A New Back for an Old One—How It Is Done in Plattsmouth.

The back aches at time with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Follow the example of this Plattsmouth citizen.

John Mackey, farmer, Third and Dyke streets, Plattsmouth, Neb., says: "Two and a half years ago my back became very lame and I had frequent headaches. The kidney secretions contained sediment and a too frequent desire to void them caused me much annoyance. I was unable to find a remedy that would bring me any permanent relief and I was at a loss to know what to do. Seeing Doan's Kidney Pills highly recommended in the local papers, I procured a box from Rynott & Co.'s Drug Store and began their use. This remedy brought me immediate relief and at the present time my back does not bother me in the least. I am very grateful to Doan's Kidney Pills for what they have done for me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Plenty of Apples.

Our old friend, Tom Frye, of this city, is certainly going to have some apples, from the looks of a small limb he brought to this office. A limb of the tree broke off under its weight of apples, and a branch of that limb was brought to this office, and from the manner in which it was loaded down is evidence that there will be plenty of apples, although small.

SPEAKS WELL FOR RELIANCE INSURANCE CO

W. J. Thomas Receives Letter That Speaks Well for the Reliance Insurance Co.

The following letter from Geo. H. Felthous, president of the Rockwell bank, which was established in 1887, was received at the Omaha office of the Reliance Life Insurance company of Pittsburgh and was handed to W. J. Thomas, their local agent:

Rockwell, Ia., July 15, 1911.

Mr. O. C. Wilson, Supervisor Reliance Insurance Co., Omaha, Neb.

Dear Sir:—We acknowledge receipt of your company's voucher for \$986.20, in payment of the full amount due under policy No. 26654 for \$1,000, on the life of John L. Gallion, who died April 6, 1911. The second annual premium of \$31.60, which was due on March 29, 1911, and unpaid at the time of the insured's death, has been properly deducted from the amount of the policy.

The proofs in this case were completed on the 13th of this month, the delay having been caused by the refusal of the father, who does not believe in life insurance, to permit the proofs to be completed. It speaks well for your company thus to meet its just obligation, that it sent its representative here to complete the papers in order that it might pay this claim. Yours truly,

(Signed) Geo. H. Felthous, Administrator.

Talk About Plattsmouth.

From Wednesday's Daily.

Chancellor Phillips of Cambridge was in the city a few days ago on business, and in a casual conversation with a member of the Commercial club he remarked that Plattsmouth's position was evidently being restored to its proper place on the map of Nebraska. He said: "Everywhere I go I hear the name of Plattsmouth mentioned, and what a business-like Commercial club they have." This is but one instance in many. Plattsmouth is talked about everywhere. The writer was asked in Fremont Tuesday if our Commercial club was not doing great things for Plattsmouth? That we must have some pretty live wires in that organization, as they were surely letting people in all sections know that Plattsmouth was alive and ready to encourage people to locate here. The club is doing good work and the results are pleasing to the members of the club, as well as to everyone who has the interests of Plattsmouth at heart.

Honest Medicines Versus Fakes.

President Taft's message suggesting an amendment to the Pure Food and Drugs law in its relation to Prepared Medicines, does not refer to such standard medicines as Foley's Honey and Tar Compound and Foley Kidney Pills, both of which are true medicines carefully compounded of ingredients whose medicinal qualities are recognized by the medical profession itself as the best known remedial agents for the diseases they are intended to counteract. For over three decades Foley's Honey and Tar Compound has been a standard remedy for coughs, colds and affections of the throat, chest and lungs for children and for grown persons, and it retains today its pre-eminence above all other preparations of its kind. Foley Kidney Pills are equally effective and meritorious. For sale by F. G. Fricke & Co.

friends, and proceeded to make the time pass pleasantly in games and music. Dainty refreshments were also served.

Those who enjoyed this delightful affair with Mr. and Mrs. Porter were: Muriel Mullis, Celia Taylor, Irma Kalopiek, Hanna Burgreen, Mr. and Mrs. Phil Rihn, Ratis Taylor, George Morrison, Jess Brady, John Cloida and Joe Hiber.
