## MRS. JOHN PALECEK CALLED TO HER REWARD

Passes Away at Her Home This Morning, After an Illness of Several Months.

From Wednesday's Daily.

Mrs. John Palecek died at her home on West Vine street at 2 o'clock this morning after an illness of several months, but was not considered dangerously sick until the past two weeks.

Celia Jirousek was born in Moravia, Austria, July 12, 1863, and had she survived until July 12 next would have been 49 years of age. She came to America after attaining her majority and settled in this city, where her sister resided. In 1888 she was married to John Palecek and with her husband made her home in this city until the time of her death. Her husband and six children survive to mourn her loss the children being: Anna, Celia, John, Pauline, Frank and Lillian. Also two sisters survive, Mrs. Anton Svoboda of Plattsmouth and Mrs. James Patterson of Sedan, Kansas. The deceased will be missed from a large circle of friends and neighbors, who will sincerely mourn her death. She was a faithful wife and mother, an obliging neighbor an a loyal friend and a devoted Catholic.

The funeral will occur Friday morning at 10 o'clock from the Holy Rosary Catholic church.

### May Close at 6 O'Clock.

During the months of July and August there is strong talk of trying to prevail upon the merchants to close their stores at 6 o'clock. Mr. E. Wurl, president of the Retail Merchants association in the city, is in favor of the plain and will use his influence to bring it about. The trade between 6 and 7 o'clock is usually light at best, and the patrons could as well purchase every needed article prior to 6, as most people are at their evening meal at that hour. Let the good work go on, and everybody close at 6 for the two hot months and give the clerks a chance to put on the tan. The clothing stores are in for it and the dry goods and groceries may as well fall in line.

### Bridge Contract Awarded.

From Wednesday's Daily.

As advertised in the Journal, the county commissioners met yesterday and opened and discussed bids for the construction of bridges in Cass county for the year ending July 1, 1913. Competition was lively, there being no less than eleven bidders for the work. The contract was awarded to the Nebraska Construction company of Lincoln, they being the lowest bidders. The other bidders were: Massillon Bridge and Structural company of Massillon, Ohio; H. T. Ward & Co., of Tecumseh, Neb.; Empire Bridge Co. of Omaha; Western Bridge and Construction Co., Omaha; Boeck Manufacturing Co., Sioux City; Monarch Engineering Co., Falls City, Neb.; the Canton Bridge Co., Canton, Ohio; Omaha Structural Steel Works, Omaha; G. H. Dennis, Weeping Water; George Poisall, Plattsmouth.

### Makes Fancy Quilt.

Mrs. N. Halmes has completed a very handsome quilt, worth between \$15 and \$20, which she is selling chances on at 25 cents each. The quilt is a beauty and would be highly prized by one fortunate enough to secure it. Mrs. Halmes has set out to sell 300 tickets, which would bring in \$75, and all but fifty of these have been sold. The money derived from the sale of tickets is to be used to paint and paper the interior of St. John's church. Mrs. Halmes has put in her spare minutes since the first of the year in making the quilt, which is entirely of silk, and must be seen to be appreciated.

### Ball Game Yesterday.

From Tuesday's Daily.

The White Sox and the Wintersteen Hill nine crossed bats on the base ball grounds yesterday afternoon. After a hotly contested game and all the scores had been counted up, it was found that the White Sox had beat the Wintersteen Hill team to the tune of 22 to 10. Hillard Grassman caught for the White Sox, while Ed Rehal and Charles Poisall pitched. Newman caught and Wilcox and Shea pitched for the Wintersteen Hill kids.

### Shetland Ponies for Sale.

I have an excellent team of Shetland ponies for sale. Well broke and at a price that is right.

## Charles Countryman in Town. From Wednesday's Daily.

Charles Countryman, one of the prosperous young farmers of Mt. Pleasant precinct, was a Plattsburgh visitor for a short time this morning, having driven in to get the early train to Omaha. Mr. Countryman reports the wheat harvest as coming on and will probably be commenced the last of the week or the first of next. There was no wheat harvested in his neighborhood last week and none so far this week. Corn is backward, owing to the poor stand, insects and cold weather of some weeks ago, but some fields are looking good.

### Man Coughs and Breaks Ribs.

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonsful ends a late cough, while persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure it's a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Mo., "for I believe I would have consumption today if I had not used this great remedy." It's guaranteed to satisfy, and you can get a free trial bottle for 50 cents or \$1.00 size at F. G. Fricke & Co.

### Pleased With Crop Outlook.

Judge Newell returned from a trip to St. Joseph, Missouri, today and was pleased with the outlook for crops. He went down by way of Falls City a couple of days ago. The wheat between here and St. Joseph on the Nebraska side will be good, although it is shorter straw than usual, yet the heads are good length and well filled. No harvesting is being done along the line yet, but will begin right away as some of the fields were ripe. Corn looked well in some fields, while in others it was small.

### NOTICE OF HEARING.

Notice is hereby given that an application has been made to the Governor and the Advisory Board of Pardons for a pardon of the sentence of Charles Allen Whiting, who was, on the 24 day of April, 1912, sentenced by the district court within and for Cass County, to serve a term of one to seven years in the state penitentiary for the crime of bigamy.

Said application will be heard before the Advisory Board of Pardons on the 8th day of July, 1912, at 10 o'clock a.m.

Dated this 14th day of June, 1912.

Signed:

Charles Allen Whiting.

### Ends Hunt for Rich Girl.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50¢ at F. G. Fricke & Co.

### Agreeably Surprised.

The Journal office was very much surprised, and agreeably so, when our old friend, Jacob Shafer, the Alvo druggist, stepped in upon us. This is Mr. Shafer's first visit to Plattsmouth for several years, and he viewed many evidences of prosperity. "Jake," by which cognomen he is better known, is just as fat and sassy as ever, and his smiling countenance was very cheerful to us. He is one of the best fellows in the world and we whiled away an hour or so in a genuine good old-fashioned time. Mr. and Mrs. Shafer are steadfast friends of the Journal and their friendship is most highly appreciated.

### Makes the Nation Gasp.

The awful list of injuries on a Fourth of July staggers humanity. Set out against it, however, is the wonderful healing by Bucklen's Arnica Salve, of thousands, who suffered from burns, cuts, bruises, bullet wounds or explosions. It's the quick healer of boils, ulcers, eczema, sore lips or piles. 25 cts. at F. G. Fricke & Co.

### Move on Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25¢ at F. G. Fricke & Co.

### Class Picnic in Park.

From Tuesday's Daily.

The Sunday school class of Mrs. Steiner to the number of 25 boys and girls, enjoyed a picnic, going to the Cook grove in the southern part of the city yesterday. Baskets full of lunch and eatables were taken along and an excellent time enjoyed by the boys and girls.

**Cartercar**

Cartercars are adapted especially for farm use

Simplicity, reliability and easy control make the Cartercar ideal for the country man.

The friction transmission gives any number of speeds. There are no gears. It is quiet, without any waste of power.

You can follow along behind a flock of sheep or drive of cattle, never crowding them in the least—or you can speed around everything in sight.

With the self starter anyone can operate the car easily. The Carter-

car is a great favorite with the ladies.

The chain-in-oil drive is the most economical means of transferring power to the rear axle. It is noiseless. The chain runs in a constant oil bath, which prevents wear.

Three strong brakes, full floating rear axle, three-quarter elliptic rear springs, and other excellent features.

Touring Cars, Roadsters, Coupes, from \$1200 to \$2100. Send for complete information.
