### PROPOSED TO INTRODUCE NEW MARRIAGE LAW IN THE NEXT LEGISLATURE

**Proposed Measure Would Prevent Marriages of Mentally Incompetent, Drunkards and Physically Unsound—Bill Is Endorsed By Eminent Authorities on Such Subjects.**

A vigorous marriage restriction law will be submitted to the next session of the Nebraska legislature with the weight of executive approval behind it. This information was brought to the Nebraska conference of Charities and Corrections Tuesday by J. A. Leavitt, superintendent of the Nebraska Society of the Friendless.

Mr. Leavitt said that a bill has been drawn by the society and submitted to the governor for approval. He said the governor had O. K'd the bill and promised to incorporate a recommendation for its passage.

The bill is entitled "An act to prevent the marriage of unfit" and is as follows:

"Section 1.—Be it enacted by the legislature of Nebraska that no license to marry shall be issued when either of the contracting parties is an imbecile, epileptic, of unsound mind, or under guardianship as a person of unsound mind, nor to any who is or has been within five years an inmate of any county asylum or home for indigent persons, unless it can be made to appear to

county judges by competent medical and expert testimony, that the cause of such condition has been removed and that the party is able and is likely to continue able to care for a family, nor to an habitual drunkard, nor to one under the influence of intoxicating liquor or narcotic drug at the time of application for a license.

"Section 2.—Be it further enacted that it shall be unlawful for county judges to issue a license to marry to a person who fails to present a medical certificate, duly sworn to, showing said person to be free from all contagious and venereal diseases, said certificate to be sworn to by a licensed physician and to be fixed with the usual application to marry."

Section three prescribes the form of certificate required.

Section four fixes a penalty of \$100 to \$500 for issuance of a license without the required certificate. Section five makes issuance of a false certificate perjury on the part of the physician who issues it, since the certificate is required to be sworn to.

### ONE HUNDRED DOLLARS FOR Y. M. C. A.

**Lady Minstrels Will Donate This Sum to the Worthy Cause Conditionally.**

The members of the Plattsmouth Players' club or Lady Minstrels, had a meeting last night and audited the bills, and after meeting all expenses, decided to contribute \$100 to the Y. M. C. A. fund. The money will be deposited in the bank to be turned over to the treasurer of the Y. M. C. A. committee when the \$2,000 necessary for the enterprise has been raised, including the \$100. In the event that the money is not needed for the Y. M. C. A. the \$100 will be given to the Plattsmouth public library.

Thus the Y. M. C. A. fund, which has been growing slowly, will receive a big boost from the efforts of the Lady Minstrels. The young ladies who first originated the idea of giving a performance composed of home talent players, are entitled to great credit for their energy and hard work in achieving the success which has crowned their efforts.

The committee appointed by President Pollock of the Commercial club to make the canvas for funds for the Y. M. C. A. enterprise, as well as all others interested in the movement for the improvement of conditions in this city, are under the greatest obligations to the young ladies for their well-timed assistance. And should they, in the future, decide to give another entertainment for a public benefit, we do not hesitate to assure them that they will receive the warmest support from everyone interested in benefiting our city.

Their generosity in giving this handsome sum to the enterprise now engaging the attention of the public, will win a place in the confidence of the people for the Players' club which time nor circumstances will ever eradicate. The Journal is proud of Plattsmouth's young ladies. There is nothing they cannot do which they make up their minds to achieve.

Today Mr. Wade and Mr. Cook visited the South Omaha horse market to investigate conditions there. Those having good heavy draught animals to sell would do well to see James Wade.

#### HELPFUL HINTS ON HAIR HEALTH

**Scalp and Hair Troubles Generally Caused by Carelessness.**

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to someone else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody's else's hat. Many a hat-band is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and makes the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which

nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Plattsmouth only at our store—The Rexall Store, F. G. Fricke & Co., Union Block.

#### ANNOUNCEMENT.

The undersigned has no apologies or explanations to make for starting the fourth drug store in Plattsmouth further than to say that the senior member of the firm has resided here for 37 years and the junior member was born here and we preferred to live in Plattsmouth in preference to casting our lot in some other city. We did not enter into this business enterprise with the expectation or desire to drive anyone out of business in order to succeed, but reasoned that if we could get our share of the drug business in this city and country tributary thereto we could all live. We have taken our chances in getting our share of your patronage, and time, which settles all questions, will solve that problem. Come in and see us.

