Summer Footwear

AT Ruinous Prices!

Pleasing Prices on
Child's Slippers!

On account of the radical and sudden changes in styles and the many different varieties we are compelled to carry in Ladies' Shoes, results in large semi-annual losses, and also from many different causes the ladies' department is unprofitable, consequently we are determined to close out our Ladies' Department entirely, and discontinue it with the intention of substituting some other line of merchandise.

With this in view **Every Pair of Ladies' Oxfords Must Go**, and to do this and not have a pair left, we are dividing our *Sale Oxfords* into five classes and again putting the knife into our former low prices, and cutting not only the profit but also additional cost.

250 Pairs Ladies' Dependable Oxfords at Slaughter Prices of \$1.00, \$1.25, \$1.50, \$1.75 and \$2.00

Never in the history of Cass County Shoe Merchandising were ever such marvelous values offered at these prices and we wish to make it impressive that these shoes are honest values, at marked down prices from our regular lines carried in the past, and not a lot of junk bought for the occasion.

THE CARNIVAL COMPANY WILL BE HERE

Will Be in Plattsmouth One Week, Commencing on Monday, July 8.

Mr. Lebeno, advance agent of the Mid-West Carnival company, was in the city last night and signed a contract with the Red Men to bring his carnival, with twelve to fifteen paid attractions, to the city from July 8 to 13 inclusive.
The dimensions of Richey street are hardly sufficient for the shows, and the Red Men will make an effort to have the council grant the carnival the use of Main street between Second and Third.
At a meeting of the Red Men last night it was decided to go ahead and have the carnival. Adolph Giese was selected as chairman; E. Walters, secretary, and John Gory, treasurer of the committee on arrangements, the carnival to be given under the auspices of the Red Men, Missouri Tribe No. 69.
Mr. Lebeno was with the Parker company when it was here a few years ago, and stated to the committee that the Mid-West company was ahead of the Parker company.

All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by F. G. Fricke & Co.
