THE VALLERY-TILSON WEDDING

Happy Marriage of This Excellent Young Couple Occurs at Home of the Bride's Parents.

Last Wednesday evening, February 7, occurred the happy marriage of Mr. Tom Tilson and Miss Leola Lillian Vallery, the ceremony being performed at the home of the bride's parents, Mr. and Mrs. T. W. Vallery, west of Murray.

Just a few minutes before 7:30, the appointed hour for the ceremony, Miss Maude Rusterholtz took her place at the organ and Mrs. Glen Vallery sang in a pleasing manner, "Promise That You'll Be True." After which the minister, Rev. Ross Williams, entered the parlor, where the altar was formed of eul flowers with a background of festooning and treadsies of green. Above the bridal party hung a huge white bell. The color scheme in the parlor was white and green. The marriage ceremony took place in the beautiful west parlor of the Vallery home.

Following the minister came the bride's maid, Miss Ruth Vallery, of Belle Fourche, South Dakota, cousin of the bride, wearing a light blue silk mull dress trimmed in pink silk and carrying pink roses, attended by Mr. Percy Wheeler, who wore the customary suit of black. Next came the groom and his attendant, Mr. Will Seybolt, both clad in the conventional black. Then came the bride, attired in white headed crystal chignon over white silk meassilen, carrying brides' roses, accompanied by her matron-of-honor, Mrs. Will Seybolt, clad in pink voile and carrying pink roses. All took their places at the altar, where Rev. Ross Williams pronounced the words that united the lives of these two young people.

After the ceremony the bridal party repaired to the dining room, where beautiful decorations of white and pink were profusely hung about the room, and a huge white bell hung from the center lamp over the bride's table. The bride's table was also decorated with a huge wedding cake, covered with pink and white roses and pink and white carnation. Pink and white streamers extended from each corner of the room to the large hanging lamp. Here the two-course luncheon was served to the 135 guests.

Tom Tilson is the son of Mr. and Mrs. Charles Tilson, residing west of Murray, having lived in this locality for many years; he is a young man of sterling worth and well liked by all who know him. Miss Vallery is the daughter of Mr. and Mrs. T. W. Vallery and has resided in Cass county all her life and is a member of one of the oldest and most highly respected families of the county, the older members settling here in a very early day.

Mr. and Mrs. Tilson have gone for a number of weeks' visit with relatives in northern Nebraska, after which they will return to their home on a farm west of Murray. Following were those in attendance:

SNEED TESTIFIES IN HIS OWN DEFENSE

Tells Story of Wife's Elopement With Boyce's Son.

Port Worth, Tex., Feb. 15.—"I first discovered something was wrong" in my family on Friday, Oct. 13," began John Beal Sneed, after he had taken the stand to defend himself against the charge of murdering Captain A. C. Boyce.

Sneed began his story with the elopement of his wife and Captain Boyce's son. He told of pursuit for the couple, then of the killing of Captain Boyce in a local hotel.

Sneed told of the infatuation of his wife for Al Boyce, with whom she eloped to Canada, and of going home one day at noon and finding Boyce standing by the side of the bed where Mrs. Sneed lay ill. After Boyce had gone he went back to his wife.

"I asked," he said, "wasn't he holding your hand?" She said yes, that she had asked him to look at her finger nails, how purple they were."

Sneed then told of his wife's admitting her love for Boyce. He said one morning Mrs. Sneed said: "I have something I want to tell you."

"She said she had decided to go to South America with him and to take the children. She said he wanted her to go without saying anything to me, but she decided to tell me, saying, 'I knew you would let me go.' She said she wanted to take one of the children."

Sneed declared on one occasion the sudden appearance of his little daughter had kept him from carrying out an impulse to kill his wife and himself.

MANY ARRESTS IN DYNAMITE CASES

Officials of Iron Workers' Union Taken Into Custody.

FRANK M. RYAN ON THE LIST.

President of Organization Is Arrested at Indianapolis—McNamara's Successor Also Taken—Men Accused of Illegal Transportation of Explosives.

Indianapolis, Feb. 15.—The United States government arrested almost a half of the fifty-four men indicted in the dynamite conspiracy cases. It took into custody within a few hours practically the entire official staff of the International Association of Bridge and Structural Iron Workers, including chief officers, members of the executive board and about twenty business agents and former business agents. These included Frank M. Ryan, the president; John T. Butler of Buffalo, N. Y., the first vice president, and Herbert S. Hockin, the second vice president and successor of J. J. McNamara as secretary-treasurer, and each of these men was required to give \$10,000 bond for his appearance for arraignment here with all the other defendants on March 12.

More than forty of the men, chiefly labor union officials, who are charged with conspiring to destroy by dynamite or nitroglycerin the property of employers of nonunion labor, are under arrest and it was declared the apprehension of all the others would be accomplished within forty-eight hours.

Those Not Arrested.

The following are indicted, but not yet arrested: M. J. Young, member executive board; William K. Benson of Detroit, president of Detroit Federation of Labor; Eugene A. Clancy of San Francisco, former member of executive board (already indicted in California); John J. McCray, former member of the executive board, formerly of Wheeling, W. Va.; Frank K. Painter of Omaha, Neb., business agent local union; J. W. Irwin of Peoria, Ill., former official local union; Patrick Ryan of Chicago, iron worker; Milton H. Davis, said to be of Philadelphia, former member of executive board; J. E. Munsey of Salt Lake, business agent local union (already indicted in California), true name given in indictment as "Jack Bright"; John J. McNamara, now in San Quentin (Cal.) prison; James B. McNamara, now in San Quentin prison; Ortie E. McManigal of Chicago, confessed dynamiter and accomplice of McNamara brothers, now in custody of Los Angeles county; Olaf A. Tvietmoe of San Francisco, secretary-treasurer state and local building trades council (already indicted in California).

By its action the government revealed the identities of the men whom it charges with being the accomplices of the McNamaras and Ortie E. McManigal in the dynamite plots, embracing almost 100 explosions which were begun in Massachusetts in 1905, which were scattered over the country for six years and which resulted in the wrecking of the Los Angeles Times building and an attempt to blow up President Taft's special train at Santa Barbara, Cal., last October.

Aggregate Bond \$340,000.

Fourteen of those indicted are each required to furnish \$10,000 bond and forty are each required to furnish \$5,000 bond, making an aggregate bond of \$340,000. Some of those whom the government was unable to find were reported to have disappeared through fear of inability to get bond. It was estimated that the iron workers' association would be unable to furnish security for its indicted members.

Ernest G. W. Baisey, former business agent of the Indianapolis Iron Workers' union, and Edward Clark, former business agent of the Cincinnati union, who were brought here following their arrest at Cincinnati, were unable to obtain bail and were taken to jail.

When Clark appealed to Secretary Hockin of the iron workers for aid, Hockin advised the United States marshal to inform Clark the international association could do nothing for him and referred him to his local union. Hockin said it would be impossible for the international association to take on the burden of supplying bail for many of the men arrested.

Immediately upon his arrest President Ryan addressed a statement to union laborers throughout the country calling on them to believe in his innocence and in the innocence of his co-defendants.