#### J. P. Tritsch Sale a Success.

Robert Wilkinson, the Dunbar auctioneer, was in the city last evening, having been out to cry the sale of Mrs. J. P. Tritsch. Colonel Bob reported the sale a good one, aggregating over two thousand dollars. The thoroughbred hogs brought good prices, as well as horses and farming implements. The Colonel is one of the most successful auctioneers in Nebraska and he generally sells property for all it is worth, and then some.

#### Buys Durock Hog.

A. W. Smith, a prosperous farmer adjoining the city, received a handsome Durock Jersey porker yesterday by Burlington freight, which he purchased from his son, Fred Smith, of Carson, Iowa. Mr. Smith believes in keeping abreast of the times, and keeps just as stylish swine as he does horses.

#### For Universal Service.

Very few things in the world are fit for universal service, that is, to be used in all emergencies. Some families always keep in the household a remedy which was tried many times, always giving satisfaction. It is usually Triner's American Elixir of Bitter Wine, because it can always be used, with success, in cases of indisposition, lack of appetite, sudden weakness, pains in the stomach or abdomen, nausea and vomiting, eructations, certain female troubles, constipation, fainting spells, rheumatic and neuralgic pains, colds and headaches. It strengthens the blood and the nerves, clears the complexion, creates a healthy appetite and a sound, refreshing sleep. Medical advice, by mail, gratis. A beautiful wall calendar will be mailed upon receipt of 10 cents in stamps. At drug stores, Jos Triner, 1333-1339 So. Ashland Ave., Chicago, Ill.

#### Four Seed Corn Specials.

Four trains, manned by demonstrators and lecturers and corn growing experts from the experiment station of the University of Nebraska, under direction of Professor Pugsley, will start out on February 26—two on the Burlington, one on the Union Pacific and one on the Northwestern. The Burlington plans to put on a third train on March 4, to visit places not included in the schedules of the other two. Local officials of the Omaha road have taken up with headquarters at St. Paul the matter of sending out a train. Each train will carry two cars especially for lecturers, with a lecturer for each car. It may be decided to add a third car for domestic science demonstrations to attract the women.

#### Celebrates Seventy-fifth Birthday.

Mrs. W. A. Robertson and her sister, Mrs. E. O. Jones, of Sioux Falls, S. D., arrived today from Fremont, where they have been guests of their father, Judge E. F. Gray, one of the leading attorneys of Fremont. Judge Gray celebrated his seventy-fifth birthday yesterday and Mrs. Robertson and Mrs. Jones assisted him in commemorating the event.

### EMPLOYEES ENJOY FINE OYSTER SUPPER

**At the Close of the Annual Inventory at the Store of E. G. Dovey & Son.**

The annual inventory of E. G. Dovey & Son's stock was completed Tuesday, and the clerical force having been under the strain of added toil for so long, George E. Dovey, senior member of the firm, decided to give his clerks a slight surcease of trouble and planned a little surprise for them, which was sprung on the entire company after the day's toil had ended.

The affair was in the nature of an oyster supper, and Mrs. Britt, who knows so well how to cook the toothsome bivalves to the queen's taste, was enlisted by Mr. Dovey to do this difficult task. Oyster cocktail, oyster stew, with society wafers and olives stuffed with almonds, found a place in the menu. Charles Dovey was elected toastmaster and general entertainer. Toasts were responded to by each member of the force, and "Bob" told a funny story. The banquet was served on the grocery side and was thoroughly enjoyed by everyone present.

#### Seriously Ill.

Clark Jeary, son of Mr. and Mrs. Edwin Jeary, is still very seriously ill of typhoid fever. A consultation of physicians was held yesterday and a second nurse was installed to assist in caring for the patient. #### In Judge Archer's Court.

Harry G. Todd filed a complaint in the office of Judge M. Archer today alleging that he is the owner of the northwest quarter of section 35, township 11, range 13, in this county, and that he rented the dwelling house on the land during the crop season of 1911 to one John Grey. That Mr. Grey was in the employ of Mr. Todd during the time alleged and the house was furnished him for that time only. Mr. Todd notified Mr. Grey on the 27th of January to quit the premises, which he has neglected to do, hence the complaint and prayer for restitution of the premises. The hearing on the complaint was fixed for February 5, and summons issued and placed in the hands of Constable John Cory for service.

#### Becker Family Writes.

H. E. Becker received a letter from his father, J. H. Becker, who arrived in Los Angeles a short time ago, saying that the travelers were doing fine on the coast. Mrs. Becker contracted a hard cold on the journey, which did not yield to treatment quickly and she was not feeling well on this account. The weather was ideal and it was hoped that Mrs. Becker would recover from her cold soon.
