Mr. and Mrs. Henry Behrns gave a very pleasant little hop to their friends and relatives last Saturday evening. About thirty were present to enjoy the evening and all those present report a fine time. Some of the old-fashioned square dances were indulged in and some who had not danced for years limbered up and cut the pigeon wing with the best of them.

The Royal Neighbors circle met with Mrs. George Wanderer last Friday afternoon. Although the weather was very threatening a jolly crowd was present to help Mrs. Wanderer dispose of the good things she had prepared. Bread and butter, pressed chicken, salad, pickles, assorted cake, pears and coffee were served.

The Giddings family appeared at the congregational church Nov. 4 as the second number of the lecture course and were greeted by a very appreciative audience.

The family consisted of father, mother, two sons and two daughters, the younger boy and girl being twins. The work of the orchestra was excellent, each member of the family playing a stringed instrument. The readings given by the little girls would do credit to many an older reader and each called for an encore. Their work and duets were the best of the kind ever given here by such young singers. The children certainly captivated every heart, not only by their concert work, but by their sweet personality. The people of Avoca will certainly remember this number of the course with great pleasure.

Bank Account.

A wise man always tries to open a bank account as soon as his circumstances will allow, in order to have a reserve fund for "rainy days." He should do the same in respect for his health, that is, to uphold his bodily strength, which, to everybody, means the best bank account. The foundation of strength lies in a good digestion. Keep it in perfect order and, as soon as you will notice some irregularity, use Triner's American Elixir of Bitter Wine until everything returns to the natural working order. This old household remedy is a reliable medicine for all members of the family in every sudden indisposition, especially from the stomach, in weakness, vomiting, chills, constipation, loss of appetite, nervousness, headache and backache, despondency, fainting spells and many female disorders. At drug stores. Jos. Triner, 1333-1339 So. Ashland Ave., Chicago, Ill.

"I am pleased to recommend Chamberlain's Cough Remedy as the best thing I know of and safest remedy for coughs, colds and bronchial trouble," writes Mrs. L. B. Arnold of Denver, Colo. "We have used it repeatedly and it has never failed to give relief." For sale by F. G. Fricke & Co.

AVOID HARSH DRUGS

Many Catholics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called **Rexall Orderlies**. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages, 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—the Rexall Store. F. G. Fricke & Co.

Injunction Suit Settled.

At a session of the district court this week the case of D. O. Dwyer against the News Publishing company was taken up by the court and the defendant, E. O. Mayfield, and the newspaper plant were let out of court, the journal entry being in substance to the effect: Plaintiff was allowed to withdraw his amended petition, Ernest M. Pollard tenders in court bond of \$272.50 and interest, \$12.08, to be in lieu of property and such interest as may accrue should plaintiff be found to have a first lien upon said property for which the tender is substituted and which was formerly owned by the News Publishing company. Answer of E. O. Mayfield withdrawn as well as reply of plaintiff to same. E. O. Mayfield dismissed from cause and the property released and above sum substituted its place. Injunction dissolved. Injunction bond discharged. Defendant Ernest Pollard and the News Publishing company except to discharge of injunction bond.

The election was a quiet affair here, only 124 votes being cast, out of 240 supposed to be. The voters thought nothing at stake. But that is not a fact. Every voter owes his vote to one of the various candidates. The tardy voter is generally the first to kick if things don't go to suit them. Many voted at the primary that failed to vote at the general election.

Meet With Mrs. Eva Reese.

The St. Mary's Guild of St. Luke's church held their meeting on yesterday afternoon, instead of on Tuesday, as has been the custom. This time they were very pleasantly entertained at the home of Mrs. Eva Reese. The usual business session took up the early hours of the afternoon, after which the meeting, being very largely attended, all spent the hurrying moments in a very industrious way. This diversion was very pleasantly interspersed with conversation and other amusements. At the proper time dainty refreshments were served.
