**A HIGH DIGNITARY.**

**The Very Rev. Jan Marek, D.D.**  
It is very seldom that a high church dignitary honors a manufacturer with a written appreciation of some article. The Very Reverend Jan Marek, D.D., Canon of the Metropolitan Capitol of St. Vitus, Prague, Bohemia, allowed us to publish the following letter: "I have tried Triner's American Elixir of Bitter Wine and wish to say that it has an excellent effect in diseases of the stomach. Accept my sincere thanks and best wishes for yourself and your dear family in your new, distant country. Very Truly Yours, Jan Marek, D.D., Canon at St. Vitus, Prague." It is a well known fact that in diseases of the digestive organs you can easily depend on this remedy, called Triner's American Elixir of Bitter Wine. It is made of pure red wine which itself has a good stimulating effect on the stomach and the intestines and of selected medicinal herbs, mostly bitter tonics, and laxatives. Use this remedy in every indisposition, in loss of appetite, weakness, constipation, headache, in colicky pains and cramps, in nervousness and neuralgia and in rheumatic attacks. At drug stores. Ser. No. 346 Pure Food Law. Jos Triner, Pharmaceutical Laboratory, 1333-1339 So. Ashland Ave., Chicago, Ill.
