## THE RED SOX WIN ANOTHER GAME

Large Crowd Witnesses Defeat of  
Alhambras of Omaha Sun-  
day Afternoon.

There was a large crowd as-  
sembled on the ball grounds yester-  
day afternoon to witness the  
second game played by the Platts-  
mouth Red Sox. A bunch of en-  
thusiastic spectators occupied the  
amphitheater and cheered the Red  
Sox to victory. The grounds were  
in fair condition, but a little soft  
from the copious rain of Friday  
night, and the weather was ideal,  
with no wind to interfere with the  
delivery of the ball.

The Plattsmouth battery was  
McCauley in the box and Herold  
behind the bat. The score at the  
end of the ninth inning was 6 to  
5 in favor of the home team. Mc-  
Cauley pitched an excellent game,  
fanning out twelve men of the  
visiting team and letting them  
have but one hit, while the Al-  
hambra's pitcher struck out but  
seven of the Red Sox and let them  
have five hits. To Mann is due  
the credit of two two-base hits.  
The Plattsmouth team clearly  
outplayed the visitors. Runs were  
made by Beal in the first and  
seventh innings and by Wells, Mc-  
Cauley and Mason in the sixth  
and by Hula in the eighth. The  
visitors did not make a score until  
the sixth inning, when four of  
their five runs were made. The  
Red Sox did not bat in the ninth  
inning, their score already being  
one in excess of the visiting team.

The line-up of the Red Sox yester-  
day was as follows: Mc-  
Cauley, pitcher; Herold, catcher; Ault,  
first base; Wells, shortstop; Kal-  
ina, second base; Beal, third base;  
Hula, right field; Mann, center  
field; Mason, left field. The game  
scheduled for next Sunday after-  
noon will be the Red Sox against  
the Hoctors of South Omaha.

### Thieves Enter Beaumeister Home.

The home of Mrs. Beaumeister,  
near the M. P. track, north of  
the city, was entered between 1  
and 2 p. m. Saturday and a silver  
watch, silverware and a sealskin  
purse stolen. The manner of  
breaking into the home would  
seem to indicate an expert at  
house-breaking. A hole had  
been drilled through the window-  
pane and a small wire inserted  
and the window catch pulled out  
and the top sash lowered suffi-  
ciently to admit a man's body.  
As soon as the robbery was dis-  
covered the chief of police was  
notified and went to the dwelling  
and arrested a stranger found in  
the vicinity. The man was held  
until this morning, but no trace  
of the missing silverware or  
watch could be found, and for  
want of evidence he was dis-  
charged.

### Water Giving Out.

Citizens of Havelock are hav-  
ing a hard time to get water for  
domestic purposes. Several wells  
have been sunk by the city in an  
effort to get enough water to sup-  
ply the people from the municipal  
plant, but none of the wells have  
had a big enough flow to supply  
the demand. On this account the  
town has been supplied from the  
Burlington shops, but a few days  
ago notice was given to the people  
that the water is not fit for do-  
mestic use. Another well has  
been sunk by the town and will be  
given a test in a few days.—Lin-  
coln Journal.

Newcomers to a city are always  
interested in the water supply of  
a town and its purity. Never in  
the history of Plattsmouth have  
the people complained of not  
having pure water. It is here in  
abundance, and that is one great  
reason why Burlington employees  
prefer Plattsmouth as a residence  
to Havelock, whose water is not  
what it should be.

### General Strike On.

A special from Chicago, under  
date of June 1, says: The likeli-  
hood of a general strike on all  
trunk railroads west of Chicago  
loomed larger tonight, when it  
was announced here that the  
referendum vote of the shopten  
was overwhelmingly in favor of a  
general strike to enforce the de-  
mands of the union freight hand-  
lers, who are now out. Five unions  
employed in the shops and yards  
of the roads, it was said tonight,  
were ready to join in a general  
strike movement that would de-  
moralize traffic out of Chicago  
and throughout the west and  
middle west. The decision of the  
unions will not be officially known  
for some time, as the work of  
counting the ballots and canvass-  
ing the vote is a tedious job. The  
switchmen did not vote on the  
proposition, but may join the  
movement if a general strike was  
attempted.

