SWALLOW HILL THE SCENE OF PLEASURE YESTERDAY

The Jolly Eight Card Club the Participants, and the Rain Descends Upon Them.

Swallow Hill was made the scene of a most enjoyable picnic yesterday. The members of the Jolly Eight Card club, there being thirty in the company, chartered two carryalls early in the morning and drove to this favorite point to spend the day in a picnic manner. Upon their arrival at the picnic grounds the remaining few hours of the morning were most delightfully spent at various amusements incidental to a picnic, and then at the noon hour all sat down to a most excellent picnic feast and did participate in a fine picnic dinner for the picnicers did bring many baskets filled with eatables. After having eat until they could eat no more and then some, the jolly company devoted the afternoon to some more sports.

A number of the party had been fishing during the morning and so they continued fishing the rest of the day and we have it very confidential from one of the members of the party that they did not catch anything and were sure disgusted. The fishing stunt was very pleasantly interspersed with that of taking pictures of the picnicers in different ways. But the principal amusement was derived from standing in the rain. The ladies had not taken a single umbrella or wrap of any sort, little dreaming of such good fortune as a rain of real wet water. Then, too, this fine rain came up just as the ladies were partaking of a lunch consisting of ice cream and cake.

Nevertheless, rain it did, and then rained some more, and as the carryalls had returned to the city and would not be sent out until a late hour in the evening, the picnicers were compelled to simply stand in the pouring dew-drops and did get a thorough drenching. The ladies are of the opinion that all credit for this fine rain is due to them, and if this be so, we trust they will plan picnics not so few and far between. The ladies returned to their homes after the second shower, having had a fine outing in spite of the inhospitable treatment of the elements.

Many Thanks to Friends.

I feel very grateful to my friends for the honor conferred in nominating me for sheriff of Cass county upon the democratic ticket. In the event that I am elected I will endeavor to perform the duties of the office to the satisfaction of the people of the county. I take this method, also, of returning my most sincere thanks for the very flattering support given me in the primary, with the hope that the verdict of the voters on the 7th day of November will approve of the choice the democrats have made for the responsible position of sheriff. Very respectfully, Don C. Rhoden.

A well known Des Moines woman, after suffering miserably for two days from bowel complaint, was cured by one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by F. G. Fricke & Co.

Miss Lucille Bates is not so well today, having spent a very bad night, the worst, in fact, since she has been confined to her bed. We hope we can report her condition considerably better tomorrow.

ROSE AND HAMER LEAD FOR JUDGE

Letton Third Man on Republican Judicial Ticket.

COBBEY AND ROOT TRAILING.

Dean and Oldham Head Democratic Ticket With Ex-Congressman Stark a Close Second—Harman and Furse Have Tight Race for Railway Board.

Omaha, Aug. 17.—Returns from the state primary election have been received complete from fourteen counties, including Douglas and Lancaster, on supreme judge. While this is insufficient to indicate positively the nominations for these offices, Judge Hamer and Judge Rose appear nominated with their votes in size in the order named. Judge Hamer is making a strong race and when the western counties are heard from, his total is likely to take another jump.

Judge Letton in the counties heard from is third and probably will be the third man on the ticket. Judge Cobbey and Judge Root are running nearly even, below Letton.

On the democratic ticket Judge Oldham leads, with Judge Dean second and ex-Congressman Stark third.

Figures on fourteen counties complete on Republican supreme judge are as follows:

Cobbey	7,970
Davidson	5,086
Epperson	5,061
Hamer	9,181
Letton	7,593
Macfarland	6,228
Root	7,079
Rose	8,993

Figures from fourteen counties on Democratic supreme judge are:

Albert	3,875
Dean	4,634
Everson	2,631
Oldham	4,933
Stark	4,518
West	3,652

Beebe Leads Hall. For Republican railway commissioner, Beebe leads Hall in thirteen counties, including Douglas, by about 600 votes. Hall is a Lancaster county man, brother of George Hall of Franklin, late Democratic candidate for state treasurer, and is running strong, though so far Beebe has consistently maintained his lead at all stages.

On the Democratic side Harman and Furse are going it neck and neck, with Harman having slightly the advantage.

The only other contest is for Democratic regents. Miller and Knapp of Lincoln are leading, Miller receiving an unusually heavy vote.

Run Over by Cars; Dies of Shock.

Wymore, Neb., Aug. 17.—Jason Reed, aged fifteen years, was terribly mangled here by being run over by the cars. The boy was trying to catch onto a car in the yards while the switch crew was making up a train and in some way he lost his balance and fell under the car, the wheels passing over both legs above the knees, crushing the bones and tearing the flesh into strips. Reed died of the shock.

Injured in Auto Spill.

Fremont, Neb., Aug. 17.—When an automobile in which he was riding from Snyder to Dodge turned turtle, Dr. George Byers was probably fatally injured. His skull was fractured and he received several other serious injuries. He was rushed at once to Omaha, where he could receive expert surgical attendance. It is feared by his friends that his injuries will prove fatal.

Omaha, Aug. 17.—An effort to name the nominees on the state ticket must still be based mostly on guesswork, though some degree of aid is offered in the returns now in. These include three counties complete, Seward, Merrick and Grant, 250 scattering precincts in the state and Douglas county with seven country precincts missing.

