K AND L OF S OBLIGATE NINE NEW MEMBERS

And Enjoy a Nice Social Time After the Work Was Completed.

From Wednesday's Daily.

At a special adjourned meeting of Platte council K. & L. of S., last evening nine new members were obligated by the prelate, Mrs. Whelan. Refreshments, consisting of sandwiches, pickles, cake and coffee, were served at the intermission. After the admission of members and the transaction of the regular order of business, a program, which had been arranged by the committee, consisting of music and readings, was rendered. Instrumental solos were played by Miss Mina Thierolf and Waldemar Soennichsen and Francis Whelan, who are among the best piano players in the city. All of these popular players were enthusiastically applauded at the close of their respective numbers. The reading given by Mrs. Baird was up to the usual high standard of this popular entertainer, the audience giving her rapt attention throughout the dramatic climaxes with which her selection abounded. She was accompanied by Miss Etha Crabill with the piano, and the selection left a marked impression on all who heard it.

While the coffee was being prepared a lively guessing contest was engaged in by all present, this feature of the entertainment being in charge of Mrs. C. H. Smith, who passed slips of paper to each one, the paper being arranged for the answer of questions propounded by Mrs. Smith. The list contained such posers as,

"Why does President Taft wear red, white and blue suspenders?" and "Why is a chicken the most religious of all fowls?" At a late hour the members dispersed. The next regular meeting will be held on Monday evening, November 20.

A Neat Program.

The program for the Y. M. B. C. banquet, which will occur next Friday evening at the parlors of the Methodist church, has just been printed. The program is a neat three-page booklet printed on deckle edge paper. In glancing it over we notice that a few of the local orators are down for toasts, as well as some six or seven Omaha speakers. The principal address of the evening will be given by Hon. Howard H. Baldrige of Omaha, on the topic, "The Young Men of Today." A ladies' quartet will enliven the feast with vocal selections. It is expected that covers will be laid for 100 or more of the young men of the city. The purpose of the class in this new venture is to promote good fellowship among the young men of our town. This is the first function of the sort to be given in this city, and the good to be derived from it will be beyond estimate. Those in charge of the enterprise will no doubt be encouraged to repeat it later.

Social Dance a Success.

The dance given in Coates' hall last Saturday evening by the Dancing Trio, was, as usual, a very successful affair socially, but financially was not up to the usual standard of former occasions, owing to the very stormy weather. The boys have another dance billed for one week from next Saturday evening and more favorable weather conditions are hoped for. A general invitation is extended to all.

County Surveyor Fred Patterson returned from Murray last evening, where he had been surveying lines for William E. Dull, who recently purchased residence property in that village.

Surprises His Friends.

The following is taken from the Nebraska City News of Tuesday, November 14:

"Last evening Louis Reinacle and Mrs. Anna Linder of Murray came to this city and were united in marriage by Judge W. W. Wilson, aided and abetted by J. "Cupid" Miller. The happy couple spent the night in this city, taking in the sights, and left for home this morning, where they will be tendered a reception."

This action on the part of Louie will prove a great surprise to his many friends in Plattsmouth, who, with the Journal, extend the heartiest congratulations. The bride is a daughter of Uncle Ben Beckman, who lives south of town, and a lady highly respected by all who know her. Louie is one of the best fellows in the world, and we wish the couple complete happiness and all the prosperity possible. But we cannot help but add that Louie has at last found a lady who admires a good pinochle player.
