Three Steps.

For the nutrition of the body three steps are absolutely necessary, that is, to accept the proper quantity and quality of food, to digest it well and to drive out from the body all waste matter. You must have a good appetite in order to accept food, a sound stomach and working bowels to digest and excrete. As soon as this natural progress of food through the body is stopped you feel indisposed or sick and you need speedy relief. In this respect, Triner's American Elixir of Bitter Wine is the best remedy, as it quickly cleans out the whole system, strengthening it at the same time and making it able to digest all foodstuffs without any inconvenience. In loss of appetite, weakness, constipation, colic and cramps, headache, flatulence, nausea and vomiting, as also in nervousness and in many female disorders, Triner's American Elixir of Bitter Wine is a dependable remedy. At drug stores. Jos. Triner, 1333-1339 So. Ashland Ave., Chicago, Ill.

Henry Burrows Arraigned.

Henry Burrows, who is held for the murder of William A. Sayles, which was committed last Sunday afternoon, was arraigned before County Judge Beeson this morning and a complaint for murder read to him, to which he pleaded not guilty. Upon being asked by Judge Beeson if he desired an attorney, Burrows replied that he did, and inquired if Byron Clark was in town. After consulting with the county attorney and the accused it was concluded that the preliminary could proceed by next Saturday morning, by which time the defendant is expected to have a lawyer, and the preliminary was accordingly postponed until that time.
