TAFT BUREAU IS TO OPEN

Congressman McKinley Will Start Things in Washington.

Washington, Feb. 12.—Taft campaign headquarters will be opened here today and will be known as the National Taft bureau.

Representative William B. McKinley of Illinois, chairman of the Republican congressional committee and recently selected as pre-convention manager of the Taft campaign, made the announcement after a conference with Secretary Hilles.

REBELS PREPARING TO MOVE ON PEKING

Impatience is Increasing Among Republican Forces.

Peking, Feb. 12.—While Yuan Shi Kai, the imperial premier at Peking, is endeavoring to persuade the republicans to concede the Manchu demands, the republicans are preparing to begin an advance on Peking.

Impatience is increasing and a protest has reached here from Canton against the too liberal terms offered the throne and embodying a demand that the Manchus be stripped of all power.

The southern forces now exceed 100,000 men and reinforcements are arriving daily at the various republican centers.

Apparently there is no lack of funds. President Sun Yat Sen is in absolute control and expresses hope for a peaceful coalition of the north and south, but he feels that Yuan Shi Kai will exhaust the patience of the southern provinces by quibbling over details and force a conflict. Dr. Sun has repeatedly said that the northern provinces are solidly in favor of the republic and as a matter of fact the capital of Shantung declared for the revolution on Friday.

The revolutionary congress is still busy with the details of the provisional constitution.

WOMEN EJECTED FROM COURT

Testimony in the Sneed Trial Was Unfit for Them to Hear.

Fort Worth, Tex., Feb. 12.—Women who persist in remaining in the court room where J. B. Sneed is on trial for the killing of Captain A. G. Boyce were ejected. The court held that the testimony was unfit for the women's ears. It bore on alleged practices of A. G. Boyce, Jr., whose elopement with the prisoner's wife is said to have resulted in the killing of the elder Boyce in a Fort Worth hotel.

Gaekwar Goes Home With Degree.

New York, Feb. 12.—Jaisint Gaekwar, heir to the throne of Baroda, left America on route to India on the oceanic, after having taken a bachelor's degree at Harvard in three and a half years. Dressed in the latest occidental fashion, the young potentate waved farewell to a party of college friends and stepped aboard the liner just before the gangplank was drawn.

STRIKERS GIVE UP CHILDREN

Homes in New York for 119 Lawrence, Mass., Tots.

INNOVATION IN LABOR WAR.

Red Flags and "The Marseillaise" Greeted the Youngsters, and Seven Hundred Persons, Including Mrs. O. H. P. Belmont, Offered Aid.

New York, Feb. 12.—An innovation in labor war tactics was tried in the distribution here of 119 children, whose parents are engaged in the textile strike at Lawrence, Mass. Their arrival had been heralded as due early in the afternoon, but owing to failure to make train connections at Boston, the children did not arrive until five hours later. Meantime a crowd of several hundred Socialists stood shivering in the Grand Central station awaiting their coming.

Red banners and Socialist emblems were borne by the crowd and when at last the train arrived a band blared forth "The Marseillaise," and mighty cheers were given.

Hot Soup Awaited Them.

At the labor temple, to which they were taken, the children were ranged around long tables, where steaming soup, rice, potatoes and other vegetables were consumed with enthusiasm as the youngsters had had nothing to eat all day except a scanty breakfast at Lawrence and sandwiches brought with them.

By the time the meal was over the children were feeling happy enough to cheer and sing "The Marseillaise." A large mass of people packed outside the doors took up the words of the revolutionary hymn and it was sung and resung.

Mrs. Belmont Was Refused.

Among the many who gathered to offer to take care of the children were Mrs. O. H. P. Belmont and the Rev. Percy Stickney Grant, pastor of the Church of the Ascension. Mrs. Belmont and the minister were denied, however. They were told there were more than seven hundred applications and only 119 children.

When the distribution of the children began difficulties were encountered when it came to splitting up a family. One little golden haired girl burst into tears and cried for "brother." The scene convinced the committee that it would not do to separate families and many persons agreed to take five and even six children temporarily until a further distribution could be made.

ASK ROOSEVELT TO DECLARE

Permanent Committee Organized at Conference in Chicago.

Chicago, Feb. 12.—Eight governors and delegates from twenty-eight states met here and in an informal conference organized a permanent committee to push the candidacy of Theodore Roosevelt for president. The governors, at an executive conference by themselves, addressed a letter to Colonel Roosevelt in which they explained the purpose of the meeting and expressed a desire that he let it become known that a demand from the people that he accept the nomination would not be unheeded by him. The letter was signed by Governors Stubbs of Kansas, Osborne of Michigan, Hadley of Missouri, Aldrich of Nebraska, Bass of New Hampshire, Glasscock of West Virginia, Vessey of South Dakota and Carey of Wyoming.

The permanent organization of the committee, which will carry the Roosevelt fight to the convention, is as follows: Chairman, Alexander H. Revell; vice chairman, Edward J. Brundage; secretary, Edwin W. Sims; treasurer, Dwight Lawrence.

SUBPOENA SERVICE STOPPED BY RIVER

Nebraska County Officials Cannot Get Iowa Witnesses.

Sioux City, Ia., Feb. 12.—Another little game of dodging the subpoena server is being played in Sioux City with the Missouri river as the saving line. N. S. Bruner, president of the Crystal Lake Improvement association, and Fred C. Smith, engineer for the association, are involved. The county officials of Dakota county, Nebraska, have the subpoenas, which, however, can not be served on the Iowa side of the river.

Property owners near Crystal Lake, Neb., have secured an injunction restraining the improvement association from turning water into the lake from the Missouri river. The case is to be heard this week before Judge Wiley. It is necessary to have the witnesses present since they are named in the case. Bruner and Smith are not to make any trip to the lake shores and probably will not until after the hearing on the injunction application has been held.

A similar case occurred in December, when M. O. Lyons, a banker of Dakota City, dodged service for a long time. He finally was served while attending a play in Sioux City.

Though in apparent physical health, his friends who witnessed his strange act became alarmed lest he might die, shook him and called the police.

The insanity commission ordered his commitment to the hospital for the insane at Independence.

DRUGGISTS WILL COMPETE

Jones County Pharmacists May Put Wagon on Road.

Monticello, Ia., Feb. 12.—A meeting of the druggists of Jones county was held in this city for the purpose of conferring on a proposition of putting a soliciting wagon into the country to counteract the work of itinerant medicine salesmen, who have been cutting into the trade of the county druggists in this particular line. Not all were in favor of this plan as outlined, but enough of them were to make competition in the sale of biters and cough syrups at the farm houses a matter of note during the coming year.

Thirty Thousand Dollars Raised for Three Years' Expenses.

Omaha, Feb. 12.—Thirty thousand dollars has been raised by the University of Omaha for current expenses for three years and the university will be ready to start its campaign for a \$1,000,000 endowment fund at the close of a pending brief campaign for money to build and equip a new gymnasium.

The \$30,000 fund is to cover current expenses of the university up to September, 1914, and it was raised that its board of trustees and friends might have three years without any worry on account of a possible budget shortage to raise the proposed \$1,000,000. The treasurer of the school now holds either cash or special subscription notes for the entire amount. The canvass began on Aug. 10, 1911, the people of Omaha having subscribed \$30,000 in less than six months.
