Tony Massio Injured.

Tony Massio, a Greek laborer, in the employ of the Burlington, working with the bridge gang, while unloading sand on the "Y" at Orepolis this morning was quite seriously injured. Tony was on a coal dump car of sand helping to unload and had an iron bar with which he was doing some heavy leaver work, when the bar slipped and caught the calf of his left leg, inflicting a painful contused lacerated wound. He was brought to Plattsmouth on No. 4 and taken to Dr. Livingston's office, where his wounds were dressed. As a result Tony will not be able to return to work for some days.

I have used it myself with good results, and have recommended it to many others, who have since told me of its great curative power in diseases of the throat and lungs." For sale by F. G. Fricke & Co.

B. F. Moore Wins Third Prize.

Nehawka, Neb., April 1. Just at this time I feel it my duty to say a few words in regard to the Daily News contest. After looking carefully over the returns of the contestants that won at the News office, I find that I was only defeated from first prize because the contestants that won first and second prizes in some way were able to induce the people to extend their subscriptions two years, and also where they were taking only daily to take both daily and Sunday, and therefore they sent in very few more renewals than I did and no more new subscribers. Thanking you all for your loyal support, I remain, yours truly,
 B. F. Moore, Nehawka, Neb.

Charles Manning, Middle Branch, Neb., gives his report on Foley Kidney Pills. He says: "I had trouble with my kidneys, so bad that I passed blood. One large bottle entirely cured me of my trouble, and I cheerfully recommend Foley Kidney Pills to anyone suffering with kidney trouble." For sale by F. G. Fricke & Co.

Fremont Bridge Gone Again.

Two spans of the Burlington bridge over the Platte river went out last night at Fremont. Engineer I. T. Koontz, who was pulling train No. 88 from Sioux City to Pacific Junction, had just passed over the bridge with his train when the flood swept the two spans of the bridge out. Mr. Koontz says the river raised four feet at Fremont in a very short time. The bridge had been put in repair from the former flood and had been in use but a few days.

Campaign for New Members.

J. W. Doran, the field man for Nebraska for the Loyal Mystic Legion, has been in the city for a week and has a class of twenty-five members ready for initiation tonight. This popular fraternal insurance order was organized locally about seventeen years ago, and has 200 beneficiary members in this city. The order has paid out about \$25,000 in losses in this community since its establishment here, which speaks volumes for the insurance side of the company, and its social features are as good, if not better, than its competitors. Mr. Doran expects to put in a class of fifty new members before the campaign is over.

Accidents will happen, but the best-regulated families keep Dr. Thomas' Eclectic Oil for such emergencies. It subdues the pain and heals the hurts.

Ferry Road Open.

I. N. Hunter says the ferry road is open now so that one with a team can go to the ferry easily. At the points where the bank had incroached on the road the ferrymen put in a few shots of dynamite in the bank across the road and widened the track so that teams can pass along that way without danger.
