Which Will It Be.

According to information received at the court house the assessed valuation of Cass county lands is \$73.85 per acre, average. The valuation of Otoe county lands, with one precinct still missing, is \$84.15. Cass county will either raise the valuation a little, or the Otoe county valuation is a little too high.—Nebraska City Press.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by F. G. Fricke & Co.

In County Court.

Anton Kanka and wife, as heirs of the property of Francis Kanka, their daughter, who was killed in a Missouri Pacific wreck last September, filed a waiver of published notice of final settlement of their daughter's estate today and the court made an order of distribution, dividing the \$4,850 equally between the parents.
