**ELMWOOD.**  
Leader-Echo.

A. C. Ferguson and family spent Sunday with Mr. and Mrs. Geo. Adams, near Union.

Mrs. Hart, sister of Mrs. Cyrus Alton, has returned to her home in Indiana, Dr. Alton accompanying her.

Ralph Uhley returned home from Falls City Monday morning, where he has been holding down an operator's job for the M. P.

George Steehr and family visited over Sunday in Plattsmouth at the home of Mrs. Steehr's parents, Mr. and Mrs. Conrad Meisinger.

Rev. Davis went to Omaha Tuesday to see Mrs. Davis. He brought home the good news that Mrs. Davis continues to improve.

C. A. Burcham and wife of Lincoln were Monday guests at the home of Mrs. Steehr's parents, Mr. and Mrs. Conrad Meisinger.

Rev. Davis went to Omaha Tuesday to see Mrs. Davis. He brought home the good news that Mrs. Davis continues to improve.

W. E. Rosencrans and son, Clate, came out from Plattsmouth Tuesday evening in his car, returning Wednesday, accompanied by Miss Baker and daughter and Miss Hanna Dettman.

Harry Williams left Tuesday with some landseekers for Canada. There were 200 tickets sold to Canadian landseekers on this one day.

Leonard McLaughlin and Miss Louella Beaver were married in Lincoln Friday of last week. This paper joins their many Elmwood friends in extending hearty congratulations.

Dan McNeely died Wednesday afternoon about the hour of 2 o'clock. Funeral services will be held this (Friday) morning at 10 o'clock from the Christian church. We shall try to have an obituary for next week.

The contractor, who was to have commenced work last Tuesday on our new school house, did not do so, but forfeited the amount covered by certified check rather than commence the job. So we will have to wait a spell yet.

R. D. Bailey has sold his ice house and business to Stephen Gyger, the latter to take possession after ice deliveries have been made for the season. Mr. Bailey and family will move to Florida, where they will occupy an eighty-acre truck gardening farm. We shall dislike to see them leave here, but as they consider it best for their personal welfare, their many Elmwood friends will hope that such will be the case, and that they will be blessed with friends as numerous in their new home.

**Attack Like Tigers.**

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then seeps pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes G. T. Budahn, of Tracy, California. "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c at F. G. Fricke & Co.

**Congratulations, Gus.**

From Wednesday's Ditty.  
The Journal received a 'phone message this morning apprising it of the fact that Gus Myers had been nominated by the republicans of Lancaster county for sheriff. This is good news to the citizens of Plattsmouth, where Gus spent his boyhood days, and is a son of Rube Myers, who was sheriff of Cass county for several years and then warden of the state penitentiary. The very large vote Gus received at Havelock shows the high esteem in which he is held by his home people. He received about 400 majority in Havelock, and this was increased to over 600 in Lincoln and the county. We extend congratulations, knowing full well that he will fill the office to the entire satisfaction of all concerned. A republican nomination in Lancaster county is equivalent to an election.

**Funeral of Infant.**

A child, which was born yesterday to Mr. and Mrs. E. L. Spies, died at birth, and the funeral was held at 10 o'clock this morning. The funeral was private.

**VERIFY IT**

The Proof is in Plattsmouth, Almost at Your Door.

The public statement of a Plattsmouth citizen is in itself strong proof for Plattsmouth people, but confirmation strengthens the evidence.

Here is a Plattsmouth citizen who testified years ago that Doan's Kidney Pills relieved sick kidneys and now states the cure was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Herman Tiekotter, Ninth and Day streets, Plattsmouth, Neb., says: "I never used another medicine that brought as great benefit as Doan's Kidney Pills. My kidneys were disordered and there was a dull, tired ache across the small of my back that distressed me a great deal. If I stooped my back pained severely, and in the morning when I arose I felt as tired as when I went to bed. Hearing Doan's Kidney Pills highly praised, I procured a box at Rynolt & Co.'s Drug Store, and it was not long before I was entirely relieved." (Statement given June 8, 1906).

NO TROUBLE SINCE.  
On December 29, 1908, Mr. Tiekotter said: "I cheerfully confirm my former endorsement of Doan's Kidney Pills. I have had no trouble from my kidneys since this remedy cured me."

**MISSOURI PACIFIC BRAKE-MAN MINUS A HAND**

Halley Delaney of Union Loses His Right Hand at Nebraska City.

Halley Delaney, a Missouri Pacific brakeman, and one of the most efficient men in the company's train service on this division, so badly mangled his right hand shortly after noon Sunday that it was necessary to amputate the wounded member, says the Nebraska City Press.

Delaney, who is a member of the switching crew, ate dinner with his wife at Union, his home, on Sunday and came at once with the crew to do some work in the Nebraska City yards. He attempted to couple two cars and, in some manner which will probably never be known, he slipped and fell, his right hand falling over the rail and the heavy car at once passing over it.

T. D. Brown's automobile was at once pressed into service and the injured man taken from the place of accident, near the freight depot, to the office of Dr. S. S. Wilson. Dr. Wilson and Dr. C. D. Crudup at once examined the injury and came to the conclusion that amputation was necessary. The wrist was crushed and mangled and the fingers on the hand smashed and hanging by mere threads. Delaney was given an anesthetic and amputation performed. He was taken home in the afternoon and Sunday night he was sent to St. Louis to the Missouri Pacific general hospital, where he will receive the proper care.

He was one of the best brakemen in the service of the company and his injury will cause the company to lose a splendid man, according to the statements of the train men who know him so well. It is quite likely that he will be unable to again enter the service of the company in the train department.

Accused of Stealing.  
E. F. Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says. "As a healing remedy its equal don't exist." Only 25c at F. G. Fricke & Co.

M. W. A. Log Rolling.  
Frank Sheldon, the merchant prince; John Wunderlich, John Whiteman and Dr. Thomas, all of Nehawka, were here today in the interest of the M. W. A. Log Rolling at that place next Saturday, August 19. Plattsmouth should send down a large delegation, remembering that Nehawka always treats her guests in the most hospitable manner.

**NARROW ESCAPE FROM SERIOUS INJURIES**

Pony Gets Scared at Auto and Runs Away, but Occupants of Rig Escape Without Injury.

On Monday afternoon, when Mrs. Ohlenhouse and Miss Emma Warner, daughters of Mr. and Mrs. Charles Warner, were driving to Plattsmouth they came very near meeting with a serious runaway accident. About four miles from this city they met Mr. Ossenkop of Louisville, returning home from Plattsmouth in his big red and black automobile, at which the pony that the ladies were driving became frightened and ran away. This was rather unexpected by the ladies, as the pony had become accustomed to their auto and they thought such would be the case at this time. Possibly the change in color in the machine was the cause for the runaway.

The ladies were ragged for some distance in the top of the buggy after it had been turned over, but the top was broken off, which permitted the ladies to escape uninjured, otherwise the results might have been very serious. The ladies were slightly bruised, but no bones were broken. The buggy was the one that Mr. Warner purchased from August Gorder a few days ago, and otherwise than the demolished top it was uninjured.

Mrs. R. A. Wilson returned to Omaha this afternoon, after visiting between trains with Mrs. Chris Mockenhaupt.
