Physical Exercise.

According to Dr. Durdik, physical exercise should be done for the express purpose to strengthen the mind so it could dictate to the body. It is not an easy matter to restrain the body from enjoying what it likes, although knowing that such enjoyment is injurious. A sound mind or good sense gives orders to the body regulating its habits. Can you prevent your body from over-eating, over-drinking and other excesses? Try it and if you succeed you will be perfect. Should any disorder in the digestion prevent you to do so, try Triner's American Elixir of Bitter Wine. It will strengthen your stomach and your intestines, will arouse the appetite and increase the digestive secretions; it will clean out the bowels and keep them clean. It will relieve pain. At drug stores. Jos. Triner, 1333-1339 S. Ashland Ave., Chicago, Ill.

Traveling Man Took His First Trip Across the Plains From Plattsmouth in 1858.

H. P. Duncan, traveling salesman for an Akron, Ohio, drug firm, was in the city yesterday afternoon and called on the local druggists. He has been making Plattsmouth for the past twenty years. While standing on the Burlington platform waiting for his train last evening Mr. Duncan recalled having landed from a steamboat near where the station now stands, in the spring of 1858.

He had shipped from St. Louis on the boat. At the time he was traveling with his uncle, who was taking a wagon train across the plains. The train consisted of thirty-two head of cattle and several teams of mules. The cattle, as well as the mules, were used for hauling heavy wagons loaded with freight, their destination being Denver. At that time there were but a few shanties between Plattsmouth and Grand Island. Mr. Duncan took that trip to see what the west was like, and while his home is still in Akron, he travels by rail now the trail he went over with ox teams and prairie schooners fifty-four years ago.

George L. Highle, Manton, Mich., used oFley Kidney Pills for kidney and bladder trouble. He says: "I find for my case no other medicine equals Foley Kidney Pills for beneficial effect." They are a safe and reliable medicine for kidney trouble and rheumatism. Contain no harmful drugs. For sale by F. G. Fricke & Co.

Mr. and Mrs. Kanard, Dr. and Mrs. Dodge, Mrs. Roscoe, Horace and Sperry Ruffner and Miss Violet Dodge, all of Omaha, motored to Plattsmouth last evening, remaining for a few hours and taking supper on the Dodge lawn in this city. They started on the return trip about 10 o'clock. Miss Violet remained in the city today for a visit with friends.

In these days of high cost of living, a medicine that gets a man up out of bed and able to work in a few days is a valuable and welcome remedy. John Heath, Michigan Bar, Cal., had kidney and bladder trouble, was confined to his bed, unable to turn without help. "I commenced using Foley Kidney Pills and can truly say I was relieved at once." This example is worth following. For sale by F. G. Fricke & Co.

Entertains for Guests.

Mrs. E. H. Wescott entertained last evening in honor of her aunt, Mrs. Lucy Tisdale, of Slayton, Minn., a sister of Mrs. Wescott's father, the late William Street, and also for Mrs. Mary Pritchard of Red Oak, Iowa. Dinner was served at 6 o'clock, covers being laid for a number of relatives and friends.

A Farewell.

The boys composing Miss Mattie Larson's Sunday school class of the Presbyterian church gathered at the home of their teacher last evening to participate in a picnic supper. The occasion was in honor of Truman Waugh and was in the nature of a farewell. Truman expects to depart for Lincoln today, where the Waugh family expects to reside in the future. Weenies were roasted over an open fire, after which all gathered about the festive board and quite rapidly devoured the piping hot weenies and accompaniments. The boys regret very much at having to lose Truman from their class. Those in attendance were: Truman Waugh, Glen Thompson, Burdette Briggs, Raymond Larson, Dewey Zuckweiler and Blythe Rosenkrans.

N. J. Jordan, Cashier Bank of Woodville, Woodville, Ga., had a very severe attack of kidney trouble and the pains in his kidneys and back were terrible. "I got a bottle of Foley Kidney Pills from our druggist and they entirely relieved me. I have more benefit from them than any other medicine." For sale by F. G. Fricke & Co.

Candidate for Assessor.

The Journal is in receipt of a letter from P. E. Ruffner, who, with his wife, is sojourning in Montana, in which he says that it was his intention to have arrived at home in time for the city primaries, but owing to the sickness of his sister, it will be utterly impossible for him to do so. Mr. Ruffner also says if his friends feel like supporting him for assessor again he will gladly accept the honor, and feel very grateful to the democrats for their support. Mr. Ruffner has served several terms as assessor and has always "filled the bill" in a most capable manner.
