Miss Winifred Abernathy departed Monday for Lyndon, Ill., to join Mrs. Ambler and make an extended visit.

Born—to Mr. and Mrs. J. D. Wade, on Thursday, August 10, 1914, a daughter. Glad parents? Why, of course.

Sam Rector and family, who recently moved to Webster City, Iowa, have returned. Sam says some more would return if they had the necessary.

James Forbes, farm hand, working for John Bourke, is lying in the Elmwood hospital and very ill from the effects of injuries received Friday morning.

S. J. Armstrong has moved back from Omaha. There seems to be some drawbacks to living in a city that overbalances those in Weeping Water, and we are glad the family has concluded to locate here again.

Oscar Johnson, the all around jolly landlord of Cozad, came to town Monday night and visited his parents, Peter Johnson and wife. Oscar says he has been having a good business, and that the corn crop looks good.

Mr. Forbes, who is a man 58 years old, went out to harness a team of horses, and while fitting on some collar pads, slipped down under the horse and was tramped on. His injuries are fractured ribs, bruised chest and back.

S. J. Green has moved back from Nebraska City. His residence here was vacant and he concluded that he could better afford to occupy it than work away and pay rent.

Mrs. G. R. Gilmore and family returned home Saturday night. She stopped at University Place and was looking for a house, as they think they may decide to live there.

Fred Lau and family returned home last Thursday from their visit to Detroit, Mich., and with relatives in Ohio. It was not until his return that he learned of his father's death, which occurred last week. The old gentleman was 78 years old.

Miss Nellie Harper of Hastings is here visiting with her mother, Mrs. Frank Pettit.

Mrs. Will Ossenkop was called to Plattsmouth this week on account of the illness of her sister, Mrs. Frank Schlater.

Miss Katherine Richey returned home Tuesday after a week's visit with friends in Lincoln; she was accompanied by her friend, Miss Dorothy Pettis, who came down to attend the carnival.

Our old friend, Magnes Nelson,

met with a painful accident Thursday at Richey's sand pit. He was blasting some stumps with dynamite and did not get to a safe distance when the explosion occurred. A large stump struck him in such a manner as to break one of the bones of his right ankle. A local physician attended him and he is resting as well as could be expected.

The happy marriage of two popular young people, Miss Dora Stohlman, the charming daughter of Mr. and Mrs. William Stohlman, and Charles Gaebler, son of Mrs. and Mrs. C. J. Gaebler, occurred at the German Lutheran church recently, the ceremony being performed by Rev. Theodore Hartman, the pastor. After the solemnizing of the marriage a reception was given at the bride's home, which was largely attended by relatives and numerous friends of both parties. The Courier extends to the happy pair hearty congratulations and wishes them a long and happy voyage on the matrimonial sea.

#### Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, California, "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them, 50c at F. G. Fricke & Co.

#### NEHAWKA.

News.  
Henry Gruber and his force are making some improvements at the school house this week.

Hazel and Clarice Banning of Seward are visiting their uncle, J. E. Banning and family.

L. C. Todd and wife left Thursday for an outing of several weeks among the pleasure resorts of Colorado.

Tuesday was a record-breaker for freight loaded at Nehawka, 35 cars being sent out. This was enough to make a good-sized train.

D. C. West and F. L. Nutzman left Monday for Georgia, where they will investigate further the land proposition that D. C. was down to see about some time ago.

Pollard & Son will ship out three cars of apples this week and afterwards will average three cars per week until the entire lot of over 50,000 bushels is disposed of.

E. A. Kirkpatrick received 58 votes at the primary Tuesday for justice of the peace and Henry Rechner 61 for constable. As no opposition appeared nomination is equivalent to election.

Miss Smith of Pawnee City has been employed to teach the intermediate room the coming school

year, and we understand the board is negotiating with a Miss Patterson of Lincoln as principal.

Charles Christwiser has purchased a pure bred saddle horse of the Kentucky or Old Crow brand, just which we did not learn. However, he is fast enough for Charlie to get around on, and has as many different gait as a saw-horse. We are indebted to Wes Magney for our information.

Harve Beckner, who has been suffering with an obscure trouble for three or four months, and who has been trying to get relief from the doctors at Omaha and Lincoln, was operated on last Thursday at his home across the creek, and about a pint of pus removed from an abscess that had formed on his liver. His condition has improved considerably since the operation.

#### Accused of Stealing.

E. E. Chamberlain, of Clinton, Mo., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c at F. G. Fricke & Co.

#### UNION.

Ledger.

Mrs. Obe Pickering of Hartington departed for home Wednesday morning, after spending two weeks with her parents and other relatives and friends in this vicinity.

Roy Jones, who grew up from "kidhood" in this village and later made his home in Thurston county, arrived Tuesday night and went on duty as "third trick" operator. He expects the position to be permanent, and his wife and babe will join him here in the near future.

Ezra Williams of Belleville, Kansas, was one of the many happy people who spent Friday and Saturday at the reunion. Uncle Ezra always has his smile on, and said that his only objection to the reunion was that there were so many people present he couldn't visit long enough with all the old friends he met.

