which will indeed be good news to her many Eagle friends.

The news of the death of Herman Lau came as a great shock to the entire community, although it was known that his condition was very serious. He was taken sick a few weeks ago with what developed into spinal meningitis, and the attending physician struggled desperately with it, but the dreadful disease had secured such a hold that in spite of all that medical skill could do he passed away at 2 o'clock Monday afternoon.

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holselaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for Coughs and Colds with excellent results." It's quick, safe, reliable and guaranteed. BALD HEADS

NOT WANTED

Baldness Is Too Generally Considered a Sign of Advanced Age.

A bald-headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over 35 years of age as new employees.

Probably 65 per cent of bald-headed people may regain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair are entirely dead, their follicles closed, and the scalp has become glazed and shiny. We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will, and gives satisfaction in every respect, we shall make no charge for the remedy used during the trial.

We know exactly what we are talking about, and with this offer back of our statements no one should scoff, doubt our word, or hesitate to put our remedy to an actual test.

We want every one in Plattsmouth who is suffering from any scalp or hair trouble, dandruff, falling hair or baldness, to try our Rexall "3" Hair Tonic. We want them to use it regularly—say until three bottles have been used—and if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the remedy for the mere asking. There is no formality expected, and we exact no obligation from the user whatever.

We are established right here in Plattsmouth, and make this offer with a full understanding that our business success entirely depends upon the sort of treatment we accord our customers, and we would not dare make the above offer unless we were positively certain that we could substantiate it in every particular. Remember in this community only at our store—The Rexall Store, F. G. Fricke & Co., Union Block.

METCALFE TO AID JOHN H. MOREHEAD

And Urges All His Friends to Rally to Support of Falls City Man.

A special from Lincoln, under date of April 23, says: In a letter sent to J. H. Morehead of Falls City today, R. L. Metcalfe of this city acknowledges his defeat for the gubernatorial nomination of the democratic party and says: "I assure you that my services shall be at your command during the campaign upon which you are about to enter."

After a comprehensive review of what he believes should be the constructive policy to be followed by the democratic party in this state, Mr. Metcalfe closes his letter:

"In the meantime I ask my friends everywhere to rally to your support and to unite in the effort which I hope will now be made by every faithful democrat for a re-organization of party lines in Nebraska, upon the solid foundation of public good, with malice toward none and with charity for all."

Why He Was Late.

"What made you so late?"
"I met Smithson."
"Well, that is no reason why you should be an hour late getting home to supper."
"I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble."
"Did you tell him to take Chamberlain's Tablets?"
"Sure, that is what he needs."

William Jones Improving.

William Jones, who has been suffering from a siege of pneumonia for some time, is on the way to recovery. Although gaining slowly, he is improving. Yesterday he was able to walk about for a short time on the porch, the first time since his sickness. His numerous friends will be glad to see him down town again.

"COMMODORE STONE" A FINE TRAINED HORSE

Claude Shoemaker Proud Possessor of Finest Saddle Horse in the State.

Claude Shoemaker is the proud possessor of the best trained saddle horse in Nebraska. Claude purchased this fine animal recently at Mexico, Missouri. The gelding's name is a revelation in itself. "Commodore Stone," probably named after the once governor of Missouri, and "Commodore Stone" is a combination five-gaited gelding, mahogany bay in color, 15:3 hands high, weighs 1,100 pounds and is 5 years old. This excellent animal was formerly owned by Dr. M. W. Steiner of St. Joseph, Missouri. The horse has all the qualities which go to make the real saddle—conformation, action, flesh, color and gait. He was educated by Thomas Graves of Woodford country, Kentucky, and there is no better trainer.

"Commodore Stone" possesses everything—head, ears, chest, dark neck, back, loins and has the best flat bone and hoof imaginable. He is the true type of a

gaited horse. Mr. Shoemaker is certainly fortunate in his selection and could not have found a better specimen of the Kentucky saddle horse had he looked the country over. This is the first saddler which has been brought to this city and we hope others will follow the example of Mr. Shoemaker and get a good horse.

Puts End to Bad Habit.

Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end "the blues." Best for stomach, liver and kidneys. 25c at F. G. Fricke & Co.

Loses Valuable Dog.

While capering about a rapidly moving automobile, being driven north on Fourth street yesterday afternoon, the valuable dog belonging to Dr. E. W. Cook was run over and killed. There are a few gentlemen in the city who drive their machines too fast while passing through the city limits, and often greatly exceed the speed limit, and it is a wonder that human life has not been sacrificed before this time. The speed limit should be protected, and a few fines will do the business.
