A Juvenile Band.

Having talked with the parents of a number of musically-inclined boys between the ages of 12 and 16 years about the organization of a juvenile band, I believe that there is a demand for such an organization, and I will be glad to call on parents who are interested in having their boys in the band, if it is organized. Call me up and I will talk matters over with you. E. H. Schulhof, Director Plattsmouth Band.

WOODEN LEG BEGGAR RUN OUT OF TOWN

Fellow Carried a Big Stick and He Was Extremely Rude in His Language.

That exceedingly fresh beggar that made this town yesterday was given one hour to leave town this morning by Judge Archer, after Chief Rainey had brought the fellow before the judge. The beggar was a big fellow, who carried a very heavy cane. If he was turned out he became a little stronger in his requests, usually ending up with something smart, or even an insult. Several complaints were made to the police about him.

A good place for such a man is on a rock pile. The fellow's only affliction was a wooden leg beneath his trousers, which he usually hit a good, strong lick with the cane to prove that it was wood and not flesh and bone. As the sound was something like that of hitting a post with a club, the leg was probably wood all right.

THERMOMETER PASSES THE HUNDRED MARK

At 1 O'Clock the Mercury Stood at 102, With Prospects of Going Higher.

Good old August weather is certainly here, the kind that suggests electric fans and Canadian summering places. It came yesterday and is staying with us awhile, apparently. The thermometer passed the 100 mark yesterday, and today at the Burlington depot, where the thermometer is placed like those of the federal weather bureau, the temperature stood at 102 at 1 o'clock, with every prospect of going higher. It was 86 at 8 o'clock this morning.

At Kansas City yesterday the mercury reached 103. The heat wave is general over the west. Relief is promised by today's forecast.

The tennis tournament at Omaha has narrowed down to Winston of Norfolk, Hayes of Chicago and Siverd and Rendell of Pittsburg. In the first round of the consolation singles yesterday Hadley of Sioux City beat George Falter of Plattsmouth, 6-2, 4-6, 6-4. Falter must have done some mighty good work in this contest, as he took the second set, 6 to 4.

In the second round of the double, Adone and Shelton of Dallas, Texas, defeated Falter and Morgan of Plattsmouth, 6-1, 8-6 and 6-1. This shows that the local boys were there with both feet, as the Texas players are stars. The local boys are out of it now except in the consolation doubles.
