### MORE REGARDING MRS. ABBOTT'S SUDDEN DEATH

No Arrangements Yet Made for the Funeral of Prof. Abbott's Mother at Fremont.

A special from Fremont, under date of July 18, says: Mrs. Clara Abbott, widow of Dr. L. J. Abbott, one of the early pioneers of this state, died at her home today. Mrs. Abbott was taken ill a week ago and although her death came as a surprise to the entire community, it was not unexpected by the members of the family, who were daily kept in touch with her condition. No funeral arrangements have been made, pending the arrival of her sons and daughters.

Mrs. Abbott, whose maiden name was Clara Culbertson, was born in Troy, Ohio, February 20, 1835. Her father, Colonel Henry Culbertson, fought in the war of 1812. She became the wife of Dr. Luther J. Abbott, September 12, 1854, while the doctor was practicing medicine at Troy. Together they came to Nebraska in the autumn of 1850, being among the pioneers of the state. After residing in Douglas county six years they moved to Fontanelle, where Dr. Abbott practiced for two years.

In 1868 they moved to Fremont and the family home has been here ever since. Mrs. Abbott was the mother of eleven children, six of whom survive. That she was an ideal mother is indicated by the success achieved by her sons and daughters in their chosen fields of endeavor. Keene Abbott, her son, who has of late years forged to the front in literary work, resides in Omaha. Mr. and Mrs. Keene Abbott are spending the summer in Colorado. Another son, Ned Abbott, is principal of the schools at Plattsmouth. Major

John Abbott is located, at Los Angeles, Cal. He has charge of a transport between San Francisco and the Philippines. Luther Abbott and Miss Jane Abbott reside in Oklahoma, the former being a member of the faculty of a college at Alma, Okla., and the latter being state librarian at Alma. Miss Osie Abbott, the artist, has made her home in Fremont with her mother.

#### Selling Real Estate.

From Wednesday's Daily. C. B. Schleicher of Brady, Nebraska, who is here this week visiting with old Plattsmouth friends and relatives, is now engaged in the real estate business, as you will see by his advertisement elsewhere in this issue of the Journal. Mr. Schleicher has sold his interests in the Neekyoke and Pole company that he was the inventor of, which company is located at Brady, and devotes all his spare time to the real estate business. He says the drought has been broken in the western part of the state and they are getting plenty of rain.

#### Wins a Wager.

From Wednesday's Daily. Mr. R. L. Probst motored up from Mynard this morning and met his son, who had been to Omaha for repairs on their thrasher. R. L. also took out a baker's dozen of lemons, which he had won on a wager from "Uncle Billy" Gilmore, who had the nerve to bet that a certain man would never go to the penitentiary.

#### Parson's Poem a Gem.

From Rev. H. Stubenvoll, Allison, Iowa, in praise of Dr. King's New Life Pills. "They're such a health necessity. In every home these pills should be. If other kinds you've tried in vain, USE DR. KING'S. And he well again. Only 25c at F. G. Fricke & Co.

### EAGLE BEACON

Fred Spahnle has been appointed chief of police. We suppose we'll have an automobile patrol now.

Harry Stout and family returned Monday from Dewitt, where they have been visiting relatives the past week.

We understand that Adolph Gihenrath has completed a deal whereby he trades his 80-acre farm for one of 160 acres north of Lincoln.

As far as we can learn Will Bahr holds the record for wheat raising in this part of the country this year. He had thirty-five acres of wheat which yielded better than 50 bushel to the acre.

Mrs. Dillerman has sold her property here to Mrs. Sholtz, who lives near Walton. Fred Spahnle, who occupies the house now, will move into the VanSickle property, which he bought some time ago.

A jolly party of young ladies formed a picnic party to Nemaha yesterday, going down in Ed Carr's automobiles. The names as reported to us were: Margery and Lola Carr, Mamie McAllister, Pearl Betts, Genevieve and Marie Mankers. It is said that the car carried a sign, "The Sweet Sixteen Club."

Word was received by Bert Dopp Tuesday evening that his father, Henry Dopp, had died that afternoon in a sanitarium at Asheville, North Carolina. Relatives here did not know of his illness until they received notice of his death. Mr. Dopp was one of the early settlers here and will be remembered by all the old-timers.

Will Buntens' barn burned last Wednesday forenoon, causing a loss of about \$1,000. The barn contained some wheat and hay. It was a new building and was insured, but it is estimated that the value of the property burned will over-balance the insurance to the above amount. Help was summoned by phone and other buildings were saved by hard work.

#### Escaped With His Life.

"Twenty-one years ago I faced an awful death," writes H. B. Martin, Port Harrelson, S. C. "Doctors said I had consumption and the dreadful cough I had looked it, sure enough. I tried everything I could hear of for my cough, and was under the treatment of the best doctor in Georgetown, S. C., for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so, and was completely cured. I feel that I owe my life to this great throat and lung cure." It's positively guaranteed for coughs, colds and all bronchial affections. 50c and \$1.00. Trial bottle free at F. G. Fricke & Co.

#### Correct Mistake.

Mr. Ben Beckman and Louis Reinhaekel drove in from the farm this morning and looked after business matters. An error crept into the Journal write-up of nomination for road overseer. The Journal should have said that Ben Beckman had filed for the democratic nomination as road overseer in district No. 10, instead of in district No. 9.

### INJURED IN RUNAWAY WHILE WORKING ON FARM

Ed Lamping, Farm Hand, Thrown Against Post, Resulting in Broken Nose.

