Obituary.

Lela Imo Branson Johnson, or Imo Johnson, as she was known to us, was born December 8, 1893, and died June 24, 1911, aged 17 years, 6 months and 18 days. She leaves to mourn her loss her foster parents, Mr. and Mrs. Samuel Johnson; a father, Mr. Branson, of Colorado; two sisters, a brother and two half-sisters. At the age of 3 Imo was bereft of her mother and at 4 was taken into the home of Mr. and Mrs. Samuel Johnson, where she has since made her home.

When it was known in our midst that Imo had given up her life here for a better life beyond, there was sorrowing and tears in every heart and home. Her life had been a beautiful one, scattering sunshine, not only in her home, but wherever she walked. Old and young alike were her friends, all the children knew Imo and greeted her wherever they met her. She had finished the school course in Avoca and for the past year had attended the Lincoln High school, returning home only a few days before she was taken ill. In the Christian Sunday school and Endeavor so-

ciety she was an earnest and willing worker and was a great help in the music, as organist, when needed, and by the aid of her singularly sweet voice.

The funeral services were held at the Christian church June 26 at 2 o'clock. The sermon was preached by Rev. Osterhout and the music was furnished by voices from both choirs. The songs were: "Some Day the Silver Cord Will Break," "Up There Sometime We'll Understand," "Asleep in Jesus," and "Gethsemane." Her chair in the choir was left vacant during the service. The floral tributes were unusually profuse and beautiful. The members of the Sunday school had arranged the altar in a beautiful manner by building steps leading to the gates ajar, with a cross and crown. These were of white draped in ivy and Easter lilies.

The pall-bearers were: Harold Harmon, Lloyd Graham, Will Fahnestock, Omar Nutzman, Will Maseman and Harry Marquardt. Honorary pall-bearers: Audrey Harmon, Myrtle Wolfe, Lizzie True, Alpha Andrews, Lydia Bencke and Bertha Smoots.

Mr. and Mrs. Johnson, who have loved Imo as they would have loved their own daughter, have the sympathy of everyone in their sad bereavement. Everything that kind hands and loving hearts could do was done, but God, who doeth all things well, knew best and we can only bow our heads and say, "Thy will be done."

F. S. Rexford, 615 New York Life Bldg., Kansas City, Mo., says: "I had a severe attack of a cold which settled in my back and kidneys and I was in great pain from my trouble. A friend recommended Foley Kidney Pills and I used two bottles of them and they have done me a world of good." For sale by F. G. Fricke & Co.

Everybody wants to try a sack of Forest Rose flour. Why? Because they have heard that it is one of the best grades of flour put on the market. Try a sack and see if you don't think so.

ONE OF THE HUSTLING TOWNS OF THE COUNTY

A Journal Representative Visits Thriving Town of Nehawka and Spends a Few Hours.

Last Friday the Journal publisher and Mr. E. H. Schulhof made another automobile trip to the country, and this time visited the flourishing little south Cass city of Nehawka, where Mr. Schulhof had considerable piano work to look after. While Mr. Schulhof visited two of the prosperous farm homes of that locality, Mr. L. C. Todd and Mrs. Fred Shumaker, we remained in Nehawka for a visit with the numerous friends of the Journal. We called on the merchant king, Frank Sheldon, and, of course, found him, as usual, one of the busy men of the place. He had just returned from Omaha, where he had been on the market with 120 head of cattle. Forty head brought \$6.20 and the balance \$6.10, topping the market for this spring on beef cattle. They were all western stuff, fattened by Mr. Sheldon on his place near Nehawka.

Generally speaking, we found all the people of Nehawka in a very prosperous condition, enjoying a good trade and highly elated over the present prospects for a good crop. The farmers were harvesting one of the largest wheat crops in the history of the country, the quality of which looked to be pretty fair. We called at the bank and enjoyed a few moments' chat with the assistant cashier, Frank Boedeker, but found that Cashier West was enjoying a combined pleasure and business trip down in Georgia. Mr. J. F. Dale, the genial harness man, was, as usual, busy making repairs and new goods for the trade. Mr. Dale has been a reader of the Journal for several years and we were pleased to meet him.

We found our excellent friend, Tommy Fulton, one of the busy men of the town, employing two men to assist him in the vast amount of work. We believe Mr. Fulton has one of the best equipped blacksmith, wagon and general repair shops in Cass county, and he is a busy man in all departments. We found Brother Long, the newspaper man, right in the midst of hard work, getting out his weekly edition. Over at the big mill we found the new manager, Mr. Bonner, and assistant, Mr. B. O. Tucker, taking things rather easy right at the present time, being just between seasons. At the lumber and grain office we found the son of Mr. Sturm in charge, Mr. Sturm being out west for a few weeks' vacation. Mr. H. F. Kropp, the implement man, was on deck and in the midst of the harvest of binder business.

