A GREAT EVENT FOR PLATTSMOUTH ON WEDNESDAY, NOVEMBER 15, 1911

The Date for the Celebrating of the Opening of the Platte River Auto and Wagon Bridge, at Which Time Many Visitors Will Be In Our City From Omaha, Nebraska City, and Other Towns in Eastern Nebraska.

President Pollock and Secretary Wescott of the Commercial club yesterday had an interview with Mr. Guild, secretary of the Omaha Commercial club, and with Mr. Carr, editor of the Motorist, a journal devoted to automobilism and aeronautics, and also with D. E. Watkins, the man who organized all of the county automobile associations in this state, the subject of the interview being the celebration of the opening of the wagon bridge, to be held in this city Wednesday, November 15. These gentlemen have been waiting for the announcement of the completion of the bridge, and have signified their more than willingness to participate in the festivities of a celebration fitting the importance of the coming event.

The bridge will be completed next Saturday, November 11, as the last span is being built today, and the grading will be done and wagons will be crossing the new structure by Saturday night.

In the November number of the Motorist, an excellent picture of the new bridge is given, under which appears in bold-face caps the following significant words: "The new Pollock-Duff Motor and a Wagon Bridge, Plattsmouth, Neb., Finest Bridge on Platte River and on the Omaha-Kansas City Scenic Motor Road."

Messrs. Guild, Carr and Watkins assured the president and secretary of the Plattsmouth Commercial club that Omaha would have a great representation here on the day of the opening, and that Plattsmouth would be given a chance to get in on the Omaha-Kansas City Highway association, and became a member thereof.

In a two-page article on the subject of roads in the various states, the November Motorist says: "The Omaha-Kansas City association is a new project, and there will be a meeting held early this month to perfect plans for active work. It is proposed to have a route from Omaha to Plattsmouth, via Fort Crook, crossing over the new Platte River

Automobile and Wagon bridge at Plattsmouth, thence along the road that follows the Missouri Pacific railroad to Union, Nebraska City, Falls City, etc., to Kansas City.

The Commercial club has corresponded with several of the larger towns on the route, inviting the heads of the municipalities to be present and address the people on next Wednesday, which will be of interest to automobile enthusiasts.

Mr. Pollock has assurance that delegations will be present from Falls City, Auburn, Nebraska City and the towns of this county. Mr. Watkins will relate what has been already accomplished by the Omaha-Denver, North and South Platte association, and will aid in forming the association here. This meeting will occur in the afternoon and will be addressed by good speakers from Kansas City, Omaha and other places.

The minstrel performance, opening about 8 o'clock, will be a delightful entertainment and will be an all-star, Nebraska City home talent production and has been presented by the cast at home and in surrounding towns for the benefit of the good roads movement, and the performance has been very highly spoken of and has drawn large audiences wherever given. A charge of 50 cents for any seat in the house will be made for tickets of admission. The evening performance will be preceded by an open air band concert in front of the opera house.

The entertainment should be encouraged and patronized by every citizen interested in the growth and advancement of our city. The opera house should be packed from pit to dome with boosters for the Omaha-Kansas City motor highway. Nothing would please Mr. Pollock more than to have a fine showing made at the minstrel performance. He has expended a large amount of money on the bridge project, and the enterprise is one of which everyone in the city can justly feel a pride, and it certainly would

not be amiss now to let him know by our support of the celebration of the opening of the bridge that we appreciate his efforts in behalf of our town. The celebration will attract the attention of a large area of country to our thriving city, and by filling the opera house for the final performance, visitors will know that the city is alive to its interests, and the builders of the motor-wagon bridge will know that what they have done is duly appreciated.

Let everybody boost for the opening celebration and procure seats early for the minstrel performance.

A GREAT DISCOVERY

Certain Ingredients That Really Promote Hair Growth When Properly Combined.

Resorein is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want everyone troubled with scalp disease or loss of hair to try Rexall "93" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 93 per cent of cases where used to a practical test.

