession had formed. Scores of
civilian societies, political organiza-
tions, women in carriages and soldiers
in parade uniform moved on to the
quick-step music of the military bands.
It was a spectacle stirring and un-
usual, but amid the popular rejoicing
could be seen an undercurrent of re-
sentment on the part of unreasoned
aristocracy, that looked on silent,
though not unmoved.

Former Chief of Police Arrested.

Rumors of plots against the life of
the hero of the day were rife, as were
reports that secret arrests had been
made.

Antonio Villacencia, former chief of
police, was taken into custody. Im-
munity as members of the house of
deputies is said to have stayed the
arm of the law against others alleged
to have been implicated in a plot, the
discovery of which was followed by
the arrest of W. L. Dunn, an Amer-
ican, at Monterey, and Daniel de Vil-
liers, a former police head. These two
men are accused of being at the head
of the plotters.

he was assaulted by four men. The
editor then had himself appointed
deputy sheriff and immediately he ar-

sailants. Then the mayor ordered the
men released. Then the county attor-

cated in the trouble, including the
mayor.

charged that the boy was beaten and

Nebraska, residing at Alexandria,
Nebraska, was in city today, hav-

the Masonic home. Mr. Terry
paid the home a visit a year ago
and he is much pleased with the
improvements made since his
former visit. He has visited
many of the Masonic homes in
different parts of the United
States, and many of them are
very beautiful, but Mr. Terry can-
not conceal the fact that the
Masonic brethren are proud of
the Plattsmouth home, which he
says is only in its commencement
stages. Mr. Terry expects that
the capacity of the home here will
be doubled by duplicating the
buildings already erected. A very
gratifying report was read by Mr.
White at the meeting of the grand
lodge, in which it appeared that to
maintain each resident here it re-
quired an expenditure of about

beardy and says he is never

ference in getting out a news-
paper now and fifty years ago.
