GREAT COUNCIL OF RED MEN IN SESSION AT LINCOLN THIS WEEK

Judge Sutton of Omaha is Elected Great Sachem, Election of Officers for Ensuing Year and Omaha Selected as Meeting Place for Next Year.

From Saturday's Daily.
J. C. York, John Corey and William Heinrichsen returned from Lincoln last night on No. 10, where they went as delegates to the twenty-first annual meeting of the great council of the Improved Order of Red Men of Nebraska. The session closed last night with a banquet in the dining room of the wigwam of Tecumseh tribe No. 34 at Bohanan's hall. Omaha was selected as the meeting place for October, 1912. The following officers were elected yesterday afternoon for the ensuing year:

Great sachem, Judge A. L. Sutton, Omaha.
Great senior sagamore, C. L. Saunders, Omaha.
Great junior sagamore, L. H. Millen, Beatrice.
Great prophet, W. D. Wood, Omaha.
J. H. Grosvenor, Aurora, and Daniel McClain of South Omaha were named as representatives to the meeting of the great council of the United States, which convenes at Charleston, S. C., in September, 1912. W. A. Hackney of Lincoln was reappointed great sannap and J. A. Irwin of South Omaha was appointed great mishinewa.

The order was declared to be in a flourishing condition. The session opened by an address of wel-

come by Judge P. James Cosgrave of Lincoln. District Judge A. L. Sutton of Omaha responded. Judge Cosgrave referred to the fact that the order was over 100 years old and was one of the greatest patriotic organizations in the country. When Judge Sutton was named as the head of the Nebraska order he made a graceful speech of acceptance, declaring that he would work with all of the ability and energy that he possessed to give it a successful administration during his term of office.

The council held a secret session behind closed doors. It was declared that nothing was done during the meeting which was of general interest to the public. It is understood insurance was discussed, but no action was taken.

Fifty Red Men attended the athletic contests and the banquet which closed the convention. The athletic meet began at 8 p. m. in the hall of the Lincoln lodge, 209 South Tenth street. Wrestling and boxing matches occupied over two hours, the banquet not starting until after 10 p. m.

Claude S. Wilson of Lincoln presided at the banquet. Toasts were delivered by H. A. Myers of Omaha, T. H. Benton of Lincoln and J. H. Grosvenor of Aurora.

Compromise Verdict of \$5,000.

Andrew McNallis, a former Lincoln switchman, secured a compromise verdict of \$5,000 in federal court in Omaha yesterday for personal injury. McNallis lost both feet while switching in the Lincoln yards, falling under the tank of a switch engine near L street in the yards there several

months ago. His feet were crushed near the ankles and both were amputated. He had sued for \$50,000.

Ernest Briggs departed for Medora, Illinois, this morning, in response to a message informing him of the serious illness of his mother.

LIBRARIANS ELECT OFFICERS

Entirely New List is Selected at Closing Session.

MISS COMPTON IS PRESIDENT.

Miss Florence Smith of Omaha is Chosen Secretary and Treasurer. Many Papers of Interest to Librarians Are Read.

Omaha, Oct. 21.—Miss Nellie Compton of Lincoln was elected president of the Nebraska Library association. The other officers chosen are: Miss Nellie Williams, Geneva, first vice president; Miss Florence Smith, Omaha, secretary and treasurer. This is an entirely new roster of officers.

The closing program was devoted to papers on rural school libraries by A. V. Teed, county superintendent of Dixon county, and on rural extension of library work, by E. Joanna Hagey, librarian of Cedar Rapids. S. C. Bassett of Gibbon outlined and explained the new library law of Nebraska passed at the last session of the legislature.

CORN AT HIGH PRICE

Two Cars of White Ears Sell for Seventy and One-Half Cents.

Omaha, Oct. 21.—Two cars of white corn sold on the Omaha Grain exchange at 70½ cents a bushel and one car of wheat was disposed of at \$1.05, the highest figure reached by either product this year.

Corn has advanced 5 to 6 cents a bushel since Oct. 1, the quotations on white corn being 70½ cents to 70½ cents, and on No. 2 color corn 69½ cents to 70 cents. Some dealers say that some mysterious influence is "bulling" the market, others say prices are going up because old corn is scarce and the new crop is not yet harvested.

The wheat that brought \$1.05 was No. 2 mixed, Nebraska wheat, sold by the Nebraska-Iowa Grain company.

INJUNCTION IS REFUSED

David City Will Install Water Pumping Plant at Once.

David City, Neb., Oct. 21.—After a three days' hearing before Judge B. I. Good and all the evidence being in, the court dismissed the case of James Bell & Son, petitioning for an injunction against the city of David City installing a water pumping plant according to the present plans.

The plaintiff asked for the above, as an interested taxpayer, basing his claim on the idea that the present plans and specifications called for a plant larger than necessary, therefore a diversion of funds and a needless expenditure of money.

This objection being removed, work will start at once for the city on a pump house and engine to furnish adequate water supply for David City.

Dawson School Lands Reduced.

Lincoln, Oct. 21.—As members of the state board of educational lands and buildings, State Treasurer George and Land Commissioner Cowles have reduced the appraisement on school lands in Dawson county. The land was originally appraised by the county commissioners for leasing purposes as high as \$50 per acre, which would mean each year a return of \$3 an acre for rental. As this was higher than rental returns in adjoining counties the board ordered the reduction under the belief that \$3 would be sufficient. It is high for many other counties of the state, where land is a great deal higher.

