MRS. C. L. GRAVES LAID TO FINAL REST

Funeral Yesterday Attended by a Large Number of Sympathetic Neighbors and Friends.

Alice J. Graves was born in March, 1866, in Carroll county, Missouri, and came to Nebraska during 1887, and on December 18, 1887, in Plattsmouth, was married to Charles L. Graves, Rev. W. B. Alexander officiating. With her husband she shortly after their marriage moved to Union, in this county, where she has resided for the past twenty-four years. Three children were born to Mr. and Mrs. Graves—Harry of Eagle, and Misses Verna and Leola at home, who, with her husband, are left to mourn her untimely death.

Mrs. Graves had been in poor health for a number of years, her last illness being of about thirteen weeks' duration. She was first attacked with pneumonia, followed by other complications, which would not yield to treatment, although all that medical skill could do was done in her behalf.

Mrs. Graves was a kind and obliging neighbor, a loving wife and mother, and had a great many warm friends in the community in which she was best known, and to evidence their great esteem and respect for the departed the Baptist church was crowded at her funeral, which occurred Wednesday afternoon.

Standing room could not be found for all who desired to show their regard for this estimable lady. The funeral was conducted by Rev. W. A. Taylor of Union. Mrs. Graves was a member of the Baptist church and also a member of the Royal Neighbors of America.

John Corey, of this city, representing the Red Men lodge, of which Mr. Graves is a member, attended the funeral, bearing a wreath of beautiful flowers for the casket of Mrs. Graves. The Johnsons extend sympathy to the bereaved husband and children in this sad hour of their great sorrow.

THE GREAT EVENT OF THE SEASON

Plattsmouth Ladies' Minstrels at the Parnell Theater Wednesday Night, January 24.

The young ladies composing this organization are rehearsing almost every night now and are preparing to surprise the Plattsmouth people with one of the greatest and most interesting entertainments ever given in the city. The company is under the direction of Prof. H. S. Austin, who understands just how such entertainments should be given to be successful.

The ladies will appear in black face, and with their places on the stage in the overture, with end ladies, interlocutor etc., and the usual jokes will be propounded, songs and dances, quartets, duets, and in fact everything in the minstrel line will be carried out to the letter. They are sparing neither labor or expense to make this one of the most enjoyable events, and as a portion of the proceeds will be given to the Y. M. C. A., they should be greeted by an overflowing audience.

Our word for it, if you don't say, after it is all over, that you never laughed so much in your life at one entertainment, we will give our old pate for a foot ball. Bear in mind the date—Wednesday night, January 24—and be on hand to enjoy yourself and hear some of the finest singing you ever listened to, and all by local talent.

WEDDING AT THE COURT HOUSE

Elmer Mayfield of Ashland and Miss Ada Moore United in Wedlock.

Yesterday afternoon Elmer Mayfield of Ashland and Miss Ada Moore of Centerville, Iowa, appeared before County Judge Beeson and procured a permit to wed and prevailed on the judge to tie the knot before they left the court house. Miss Moore is the young lady who was separated from her parents from childhood, and only recently discovered the whereabouts of her relatives. Mr. Mayfield's bride is well known to a large circle of Plattsmouth acquaintances. The groom is a fine appearing young man, though a stranger to most people in this city. The happy young couple received the congratulations of the judge and witnesses, who wished them a smooth and prosperous voyage through life.
