SERENADERS GET THEMSELVES INTO WRONG PEW

Awake an Old Bachelor From His Peaceful Slumbers and Get Fooled.

A double quartet of male warblers, whose names we are not permitted to mention, while out serenading their sweethearts last night, thought of giving Jesse Brady and wife a song or two just for luck. The singers selected a residence in the vicinity of where Jesse Brady had informed them was the domicile but it seems they got the wrong number of the dwelling.

After they had made the night redolent with a few of their choicest selections, and thinking it was time for the groom and bride to come to the door and express their high appreciation of their vocal powers, one of the bravest of the night choir went to a window of the darkened home and flashed his beacon lantern into the bed room. It was then discovered that the house was occupied by a lone bachelor, and he was peacefully reclining on his downy couch and had not yet become aware that he was suspected of having recently taken a life partner. The glare of the light awakened him and he alighted on the floor, grabbing his trousers, got hastily into them and reached the door in time to see the double quartet vanish in the shadows of the weeds.

Later on they found the residence inhabited by Mr. Brady and did their former stunts all over, much to the gratification of Jesse and his wife, who had heard the first efforts of the choir to charm their bachelor neighbor.

Better be more careful next time, boys, as some bachelors keep guns and might do you harm before they thoroughly awake to your innocent sport.

Wayne and Will Propst were Omaha passengers on the fast mail today.

New "Hog Head" Arrives.

Now, there are no doubt a great many of our readers who do not know just what a "Hog Head" is, especially in the terms in which it is used here, but when we say that a new "Hog Head" has arrived at the home of our jovial friend, Julius Neilson, there will not be a railroad or shop man in the B. & M. shops that will not know just what we mean. We are also informed that O. J. Wallengren expects to resign his position on the "Dinkey" to make room for the new arrival. Now, this is plain talk among the railroad boys, but for fear that many of our readers may not understand the terms used, we will add that the stork made the home of Mr. and Mrs. Neilson a visit on Saturday of last week and left in their care a new, bouncing baby boy. Both mother and little one are getting along nicely and we will wager that Julius is the happiest engineer on the Burlington system. The term employed above simply means an engineer among the railroad boys, and the time will no doubt arrive when the little stranger will make as fine an engineer as his father.

Bilious? Feel heavy after dinner? Tongue coated? Bitter taste? Complexion sallow? Liver needs waking up. Doan's Regulax cures bilious attacks. 25 cents at any drug store.

W. J. O'Brien Here Today.

W. J. O'Brien superintendent of the state fisheries at South Bend, was in the city today, coming down with his fish car, and placing it in the Burlington shops for repairs. He remained in the city a few hours only, going to Omaha on the afternoon train. Mr. O'Brien is one of those jovial fellows with whom it is always a pleasure to meet, and the Journal is mighty well pleased to have him enrolled upon our large list of friends.

HELPFUL HINTS ON HAIR HEALTH

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hatband is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Plattsmouth only at our store—The Rexall Store. F. G. Fricke & Co.

Overworked People.

The majority of working people are suffering from overwork without knowing it. They are working from day to day, either physically or mentally; even then when they need rest and recreation. Their nerves gradually weaken, their muscles lose their elasticity, their appetite is poor. Some of them try to regain their strength by using strong liquors, which is a serious mistake. Instead of weakening their stomach, they should strengthen it, so it could accept and digest more food; they should strengthen the nerves, to make them to stand the steady excitement; they should purify their blood to make the circulation regular. They should use Triner's American Elixir of Bitter Wine, which will regulate the work of all digestive organs. In diseases of the stomach, the liver, the intestines and the nerves you cannot find a remedy as dependable as Triner's American Elixir of Bitter Wine. At drug stores, Jos. Triner, 1333-1339 So. Ashland Ave., Chicago, Ill.

Entertains Card Club.

The members of the Jolly Eight Card club were most delightfully entertained by Mrs. Flora Waddick at the home of Mrs. Ed Martin yesterday afternoon. The usual fascinating card games were entered into with much interest and enthusiasm, there being seven games played. Mrs. J. Lutz captured the first prize and was first presented with a huge bunch of parsley, after which she was awarded with a beautiful hand-painted plate. Mrs. A. Kroehler won the booby prize and received a pin tray. Following the card games a few moments were spent in social conversation and other amusements. At the hour of 4:30 a most excellent luncheon was provided by the hostess, which materially added to the pleasures of the afternoon. The members of the club present were: Mesdames J. Lutz, A. Kanka, J. P. Sattler, W. Honrichsen, J. Waga, N. W. Chrisinger, A. Kroehler, C. R. Burdick, W. Mason, O. Grosskary, Misses Rose and Pearl Mumm.