South Omaha Viaduct Burns.

South Omaha, Aug. 17.—Fire, supposed to have been started by lightning, badly damaged about 200 feet of the L street viaduct and destroyed a number of the cattle pens and dehorning and branding sheds belonging to the Union Stock Yards company. The loss is estimated at \$10,000.

Columbus, Neb., Aug. 17.—Complete returns of Platte county give Chris Gruenther 1,003 majority over Louis Hold for clerk of the district court.

ELECTION OFFICIALS SHOULD MAKE COPY OF RETURNS FOR THE PUBLIC

Will Be Friday Before Some of the Candidates Know They Are Victorious or Defeated—Little Known About the Vote on the State Candidates—Official Returns Tomorrow.

The returns of only eighteen of the twenty-five precincts of Cass county were known in the office of the county clerk today. The returns from the seven missing precincts are in, but are sealed and they cannot be opened until the canvassing board meets in official session tomorrow morning. It seems that no copy of the returns were made in these seven precincts, and consequently the complete returns for the county will not be known until Friday. The failure of the officials in these precincts to make copies of the returns has been criticized, as the public is always anxious to hear the returns early, and the candidates themselves want to know whether they have been elected or defeated. The race between Fricke and Fox is so close that neither can be sure of election or defeat. Scarcely any attention was paid to reporting returns on the state candidates.

The eighteen precincts heard from give Fox a total of 331 votes and Fricke 319, a majority for Fox of 12. Fricke carried the First ward in Plattsouth by 8, the second by 33, the Fifth by 9, and lost the Third by 1 and the Fourth by 3. Fricke carried Mt. Pleasant, 16 to 12; Eight Mile Grove, 26 to 8; Nehawka, 15 to 8; Plattsouth precinct, 25 to 17. Fox carried Tipton, 7 to 4; Greenwood, 16 to 0; Salt Creek, 23 to 5; Stove Creek, 16 to 6; Center, 17 to 7; Louisville, 19 to 7; Liberty, 24 to 21; First Rock Bluffs, 35 to 24; Second Rock Bluffs, 15 to 11.

For the republican primary nineteen precincts have been heard from for unofficial returns. These give Egenberger a total of 475 votes and Warner 397, a majority of 78. Egenberger carried the First ward in Plattsouth,

27 to 25; the Second, 33 to 24; the Fourth, 39 to 14, and the Fifth, 10 to 5; in the country he carried Salt Creek, 35 to 20; Stove Creek, 87 to 33; Mt. Pleasant, 13 to 6; Eight Mile Grove, 19 to 10; Nehawka, 49 to 19. Warner carried the Third ward in Plattsouth, 34 to 31; Tipton, 25 to 20; Greenwood, 21 to 7; Center, 18 to 10; Louisville, 36 to 27; Liberty, 29 to 24; First Rock Bluffs, 19 to 13; Second Rock Bluffs, 8 to 1; Plattsouth precinct, 31 to 9; Weeping Water Second ward, 20 to 19.

Nineteen precincts give Robertson for the republican nomination for district clerk, 498 and Douglass 393, a majority for Robertson of 105. Robertson carried the First ward in Plattsouth, 35 to 19; Tipton, 26 to 22; Greenwood, 17 to 11; Salt Creek, 34 to 31; Stove Creek, 83 to 39; Louisville, 52 to 14; Nehawka, 62 to 9; First Rock Bluffs, 24 to 7; Weeping Water Second ward, 23 to 16. Douglass carried the Second ward in Plattsouth, 38 to 22; the Third, 35 to 28; the Fourth, 27 to 22; the Fifth, 9 to 7; Center, 19 to 10; Mt. Pleasant, 11 to 8; Eight Mile Grove, 21 to 7; Liberty, 34 to 22; Second Rock Bluffs, 6 to 2; Plattsouth precinct, 25 to 14.

The other contests were one-sided and will not be given by precincts until the official returns are in. Nineteen precincts give Beeson for the republican nomination for county judge, 649 votes and Deles Dernier, 275, a majority of 374 for Beeson.

Rhoden, with eighteen precincts heard from, has 454 to 169 for Barton, a majority of 285.

The returns on the state officers were not reported and won't be known till the canvassing board meets.

Health Restored.

E. O. Mayfield, the old-time Omaha newspaper man, best known as "Rex M.," who has been absent from Omaha for about eight years and who returned here early in the spring broken in health, is home from the west, where he has been rusticiating in the open air under the advice of his physician. He has regained perfect health and says he is in better condition than he has been for ten years. For the past 8 years Mr. Mayfield has been one of George A. Joslyn's managers, during which time he has reorganized houses for Mr. Joslyn at Kansas City, St. Louis, Memphis, Tenn.; Des Moines, Iowa, and Cleveland, Ohio. For a number of years Mr. Mayfield was connected as a writer with the World-Herald. It is not known whether he will return to active newspaper work or will continue with Mr. Joslyn. His many Omaha friends trust he will remain in Omaha.—Omaha World-Herald.

The Journal is pleased to learn of Gene's restoration to health. He is a Cas county boy and well known as a newspaper man in several towns in the county. He is a brother of L. J. Mayfield of the Louisville Courier, where he

was reared to manhood and where he got his first lessons in type-setting. May he live always.