Edward Pittman, who has been conducting a barber shop at Plainview, has sold his interests there and came last week to visit several days with his parents and other relatives while his wife is visiting her parents at Riverton, Wyo. Ed will go from here to the Pacific coast and expects to locate and go into business in one of the cities.

Dr. I. C. Munger expects to leave next Monday for Calgary, Canada, where he will spend about two weeks looking after the wheat crop on the land he owns there. Dr. C. L. Bowman of Lincoln will have charge of his practice while away.

Jerome Bardick, one of our energetic farmers living south-east of town, had the misfortune to receive a very painful injury to his hand on Tuesday. While un-hitching for dinner one of the horses kicked him on the hand in such a manner as to break a bone, and he will be on the shelf for a few weeks to come.

John Becker was badly injured picnic night by being struck by the pilot beam of the midnight train. He was standing at the depot and on account of the large crowd waiting to board the train he was unable to get a safe distance from the track, and was struck in the abdomen and is now under the care of a physician.

Thomas Allen, one of the pioneers of this vicinity, passed away last Thursday morning at the home of his son, J. D. Allen, with whom he had made his home for a number of years, the cause of death being old age and a general break-down. His death removes from our midst one of the most highly respected old settlers of the community.

Elmwood friends have received word from Elder L. A. Chapman of the death of his mother at Shreve, Ohio, on Thursday, August 3.

Fred O. Mueller of Tripoli, Ia., is here on a visit to his parents, Mr. and Mrs. Adolph Mueller, and others relatives and friends.

J. E. Berger of Denver, Colo., came in Tuesday morning for a visit with his brother, G. L., whom he had not seen for twenty-two years. He was accompanied from Lincoln down by Miss Flora Berger, who is nursing in the capital, and Mrs. William Stander of Louisville.

Fred Mueller was out Friday for the first time since his confinement with typhoid fever. He had his picture taken at this time, having very much the appearance of a Jew, with the large crop of curly black whiskers grown during his period of incarceration. He came down town again Saturday and had the whiskers removed. Fred is feeling fine now and has an appetite for bear.

G. L. Berger returned Saturday from a trip to Union and Plattsmouth, being accompanied home by Mrs. Berger, who met her husband at the Union picnic. While in Plattsmouth Mr. Berger attended the Manker funeral and visited the old spot on the river bank where he landed on Nebraska soil April 28, 1857. The old post that served as a tie-up post for boats in them days still sticks in the mud close to the B. & M. depot, but far from the river's present course.

#### Seemed to Give Him a New Stomach.

"I suffered intensely after eating and no medicine or treatment I tried seemed to do any good," writes H. M. Youngpeters, Editor of The Sun, Lake View, Ohio. "The first few doses of Chamberlain's Stomach and Liver Tablets gave me surprising relief and the second bottle seemed to give me a new stomach and perfectly good health." For sale by F. G. Fricke & Co.

## WILL BARNHART MUST GO TO REFORM SCHOOL

### Bright Looking Little Chap Would Not Obey His Grandparents Who Kept Him.

William Barnhart, a 14-year-old boy, living with his grandparents, Mr. and Mrs. William A. Barnhart, in Plattsmouth, was sent to the state reform school today by Judge A. J. Beeson of the county court. According to the testimony the boy has committed no crime of any kind, but refuses to mind his grandparents. The boy's father died a couple of years ago and his mother's whereabouts are unknown, the last heard of her being from Kansas City.

Will would not mind his grandmother, who is a woman 60 years old, and he was pretty bad at school. He is a nice looking little chap and hasn't the bad boy look. His mother must have been of some southern European race, as he has large brown eyes and a face with other Italian marks. He is a boy that with the right handling would probably develop into a bright young man, and it is unfortunate that he must go to the reform school, although he will be better off there than at a home where he could not receive strict discipline for a few years.

Buy it now. Now is the time to buy a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over. This remedy has no superior. For sale by F. G. Fricke & Co.

### Will Have Good Corn.

Mr. and Mrs. John Claus spent last Saturday and Sunday at the farm home of Mr. and Mrs. Z. W. Shrader and on Saturday afternoon attended the Log Rolling at Nehawka. They report a very pleasant visit, and in conversation with Mr. Claus since his return he calls our attention to the fact that our friend, Zack Shrader, is going to have some corn this year. Mr. Claus says he has 100 acres that will make fully forty bushels to the acre. Mr. Shrader lives north of Nehawka and has been in what has been called the dry belt this season.

Cuts and bruises may be healed in about one-third the time required by the usual treatment by applying Chamberlain's Liniment. It is an antiseptic and causes such injuries to heal without maturation. This liniment also relieves soreness of the muscles and rheumatic pains. For sale by F. G. Fricke & Co.

Henry Reickmann of Murdock has filed a petition for naturalization. He was born in Glurigen, Germany, in 1860, and came to this country in 1884.
