**Why He Was Late.**  
"What made you so late?"  
"I met Smithson."  
"Well, that is no reason why you should be an hour late getting home to supper."  
"I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble."

"Did you tell him to take Chamberlain's Tablets?"  
"Sure, that is what he needs."

**Another Wrestling Match.**  
One of the best wrestling matches yet billed for this city will occur on the night of April 13, which is one week from next Saturday night. The athletes participating in this wrestle to a finish are A. W. Vallery, weight 150 pounds, and Joe Spence of Louisville, weight 150 pounds. This will be a close contest. For a preliminary Wayne Propst of Mynard and Glen Edwards of Plattsmouth, both strong young athletes, have been matched. The big match will be referred by Longnecker of Omaha, who is a wrestler of much experience. Spence has had several months' training under Farmer Burns. Vallery expects to go into training at once with a good trainer in Omaha, so that Spence will have all he can do when he meets the Mynard champion.

The match will occur at the Parmele theater, and the friends of both contestants are expected to fill the house. The seats will be 50 cents. Tickets will be on sale next week.

**The Village Election.**  
Election day passed off very quietly, except for the music furnished at the town hall. Every time a vote was cast the Avoca Canary Vozels warbled a few stanzas of "Glory, Glory Hallelujah." Orlando Tefft, with his mellow tenor, was chorister; Joseph Zimmerman, baritone; Henry Maseman, sr., basso profundo; George Schackley, soprano; Daniel Fleishman, official time-keeper; Henry Kuhnheim, pianist; Joseph Zimmerman also gave some delightful readings on the Shakespearean order. John Henry Fred Ruhge, Bernard Corinthian Marquardt and Fred William Ruhge were the successful candidates who won the holly-contested race for seats on the village board. William Artless Hollenberger intended running for official dog-catcher, but sprang the matter too late to get his name on the ticket. Chief of Police Ben Mohr kept things very quiet and reports no arrests.

**Inspect Poor Farm.**  
From Wednesday's Daily.  
After the session of yesterday the members of the county board adjourned to the county farm and inspected the buildings, apparatus and live stock and found everything in tip-top shape. Overseer George Tams has a very methodical plan for conducting the business of the farm and sees to it that everything has the best of care and takes the same interest in the work and implements of the county that he would his own property. The board ordered a new manure spreader, which will greatly facilitate the distribution of fertilizer over the farm, as well as save a vast amount of labor.

## VERY LIGHT VOTE IN CITY ELECTION

Election One of Quietest Ever Held in This City—But Little Interest Manifested.

From Wednesday's Daily.  
The election for councilmen and members of the school board passed off yesterday with less interest manifested than at any previous election. There was no contest on the members of the school board, there being a member of each of the leading parties on the ticket. Dr. Marshall was elected to succeed himself and John Lutz was elected to succeed Mr. Dovey, who was not a candidate for re-election.  
The councilmanic election in the First ward resulted in the selection of Rea F. Patterson, democrat, over W. J. Straight, republican, by a majority of 9 votes. Mr. Patterson will succeed Mr. Dwyer, a democrat, whose term expires next meeting.

In the Second ward Frank Buttery, republican, was elected over John McNurlin, democrat, by 23 votes. Mr. Buttery succeeds William Weher, a republican. In the Third ward Councilman A. S. Will, democrat, received 42 votes and his republican opponent, E. Richey, 51. This is the only ward in which there was a contest that resulted in changing the political complexion of the councilmanic

body. In the Fourth ward C. A. Anderson, democrat, had no opposition. In the Fifth ward John Vondran, democrat, was elected over his republican opponent, B. C. Hyde, by 4 votes.

**Puts End to Bad Habit.**  
Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end "the blues." Best for stomach, liver and kidneys. 25c at F. G. Fricke & Co.

**Miss Evelyn Taylor Sick.**  
Last Monday Mrs. W. A. Taylor was called to Balmston on account of the serious illness of her daughter, Miss Evelyn, who was suddenly attacked that day. This afternoon Mrs. Propst and two children and J. W. Polin went to Miss Evelyn's bedside, the news having been phoned that she was worse.

Don't be surprised if you have an attack of rheumatism this spring. Just rub the affected parts freely with Chamberlain's Liniment and it will soon disappear. Sold by F. G. Fricke & Co.

Adam Kaffenberger, sr., drove in from the farm this morning and visited Plattsmouth friends for the day and looked after business matters.