Refuses Prohibition Nomination.

Lincoln, Oct. 21.—Judge H. S. Dungan of Hastings, at present judge of the Tenth judicial district and a candidate on the Democratic and Populist tickets to succeed himself, has informed Secretary of State Wait that he does not desire to have the prohibition nomination, which was given to him on account of having received a half dozen votes in that ticket at the August primaries. Judge Dungan avers in his letter of declination that he is already the candidate of two parties and that in his estimation is about all upon which he cares to make the race.

La Follette Boosters Busy at Lincoln.

Lincoln, Oct. 21.—The executive committee of the La Follette league in Nebraska held a business session here, matters in connection with the further organization of the league being discussed at considerable length by the score or more representatives present. The assemblage was given over for some time to a verbal report of the recent La Follette gathering in Chicago, the speakers on this subject being C. O. Whedon, F. A. Harrison and J. J. McCarthy of Ponca, all of whom attended the insurgent meeting.

Phone Companies Must File Reports.

Lincoln, Oct. 21.—The Nebraska state railway commission has requested Attorney General Martin to file suit against telephone companies which have failed to file their reports, according to the provisions of the state statutes relating to this phase of their business. Blanks for the reports were sent out to the companies by the commission June 26, with the instructions to be returned Aug. 1.

AGRICULTURAL EDUCATION

Experts From Ten States Organize at St. Paul.

St. Paul, Oct. 21.—After two days spent in the discussion of methods to improve agricultural conditions in the northwest, the first conference of the committee on agricultural development and education of the state bankers associations of ten states came to a close here.

A permanent organization was formed which will hold conferences annually. Joseph Chapman, Jr., of Minneapolis was elected president and Charles R. Frost, also of Minneapolis, secretary.

The keynote of the conclusions reached by the conference was that the only way in which agricultural conditions in the northwest can be improved is by intelligent cooperation by business men, educators and farmers.

Among the speakers on the program were Governor Eberhart of Minnesota, President George E. Vincent of the University of Minnesota and Professor R. C. Holden of Ames, Ia.

Professor Holden urged a more practical education, both for the youth and the mature man. He told of the excellent results achieved in Iowa by the testing of seed corn and commended Minnesota for the stride it had taken in promoting agricultural education.

CONTROL JUDICIARY SAYS ROOSEVELT

States Judges Should Be Made Answerable to People.

New York, Oct. 21.—The judiciary of the United States must be brought under the control and made answerable to the well thought out judgment of the people, is the opinion of Theodore Roosevelt, who spoke on "The Conservation of Womanhood and Childhood" before the Civic forum.

This control, in Mr. Roosevelt's judgment, should be exercised more cautiously and in different fashion than the control by people over the legislator and the executive, but the control must be there.

Control of judges, Mr. Roosevelt said, was but half—although by far more important part—of a program which should be carried out for proper conservation of manhood, womanhood and childhood. The first half of the program, he said, consisted in placing upon the statute books, both of nation and states, laws to remedy existing defects.

The former president spoke at length of what he termed "crying abuses connected with child labor."

FIVE MEN SHOOT UP TOWN

Ride Into Cokeville, Wyo., and Fire Several Volleys at Residents.

Salt Lake, Oct. 21.—A special from Cokeville, Wyo., says that five men rode into that town and for nearly an hour held the place at their mercy. It is the belief in Cokeville that two members of the party were the Whitney brothers, who have been terrorizing parts of southern Idaho and western Wyoming and for whom a search is now being made.

The men made their appearance first at the Wyoming saloon and during the course of their visit took a shot at the bartender. Going out onto the street, they ordered the residents to their homes, and while enforcing their orders with their firearms, shot Peter H. Anderson in the leg. Later the visitors rode to the office of County Attorney Reynolds and took several shots at him, but none was effective. Just before leaving town they rode to the Fuller saloon and fired a volley through the front windows. So far as known no one was hurt there.

Before the townspeople could organize for resistance the visitors rode away and a posse is searching the country for them.

CHERRY LYNCHERS TO PRISON

Men Who Hung Charles Sellers Start to Penitentiary.

Valentine, Neb., Oct. 21.—George Weed, Alma Weed, Kenneth Murphy and Harry Heath, the four men sentenced to serve the remainder of their lives in the state penitentiary for the murder of Charles Sellers on June 18, were taken to Lincoln to begin serving their sentences.

Ennice Murphy, the young woman charged with having incited the murder, against whom the state was unable to make its case after Judge Westover directed the county attorney to accept a plea of guilty of murder in the second degree from the men who committed the crime, has left Cherry county. She departed immediately after the trial for the east, and it is not known here where she had gone.

Dun Reports an Increase of Trade.

New York, Oct. 21.—Dun's Weekly Review of Trade says: Immediate requirements to replenish depleted stocks, coupled with lower prices, are responsible for a continued increase in trade activity. The improvement is conservative, but steady, and it is noticeable in nearly every large trade center.

Italians Again Bombard Derna.

Tripoli, Oct. 21.—Derna was again bombarded by the Italians. A heavy sea, which was running, prevented the landing of forces.