Rexall "93" Hair Tonic is entirely unlike, and we think, in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain Rexall Remedies in Plattsmouth only at our store—The Rexall Store, F. G. Fricke & Co.

Married by Judge Beeson.

Yesterday afternoon Albert Murray and Miss Mabel Iles appeared before Judge Beeson and secured a marriage license and requested the judge to officiate at their wedding, which occurred immediately. The groom is a young farmer residing near Murray and a son of L. C. W. Murray, one of the pioneer citizens of this county. Mr. Murray was born in this county and reared to manhood within its borders and is a young man of sterling character and habits. Miss Iles is a daughter of Mark Iles, also well known in this community. Mr. and Mrs. Murray will reside in the vicinity of Plattsmouth until next spring, when they expect to remove to Arkansas to make their home. They have the best wishes of the Journal and a large circle of warm friends.

DANCE SATURDAY NIGHT.

The Dancing Trio will give another of their delightful dances on next Saturday evening, November 11th. A royal good time is assured to all. Admission: Gentlemen, 50c; ladies, free.

"I do not believe there is any other medicine so good for whooping cough as Chamberlain's Cough Remedy," writes Mrs. Francis Turpin, Junction City, Ore. This remedy is also unsurpassed for colds and croup. For sale by F. G. Fricke & Co.

For Rent or Sale.

The frame business house just west of the postoffice in Murray. Size, 16x24, and in good condition. Apply to Holmes or Smith.

PROCEEDINGS OF THE COUNTY COMMISSIONERS

Plattsmouth, Neb., Nov. 3, 1911. Board met pursuant to adjournment. Present, L. D. Switzer, M. J. Friedrich and C. H. Jordan, County Commissioners; D. C. Morgan, County Clerk.

Minutes of previous session read and approved, when the following business was transacted in regular form: Petition of W. P. Yoho and others asking that Harry E. Graves, appointed justice of the peace in and for Tipton precinct received and appointment made.

George Poissal, grading 17 cents per yard; remove bridge for \$100.00, said county to furnish all necessary extras; work on bridge in Sec. 1, Town 12, Range 13, for the sum of \$9.50 per yard and furnish iron for \$3.00 per 100.

Nebraska Construction Co. will take down, move and erect steel work in new location for \$375.00; concrete for footings, \$10 per cubic yard. Will do all labor, furnishing necessary tools; also furnish all material needed for actual cost with 10 per cent added.

Contract for corrugated iron culverts awarded Lee Arnett of Lincoln as follows: \$1.50 for 24-inch and \$2.75 for 36-inch.

Moved that the contract for moving six thousand eight hundred and forty-six (46) cubic yards of dirt as shown on the plans and specifications for grading on Platte river road in section one (1), township twelve (12), range thirteen (13), Cass county, Nebraska, be awarded to George Poissal at seventeen cents per cubic yard on the following conditions: That said dirt be taken from the cuts and placed in the fills as indicated on said plans and specifications; that the seventeen cents per cubic yard is for the amount of dirt taken from the cuts and also seventeen cents per cubic yard for amount placed in the fills; that a written contract be drawn to conform with this motion and the plans and specifications and signed and executed by said Poissal and the County Commissioners; and upon the further condition that said Poissal shall furnish a good and sufficient bond in the sum of two thousand dollars (\$2,000) conditioned on the faithful performance of said contract. Motion carried.

Moved that the contract for removing the steel bridge in section one (1), township twelve (12), range thirteen (13), Cass county, Nebraska, according to the plans and specifications be awarded to George Poissal on the terms of his bid and on the condition that he enter into a written contract with the County Commissioners to do the same according to the plans and specifications, to be on file with the County Clerk and on the further condition that he furnish a good and sufficient bond as required by law. Motion carried.

Moved that the contract for the concrete work on the steel bridge to be moved in section one (1), township twelve (12), range thirteen (13), Cass county, Nebraska, be awarded to George Poissal on the terms of his bid, the amount of concrete work to be done to be determined by the Board of County Commissioners. Motion carried.
