has decided to locate in Louisville. Offices and residence at the Hotel Drake.

A farewell party was given at the home of Mrs. William Thomas Tuesday evening in honor of Miss Eula Mayfield by a number of her schoolmates. A very pleasant evening was spent.

Mrs. L. P. Grundy returned to her home at Rulo, Nebraska. She had been at the bedside of her sister, who has been very low for the past month, but is improving nicely at present.

Bert Stevenson has resigned his position as engineer at Murphy's quarry and has purchased the pump and repair business of Edgar Pankonin. He has rented Mrs. Cuthbert's building on lower Main street to use as a shop.

Shocking Sounds

In the earth are sometimes heard before a terrible earthquake, that warn of the coming peril. Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention if you would escape those dangerous maladies, Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "My son received great benefit from their use for kidney and bladder trouble," writes Peter Bondy, South Rockwood, Mich. "It is certainly a great kidney medicine." Try it. 50 cents, at F. G. Fricke & Co.

EAGLE.
Beacon.

A deal was made last week whereby Dan McCurdy disposed of 40 acres to George Westlake of Avoca.

A. L. McDonald, the real estate man, reports the sale of Nels Jenson's farm to Ed Doran of Lincoln, the price being \$100 per acre.

Mike Lee returned home Monday afternoon from Lincoln, where he had been taking treatment at the hospital for injuries received by being kicked by a mule a few weeks ago.

Bert Dopp and sister arrived home last Friday morning from Florida, where they had spent two months visiting and attending to some business matters. Bert says Florida is a pretty good country, but that Nebraska is a little bit better.

On Tuesday of this week a deal was made whereby C. C. Price became owner of the old Verner store building at the upper end of Main street. Mr. Price expects to move his business into the new location the first of next week, and wishes to greet his old customers.

Mrs. Jerome Burdick was taken to the Esther hospital in Lincoln last Friday evening, and on Saturday morning she was operated on by Dr. I. C. Munger and Miss Peters of Eagle. Her many friends will be pleased to learn that she is getting along nicely.

Joseph Sack finished loading his household goods Tuesday afternoon, and with his family left for Carroll county, Missouri, where they will make their future home. We regret very much to lose Mr. and Mrs. Sack from our midst, but join their many friends in wishing them prosperity and contentment in their new home.

Blamed a Good Worker.

"I blamed my heart for severe distress in my left side for two years," writes W. Evans, Danville, Va., "but I know now it was indigestion, as Dr. King's New Life Pills completely cured me." Best for stomach, liver and kidney troubles, constipation, headache or debility. 25c, at F. G. Fricke & Co.

Ferra Sturm was quite sick for several days last week, but is recovering.

The stork left a fine baby girl at the home of Mr. and Mrs. O. K. Campbell the first of last week, and they are both very proud of it.

The epidemic of chickenpox that has been raging here for the last two weeks is still going. Nobody very sick, but the most of the children are having it.

Fred Burdick and C. D. Keltner are finishing up a barn for Henry Gruber. It is 26x28 and will be big enough to give Henry's old black mare plenty of elbow room.

The little 18-months-old son of Mr. and Mrs. R. H. Ingwerson, who has been so sick for the past ten days, is gradually recovering and is now considered out of danger.

Miss Olive Whiteman, who was operated on in an Omaha hospital two weeks ago for appendicitis, was brought home Wednesday, having made a remarkably quick recovery.

Quite a bunch of young, old and middle aged men and boys went out to the country Monday evening with guns, bells and other means of making a noise to charity Charley Hull.

It is almost time to get the old family road drag out, clean the axle grease off the mouldboard, saw on a few buttons, readjust the carburetor and have the hired man take a few lessons at the steering wheel.

DOWNWARD COURSE

Fast Being Realized by Plattsmouth People.

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow. Dropsy and finally Bright's disease.

This is the downward course of kidney ills.

Don't take this course. Plattsmouth residents should profit by the following experience.

Mrs. Nettie Woodrow, Vine St., Glenwood, Iowa, says: "I was afflicted with backache and often when I got up in the morning I felt languid. A relative insisted on my taking Doan's Kidney Pills, and as I had previous been unable to obtain relief, I procured this remedy. In a short time it relieved me and I now have no cause for complaint. I shall never tire of making the merits of Doan's Kidney Pills known."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A Seed Corn Pointer.

It has been established by experience that seed corn which is grown near home does much better than corn that has been brought in from another state. Farmers are often sold corn by persons at a great distance, but experiments at the state university show that, other things being equal, native corn does better. It is said that several years are required to get the corn acclimated. Good seed can be had which has been raised in the county, and the chances of success with it are better than if seed from another state is used.

Ted Wiles was a South Omaha visitor this morning, where he went to inspect the stock market.

QUICK MEAL

Blue Porcelain Enameled STEEL RANGES

AN ORNAMENT FOR TIDY HOUSEWIFE

DURABILITY and cleanliness are the special features of the Quick Meal Blue Enameled Steel Ranges.

This range is entirely coated with enamel on a specially prepared steel body and is fused onto the steel at a temperature of 2,000 degrees Fahrenheit in such a way that the enamel becomes a part of the steel itself, therefore it cannot corrode or become rusted by acids.

These ranges have triple walls—the outer wall (made of special steel) is covered with a coat of enamel on both sides, and in addition to this has an extra coat of blue enamel dotted with white on the outer side.

Next comes a sheet of asbestos, the best heat retainer made, and then another sheet of steel enameled on both sides.

The beauty of this range can hardly be appreciated until you have seen the range itself.

Moves to Blair.
From Wednesday's Daily.
Edward Steppatt, son of our esteemed townsman, Martin Steppatt, loaded his farming implements and household goods into a Burlington car yesterday and left for Blair, where he will engage in farming this season. His parents, Martin Steppatt and wife, left for Blair this morning and will reside with Edward this summer and look after the house-keeping for him.

He Won't Limp Now.
No more limping for Tom Moore of Cochran, Ga. "I had a bad sore on my instep that nothing seemed to help till I used Bucklen's Arnica Salve," he writes, "but this wonderful healer soon cured me." Heals old, running sores, ulcers, boils, burns, cuts, bruises, eczema or piles. Try it. Only 25 cents, at F. G. Fricke & Co.

For Sale.
Some good first-class prairie hay, on farm eight miles west of Plattsmouth.

QUICK MEAL

Blue Porcelain Enameled STEEL RANGES

AN ORNAMENT FOR TIDY HOUSEWIFE

DURABILITY and cleanliness are the special features of the Quick Meal Blue Enameled Steel Ranges.

This range is entirely coated with enamel on a specially prepared steel body and is fused onto the steel at a temperature of 2,000 degrees Fahrenheit in such a way that the enamel becomes a part of the steel itself, therefore it cannot corrode or become rusted by acids.

These ranges have triple walls—the outer wall (made of special steel) is covered with a coat of enamel on both sides, and in addition to this has an extra coat of blue enamel dotted with white on the outer side.

Next comes a sheet of asbestos, the best heat retainer made, and then another sheet of steel enameled on both sides.

The beauty of this range can hardly be appreciated until you have seen the range itself.