### It Is Captain Herold Now.

Pete Herold has been selected  
as captain of the "Red Sox,"  
Plattsmouth's crack base ball  
nine, for the year 1912, and it is a  
safe bet that Pete will have a  
winning team. A better selection  
could not have been made, as  
Pete's long experience on the dia-  
mond qualifies him for the posi-  
tion to which he has been elected.  
He is undoubtedly the right man  
in the right place. He has gone  
about his duties in a business-  
like way, having announced three  
practices each week, to take place  
on the ball grounds on Tuesday,  
Thursday and Friday evenings.  
The diamond is in fine shape now,  
having been plowed and dragged  
and leveled up in such shape that  
there are none better in the  
country.

### Dance Saturday Night.

The Cosmopolitan club of this  
city will give a social dance Sat-  
urday evening, June 8th, at  
Coates' hall. Music by the M. W.  
A. orchestra. A cordial invita-  
tion is extended to all. Come and  
enjoy a fine dance.

## NEHAWKA News.

Mr. and Mrs. Frank Anderson  
of Union are the proud parents of  
another boy, born yesterday. This  
makes Grover Hoback uncle  
again.

Old Mr. Griffith, whose health  
has been poor this spring, is not  
so well again. His many friends  
hope he may speedily regain his  
usual vigor.

Reva Roe, who makes her home  
at J. E. Banning's left on the early  
train Wednesday for Springfield,  
where she will visit relatives for  
a few days.

George Hansen, Charles  
Chriswiser, H. M. Pollard and  
John Vantine are among those  
who are running new cars in this  
vicinity the past week. Uncle Ben  
Hoback is reported as having  
purchased one also.

Born—To Mr. and Mrs. George  
C. Sheldon, last Friday evening, a  
seven and one-half pound boy.  
George admits this is the finest  
youngster that ever opened his  
eyes to the glories of Nebraska.

L. H. Young and fourteen other  
prominent farmers north of town  
have purchased from G. E. Young,  
the former's nephew, his biggest  
threshing outfit and will not have  
to wait on the pleasure of custom  
work. They will decide by lot  
where the machine starts and the  
order in which they each thresh.

Mrs. Alfred Beckner and her  
father, Robert Mixon, of Hunting-  
ton, West Virginia, came in Wed-  
nesday evening from Wausa, Ne-  
braska, for a visit with relatives  
and friends here. Mr. Mixon says  
crop conditions around Wausa  
are far ahead of what they are  
here, they having had several  
good rains recently.

Frank Sheldon and wife left at  
noon yesterday for Knoxville, Il-  
linois, where they expect to at-  
tend the commencement exercises  
at the seminary from which their  
daughter, Miss Isadore, graduates  
this year. They went in Frank's  
big touring car and will not linger  
long upon the way. They expect  
to get home the latter part of  
next week, Miss Isadore coming  
with them.

John Vantine very obligingly  
offered to convey Mr. and Mrs.  
Henry DuClos home in his new  
Ford car Wednesday. The cross-  
ing was blocked by a train and  
John undertook to go in back of  
the stores and cross at the lower  
crossing. The space in there is  
only about 70 feet wide and John  
had some trouble in negotiating  
it; in fact, some witnesses declare  
that John attempted to carry  
Sheldon's chicken house off on the  
front of his machine. Mrs. Du-  
Clos climbed out the back end,  
declaring there wasn't room in  
the car for her and a whole  
chicken house. Henry manfully  
stuck to the ship and John finally  
got him home. One very  
veracious small boy says John  
hollered "whoa" at the top of his  
voice, and still the chicken house  
wouldn't get out of the way.

