**Why Jones Left Home.**

Clyde Jones was fined \$5 and costs yesterday morning by Judge Archer for fighting at the ball grounds. He asked permission to go out and get the money. He was given till noon to get it. At noon he asked for a further extension of time, as his friends all said they were broke. He did not show up last evening and the presumption is that he could not raise the money and left town rather than go to jail.

**Don't Pull Down Your Town.**

When you pull down the town in which is your home, you are pulling down yourself, and when you build up you are building up yourself and your neighbor. Try and banish from your mind the mistaken idea that all good things are away off in some other locality. Give your town all the praise it can legitimately bear. It certainly will do you no harm and will cost you nothing; and above all, patronize your home institutions.

**Visit the Schools.**

Few people have any idea what an incentive it is to both teacher and pupils to know that parents and outsiders are taking a lively interest in their work. We believe the "little folks" at school appreciate such interest more perhaps than the larger ones. Still the effect is not lost on any of them, and we hope every parent will take a hint from this and place the public schools on their visiting list.

C. Shomaker and son, Edwin Shomaker, of the vicinity of Nehawka were visitors in the city today looking after some business matters, and while here Mr. C. Shomaker called at this office and had his name placed on our large list of subscribers to this paper.