We found our excellent friend, B. F. Hoback, at home, and while he has been classed among the retired farmers, he had been enjoying good health and had been out on the farm a few days assisting the boys in the harvest. We also met J. M. Stone, who was pretty busy looking for harvest hands, also, and in the shortage of men he was pressed into service himself.

About this time Mr. Schulhof returned from the country and we took up our homeward journey, coming north from Nehawka, and we believe we passed through one of the finest farming districts of the great state of Nebraska.

ZUCKWEILER & LUTZ

MAYOR SATTLER'S FOURTH OF JULY PROCLAMATION

He Politely Requests Those Using Explosives to Keep Within the Bounds of the Law.

The use of all firecrackers on the sidewalks will be prohibited; also torpedoes and all explosives. The streets are wide and everyone can have a good time without interfering with the rights of others by using these explosives in the streets. No explosives will be allowed that does not come within the requirements of the state law.

We feel that all should have a due amount of liberty and engage in all harmless amusements, remembering that the joyful sound of liberty was first proclaimed by the old "Liberty Bell" 135 years ago, and we are still celebrating that great occasion and the true American spirit should prevail in thinking always of the rights of others.

I urge all to use good, common sense in the use of even the small firecrackers, as this is an exceedingly dry season, by being careful in their use will prevent fires. Respectfully,

John P. Sattler, Mayor.

YOUR NEIGHBOR'S EXPERIENCE

How you may profit by it. Take Foley Kidney Pills. Mrs. E. G. Whiting, 360 Willow St., Akron, O., says: "For some time I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired out and miserable. I saw Foley Kidney Pills advertised and got a bottle and took them according to directions and results showed almost at once. The pain and dizzy headaches left me, my eyesight became clear and today I can say I am a well woman, thanks to Foley Kidney Pills."

Head Physician M. W. A.

While not yet reappointed, the re-election of Head Council Talbot at Buffalo last week insures the reappointment of Dr. Cook as head physician of Nebraska. His many friends of this city (and they are legion) will welcome this news with great rejoicing. He made good in the position and will continue to do so. He has made himself very popular with his deputies throughout the state.

The next time you need a sack of flour ask your dealer about the Forest Rose flour and see if he doesn't say it is one of the best grades of flour. Try a sack and be convinced. Sold by all dealers.

Todd-Sheldon Wedding.

A special from Nehawka under date of June 28 gives the following account of the Todd-Sheldon wedding: Today at the home of her uncle, N. P. Sheldon, at high noon took place the wedding of Florence Todd of this place to George C. Sheldon of New York. The ceremony was performed by Rev. J. H. Andress of Weeping Water. Miss Hazel Rowland of Hastings was bridesmaid and John Selleck was best man. Twenty Delta Delta Delta sorority friends of the bride formed an aisle with a daisy chain, through which the bride and groom, preceded by little Morrill Sheldon scattering rose petals, and two flower girls, marched to the middle of the lawn, where the ceremony took place. The couple will leave on the midnight train for Colorado, where they will spend the summer. They will be at home in Nehawka after September 1. Friends were present from New York and from many Nebraska points.

The bride is a niece of ex-Governor George L. Sheldon, and daughter of Louis C. Todd, one of the well-to-do and most highly respected farmers of Cass county.

United in Lincoln.

Miss Sarah Williams of Weeping Water and John Hartje of Roca were married yesterday by County Judge Cosgrave. Following the ceremony a three-course luncheon was served by Mrs. O. A. Anderson, sister of the groom, at 1347 Rose street. Covers for twelve were laid. Mr. and Mrs. Hartje will go at once to the farm of the groom near Roca. Invitations have been given to about 250 people for a reception which will be held at the farm home next Friday evening.—State Journal.

FOLEY'S KIDNEY REMEDY

Is particularly recommended for chronic cases of kidney and bladder trouble. It tends to regulate and control the kidneys and bladder action and is healing, strengthening and bracing.

Will Build Opera House.

Charles Philpot has purchased the lots on the corner south of the M. E. church and will build a two-story brick building. A garage below and opera house above. Plans have not been drawn, but the building will be a good one. The lots, we understand, cost \$1,800. This is a good location. Something the town has long needed is a hall for meeting purposes. Work will probably begin in August.—Weeping Water Republican.