### Rev. George Hindley Dead.

Rev. George Hindley, formerly  
pastor of the Congregational  
church of Weeping Water, died  
Friday at his home in Montana,  
and his funeral will occur at  
Weeping Water, from the Con-  
gregational church, Tuesday after-  
noon at 3:30 o'clock. Rev.  
Hindley was pastor of the Weep-  
ing Water church for several  
years and was founder of the  
Weeping Water academy. He  
was an eloquent preacher, a  
kindly, genial gentleman and a  
very popular clergyman. It was  
during his pastorate that the  
present fine brick church edifice  
was erected at Weeping Water.  
Quite a number of Plattsmouth  
people will attend the funeral.

## PENSION LAW IS VERY CONFUSING

Form Prepared for Applications  
for Increase Under New Law  
Misleading.

A special from Washington,  
under date of June 1, will prob-  
ably prove of some benefit to the  
veterans of the civil war: "In the  
opinion of Representative Kinkaid  
much confusion is likely to result  
at the pension office because of  
the form prepared by the bureau  
for applications under the law of  
May 11. The blank makes no  
reference to the service, disability  
under which many may wish to  
file and its omission is mislead-  
ing. Unless applicants state  
specifically in their application  
that they are filing under the dis-  
ability clause where they wish to  
do so great confusion will result.  
The matter has come to the at-  
tention of many other members,  
and they have prepared a blank  
form of affidavit which they are  
advising claimants to file with  
their applications where they  
base their claim upon a service of  
disability. The affidavit calls for  
the certificate number, company  
and regiment in which the soldier  
served, the nature of his dis-  
ability, "incurred in the service  
and line of duty." It declares  
further that "by reason of such  
disability the soldier is now un-  
able to perform manual labor and  
that he makes affidavit to supple-  
ment his application and makes  
claims for the maximum pension  
provided by the act of May 11,  
1912." An accompanying affidavit  
from a physician who has exam-  
ined the claimant is also suggest-  
ed. Mr. Kinkaid believes that if  
this affidavit or a similar one is  
filed with the application it will  
save much confusion that is now  
likely to result under the opera-  
tion of the new law."

### Children's Day Exercises.

The Children's day exercises at  
the Christian church last evening  
were well attended and very in-  
teresting. A fine program of  
vocal and instrumental music,  
drills in costume, exercises and  
dialogues was given, each num-  
ber on the program being well  
rendered. The ladies on the com-  
mittee of arrangements and those  
who drilled the young people are  
entitled to much credit for their  
patient work, which it was very  
apparent had been well done. This  
committee was composed of Mrs.  
Briggs, Mrs. Foster, Mrs. Sten-  
ner, Mrs. Zink, Mrs. Philip Rhin  
and others. The program was  
given in a most creditable manner  
and many complimentary remarks  
were heard from those who wit-  
nessed the performance.

### Goes to Minnesota.

Charles Ryberg and wife de-  
parted Saturday evening on No. 2  
for Backus, Minnesota, where Mr.  
Ryberg will engage in farming.  
He and his estimable wife have  
been residents of Plattsmouth for  
the past thirty years and have  
hosts of friends, who regret very  
much to lose them from their  
circle. Quite a large party were  
at the station to see them off and  
to bid them good-bye. For the  
past fourteen years Mr. Ryberg  
has been in the coach shop of the  
local Burlington shops, and has  
been a faithful worker for his em-  
ployers and stands very high  
among his fellow employes.

### Spoke at Christian Church.

of the First Christian church of  
Topeka, Kansas, is in the city,  
the guest of his father-in-law, Thom-  
as Wiles, and filled Rev. A. L.  
Zink's pulpit at the Christian  
church yesterday at the morning  
service. Rev. Finch preached an  
eloquent discourse on the subject  
of "The Immortality of the Soul."  
On Tuesday of this week Rev.  
Finch will go to Lincoln, where he  
will deliver the baccalaureate ser-  
mon to the 1912 class of Cotner  
university.
