

Telephone Talks!

No. 9

THE "WHY" OF RATES

A railroad may haul a carload of flour at a cheaper cost per sack than if only one-tenth as much were shipped, but it costs us a great deal more per telephone to operate an exchange of 5,000 subscribers than one of only a thousand.

In an exchange of 5,000 subscribers, every telephone user is given an opportunity to use his telephone ten times as much as in an exchange of a thousand subscribers.

This condition would make the operating expense and maintenance cost of every telephone and line in the larger exchange much higher than in the smaller one.

Then, too, in the larger exchange, telephones average farther from the central office, necessitating more wire per telephone.

Also, as more telephones are added to an exchange, the uniting of every telephone with every other one increases the individual cost enormously.

But the service of the larger exchange is worth a great deal more.

Exhausted.

You certainly noticed that, during this time of the year, you always feel tired and even exhausted. It is evident that you need some kind of a stimulant or tonic to make you able to work. We offer such a remedy in Triner's American Elixir of Bitter Wine. It stimulates the digestive organs to an increased activity, strengthening them at the same time and giving them endurance. We can recommend this remedy in diseases of the stomach and the intestines as also in diseases of the blood and the nerves and in all disturbances of the general health combined with loss of appetite and bodily strength, with lack of energy and exhaustion. We can further recommend it in diseases of the liver and the kidneys, in rheumatism and some forms of headache, where it becomes necessary to thoroughly clean out the whole system. HOW A RELIANCE POLICY WORKS

Great Feature of the Policies Issued by the Reliance Life Insurance Co. of Pittsburg.

John M. Patterson, a railroad conductor, of Sedalia, Missouri, took a policy with the Reliance for \$2,000 on the 15-Year Endowment Plan, April 13, 1907. A note by the inspector received at the time says: "Mr. Patterson has a family; he is a healthy, stout man."

In September, 1907, Mr. Patterson had a stroke of paralysis, which totally disabled him. Subsequently his Reliance Policy was either destroyed or lost, as it was considered of no value. Recently Mr. W. L. Phipps, of the Renewing Division, while in Sedalia, discovered this situation. The attention of Mrs. Patterson was called to the fact that her husband's policy had not lapsed, but was still in force under the Total and Permanent Disability Clause.

Her own letter is more eloquent praise of the Reliance policy than anything else can be. It says: "Sedalia, Mo.

"Mr. Scott—Dear Sir: Mr. Patterson is unable to write. He was running out of Jefferson City at the time he took out the policy, and I did not know anything about it. The policy is either lost or misplaced. I feel sure Mr. Patterson will never be able to work again. He has been under the doctor's care nearly all the time since September, 1907. It will surely be a great benefit to me and the children. Please advise me what to do. We, neither of us, knew of the Disability Clause. It is very kind of you to look us up and tell us of it, and I surely appreciate it. This has been a trying ordeal to me to see my husband fighting so hard to regain his health. Thanking you again for your kindness. Respectfully yours,

"Mrs. J. M. Patterson, "305 W. 5th St., Sedalia, Mo."

The company, upon receipt of affidavit that policy had been lost, issued a duplicate endorsed fully paid up.

A Reliance Policy may be lost, destroyed or forgotten. It works just the same, BECAUSE it is the policy of the Reliance Life Insurance Company to see that it does.

CERTAIN RESULTS

Many a Plattsmouth Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Plattsmouth. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement:

Mrs. James Hodgert, 1402 Main St., Plattsmouth, Neb., says: "I suffered a great deal from dull, heavy pains across the small of my back, especially severe when I stooped or brought any strain on the muscles of my loins. About two years ago I learned of Doan's Kidney Pills and they brought me such prompt and positive relief that I have since used them whenever I have felt in need of a kidney remedy. I procured Doan's Kidney Pills at Rynott & Co.'s Drug Store and do not hesitate to recommend them."

The above statement was given in June, 1906, and on December 30, 1908, Mrs. Hodgert said: "I still hold a high opinion of Doan's Kidney Pills. I am glad to confirm all I have previously said about this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

MRS. J. N. WISE CELEBRATES HER SIXTY-FIFTH BIRTHDAY ANNIVERSARY

About Fifteen Lady Friends Attend the Happy Event, and the Home is Tastily Decorated for the Occasion.

From Wednesday's Daily.

Mrs. J. N. Wise entertained about fifteen of her lady friends at her charming home during the afternoon hours yesterday in a most delightful manner. This occasion was in honor of her 65th birthday anniversary, and for this happy event the pretty rooms of the Wise home had been handsomely decorated in a color scheme of green and white, a number of the gifts received by the hostess being of the green and white color, also. Mrs. Wise was assisted in celebrating her birthday anniversary by her daughter, Mrs. J. L. Root, and little Flora Root of Lincoln, and they also assisted her in entertaining her guests yesterday afternoon.

The time was very pleasantly spent in amusements, which the hostess had planned for the occasion. These amusements were interspersed with various games and social conversation, all of which made the afternoon's entertainment a most enjoyable one.

One of the amusements was a drawing contest, in which the guests were given the title of some popular song and then drew a picture of it. Mrs. T. H. Pollock captured the first prize, a book, while Mrs. L. A. Moore carried off the second prize, a book. Personal conundrums was another amusement introduced by the hostess and was one which produced considerable merriment.

An elegant three-course birthday luncheon was provided by the hostess, the color scheme of green and white being carried out in the refreshments served. When the guests took their departure all extended their warmest congratulations, wished Mrs. Wise many more such happy birthdays and expressed much pleasure in assisting her in commemorating the event. Mrs. Wise received many pretty gifts in honor of the day, which will be constant reminders of this birthday occasion.