From Wednesday's Daily.

Ed Lamping, a farm hand, who was loading bundles in a wagon on his employer's farm, ten miles west of Plattsmouth, was severely injured in a runaway yesterday afternoon about 3 o'clock. The team became frightened at two automobiles, which were passing in the road nearby, and before Lamping could reach the lines, which were tied to the upright post at the front of the wagon, the team had gained such headway that the driver could not stop them.

The horses ran with the wagon until it struck a tree and turned over, throwing Lamping off. He alighted on his head on a post and bruised his face badly and was rendered unconscious for a long time. The injured man was placed in an automobile and hurried to Dr. Cook's office in this city, and on examination it was found that in addition to bruising his head, his nose was broken. Dr. Cook dressed his injuries and the man was able to be on the street this morning.

#### Kill More Than Wild Beasts.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malarial and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back, if not satisfied. Only 50c at F. G. Fricke & Co.

#### False Representation.

Plattsmouth, Neb., July 14, 1911. To the Public:

Certain representatives of other makes of gasoline engines have spread abroad in this vicinity many falsehoods and misrepresentations as to "The Chopie Gasoline Engine," and "The Chopie Gasoline Engine company." Therefore, we, the undersigned Board of Directors of the Plattsmouth Commercial club, hereby inform the public that "The Chopie Gasoline Engine Company" is permanently located here. "The Chopie" gasoline engines are guaranteed in workmanship, material and horsepower rating. If it is not as represented your money will be refunded by the company. We have no hesitancy in giving "The Chopie" gasoline engine our fullest endorsement.

#### A Peek Into His Pocket

would show the box of Bucklen's Arnica-Salve that E. S. Loper, a carpenter, of Marilla, N. Y., always carries. "I have never had a cut, wound, bruise or sore it would not soon heal," he writes. Greatest healer of burns, boils, scalds, chapped hands and lips, fever sores, skin eruptions, eczema, corns and piles. 25c at F. G. Fricke & Co.

#### Theratedened an Assault.

The preliminary hearing of John Coon of near Louisville, charged with having threatened to assault Bernard Marley of the Louisville quarries, was postponed last Friday for thirty days. The complaining witness failed to make his appearance and it is rumored that he has left the country and the prosecution will probably fail on that account. Coon was present and ready for his preliminary.—Papillion Times.

Right in your busiest season when you have the least time to spare you are most likely to take diarrhoea and lose several days' time, unless you have Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by F. G. Fricke & Co.

## GIVE MORE POWER

at Least Cost and Last Longest

Why experiment when you can be sure. The I H C line offers engines of proven capacity. It doesn't take an expert to see the many great advantages of I H C construction. You can readily see how I H C cylinder construction gives more power with less gasoline—how the I H C style of governing gives steadier power and economizes fuel—how the I H C cooling system prevents deterioration—how in every way I H C construction is simplest, strongest and best.

Through years of service everywhere, under every condition.

### I. H. C. GASOLINE ENGINES

have stood the test. They have demonstrated by actual experience that for every u e they are just the kind of engine you want.

They are made in various styles and sizes from 1 to 45-horse power for pumping, spraying, sawing, gridding, threshing and operating machines about the house and dairy.

Call and let us show you why the I. H. C. engine will give you most service, most satisfaction with least attention and at least expense. Tell us what you want your engine to do, and we will help you select the kind of engine best suited to your work.

Come in the next time you are in town.

#### Stop and Think!

Why should you pay rent? Why should you buy five acres? Why should you keep your chickens closed up? Break away from it. Come out to a country where your chickens will not scratch out your neighbor's garden. When you buy, buy right, and do not be held up.

#### State Fair Item.

Why not take 20 or 25 acres for the same price as one down here? You cannot support one horse well on five acres, without working out. Quit all this. I will help you to get a bigger and cheaper place.

180 acres for \$2,500; \$1,300 cash and balance five years' time at 6 per cent. All fenced, small house, good well and windmill, small barn, in good settlement and good neighbors, good school and six miles from good town. This is mostly sandy pasture and hay land; you may farm fifteen acres or more. Milk a few cows, raise all the chickens you want and turn them out. Just stop and think. I don't want you to buy at once. Look at a five-acre farm here and then come out and look at 320, 480 or 640 acres. Can it be? Yes it can. We want you in our county, in the best corn country in the state. I have more

places besides this, larger and smaller, all prices and terms. The smaller the place the harder you will have to work. Come out and see me before you buy. I will take care of you and show you around.

C. B. Schleicher, Brady, Neb.

The navy department has secured space in Mercantile Hall for their exhibit at the coming State Fair, September 4th to 8th. In this exhibit will be model battle-ships, each 8 feet in length; a wireless telegraph outfit complete, gun carriages and equipment, complete mess outfit, and in fact everything to interest the boy who has aspirations and ambitions to at some time be of service to his country, should occasion require. The small naval exhibit of last year created such an interest that the officers in charge said that Nebraska's fair was one of the best places in the country at which to make an exhibit.

Mr. and Mrs. Lintia McVey of near Murray were in the city today doing some trading with our merchants.

## Get More Than Usual Value!

YOU know that the best way to be sure of good clothes for your money is to go to a place where none but good clothes are sold. The best way to get more than usual for your money is to go that place where they're offering goods at clearance prices.

That's what we are doing now; we're clearing the stock for Fall goods. Selling Spring suits that you'll be glad to own, and wear, at much under regular prices.
